**—FOX PELT STOLEN—**A valuable fox pelt was taken from the office of Mr. J. B. Proffitt, Kensington, on Monday afternoon. Larceny is becoming rather a frequent occurrence. It will soon be a matter for the Department of Criminal Investigation.

**—KENSINGTON EXHIBITORS RETURN—**Messrs. J. M. Leard, (Mayor), Dr. A. A. Lockhart, Myron McArthur, Cleve Baker, Robt. Humphrey, Thos. Humphrey and Marshall Carr—all exhibitors of foxes at the Royal Winter Fair, Toronto, returned last week. They were all eminently successful in securing prizes.

**—KENSINGTON WINTER RACE CLUB—**Horsemen of the surrounding district met at Ivan Brown's shop on Saturday evening, Nov. 29th, and appointed officers for the coming winter season. Mr. David O'Connor Clinton, the retiring Secretary, received the thanks of the members for the excellent manner in which he conducted the affairs of the club for the past two seasons. The following officers were then appointed: President, Myron McArthur; Secretary, James Pendergast; Speed Committee, David O'Connor, Austin Taylor, Wm. D. Proffitt, Geo. Woodside, Wm. Warren, Myron McArthur; Starter, Wm. Sutherland. A substantial surplus (\$50.00), remains from last year's operations, plus proceeds from the New Annan summer matinee, which together with hat collections and membership fees will make it more interesting to horsemen and spectators. If good ice prevails during the winter, the club and spectators should be treated to the best racing ever taking place in this good racing centre. It is intended to hold the races on New London ice, and take in all the members extant of the grand old New London Club of some years ago which played such a large part in the development of the good horses Keemah Aubrey, Happy George and Queen Catherine and many others of lesser brilliancy. In the close vicinity there is Jessica the Great (W. B. McArthur), British Ginger (Geo. McNeill), Lloyd George (Dr. Eowness), Jacqueline the Great, 2.10 pacing mare (Reagh Sudsbury—in Semple Stables), Peter Keyes—(Wm. Toombs), Princess Aubrey (Johnston Ramsay), Laocina (Geo. Woodside), David Oroloto, a recent importation from Massachusetts (Dr. Jardine), two good importations (John Whitehead and Mr. Brown), Helen S. and Pansy Volo (E. Sobey and Son), the Dr. Church colt (Jas. Jochelmann), the Marchbanks colt (Dr. Bowness), 'I'm Alone' (Laidy. Rogers), Laocina (Will Ed. Proffitt), Our Prophet (William Dennis), the Keemah Aubrey colt (Geo. Crozier), and many other good prospects beyond the ken of the writer at present. K.

**—CAR BURNED AT CLERMONT**  
—On Sunday evening a Nash Sedan owned and driven by Reagh Sudsbury, of Kensington, took fire and burned on the Cullen road near Clermont. The occupants, George Semple and Reagh Sudsbury, kept snow piled on the tires in order to keep them from being burned. They left the car for a time and returned to Kensington. While they were away some despicable looters took the tires and everything else that was of use about the wreck. Such mean, contemptible burglary should be traced and the perpetrators used as a horrible example. K.

**—WEDDING BELLS—**At the Central Christian Parsonage, at Summerside, on Wednesday morning at 6 o'clock, Miss Emily Hilda Cannon, daughter of Mr. and Mrs. S. E. Cannon, of Summerside, became the wife of Mr. Frederick Sherren, son of Mr. and Mrs. William Sherren, of Crapaud. Rev. W. H. Harding performed the ceremony. The bride was charmingly dressed in brown georgette, trimmed with lace, her hat, shoes and stockings were in matching shades of brown. Mr. Cannon, father of the bride, and Mr. J. S. Sherren, brother of the groom, were present at the ceremony. The bride is a member of the L.L.O.B.A. The groom is a brother of Lieut. Col. P. C. Sherren, of the British Air Force, in England. Immediately after the wedding they repaired to the home of the bride, where a sumptuous wedding breakfast was served to the immediate relatives. After a short honeymoon in the Maritime Provinces, Mr. and Mrs. Sherren will reside in Crapaud, where Mr. Sherren is a prosperous farmer. The Guardian joins in wishing the happy young couple many years of wedded happiness.—S.

**POTATO MARKET—**The potato market was much stronger yesterday than it had been for some time past, the Potato Growers Association offering 35 cents a bushel for Green Mountain table stock and 28 cents for Irish Cobblers, an increase of 7 cents and 6 cents in the respective varieties. Green Mountain fancy brought 40 cents. There was little movement of potatoes yesterday due to the cold weather. Turnips however are moving briskly, large quantities being shipped by rail. The Association price is 22 cents a bushel, an increase of 4 cents.

**B. I. S. MEETING—**An exceptionally large number of members attended the regular meeting of the Benevolent Irish Society in their hall Wednesday evening. A number of new names were added to the roll, and a stirring address delivered by Right Reverend Monsignor Maurice McDonald, who urged the members to ever greater efforts. The details of the St. Patrick's night play were discussed and the committee in charge promised to produce something exceptionally good with a number of pleasing specialties.

**—MR. DAVID ENMAN PASSES—**There passed away in the Prince County Hospital on Thursday morning, Mr. David William Enman, of Bedouque, in his seventy-fifth year. Mr. Enman entered the hospital about twelve days ago and was operated on November 26th and it was considered that the operation was successful, but complications set in from which he did not rally. The deceased was born in Vernon River and was the son of the late David Enman, of that place. Early in life he came to Summerside and entered the service of the Island Railway. He was section foreman at Cape Traverse for nearly thirty years and was very highly thought of. On his retirement he, with his wife, came to live in Summerside, where he lived until a short time ago. Of a quiet and reserved nature, he held the es-
