

IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

WEDNESDAY

The picnic special returned to Charlottetown from Elmira last night at 10.05. Quite a few excursionists from this city attended the picnic and a most enjoyable time was spent in the far east. The picnic was one of the pleasantest ever held in King's County, according to reports, and the committee in charge are deserving of much praise for the many amusements provided for the very large attendance.

Mrs. A. D. Matheson of Dundas Centre, accompanied by her daughter, Miss Alice E. Matheson, who has been spending the past two years in Alberta, arrived in Charlottetown last evening and are the guests of Captain and Mrs. Fred Nelson, Graton St. Mrs. Matheson returns shortly to her home, while Miss Alice leaves for Cavendish, Stanley and Rustico to spend a few days with friends.

Rev. Dr. DeWolfe, Principal of Acadia Seminary, Wolfville, and Rev. Z. L. Fash, of Charlottetown, returned yesterday morning from Montague. They had been for the past few days attending the Centenary celebration of the founding of the first Baptist Church in that section. Rev. Dr. DeWolfe preached suitable sermons both morning and evening on Sunday, and on Monday a visit was paid to the old cemetery where the bones of the old pioneers repose and here an appropriate memorial service was held. The various services throughout the entire occasion were well attended and will doubtless serve to stimulate the spiritual growth of the community.

The following is taken from the Lexington Herald, of Lexington, Kentucky, the city in which Rev. J. F. Floyd and Mrs. Floyd of Charlottetown are the guests of their relatives and friends—H. C. and Mrs. Lancaster of North Broadway, entertained on Tuesday evening with a very handsome dinner in honor of Rev. J. F. Floyd and wife, Mrs. J. S. Floyd and daughter of St. John's, Canada, and Miss Clara Staehle of Covington, Ky. The colors, red and green, were tastefully carried out throughout the entire lower floor, the table decorations being scarlet sage and ferns. Covers were laid for sixteen, and the guests were: Rev. and Mrs. J. F. Floyd, R. B. and Mrs. Elliott, Miss Margaret Lancaster, Henry and Mrs. Lancaster, John and Mrs. Elliott, C. S. and Mrs. Kelly, Morgan Elliott.

Further information relative to the drowning of Alexander Harrison McLean, Harrison River, B. C., on July 31st, explains that the deceased was employed preparing a scow for work and he and Archie Campbell carried a piece of timber 8 by 8 and 14 feet long from one end of the scow to the other. After they let the timber go Alex stepped back over the scow and in dropping was stunned and only came to the surface once and could not grasp the pike pole held out to him but sank suddenly. His body was buried on Saturday last at Orwell Head, where his parents reside, and their grief is great at the loss of this noble young man who went west about a year ago full of life and energy. The community expressed sympathy by a large concourse at the funeral. The services were conducted by Rev. D. B. McLeod, with comforting words for the parents and friends.

The P. E. Island horses to compete tomorrow are Vesta Boy, 2.051, Dan Steel, Summerside, and Thoughtful, 2.111, Hammond Kelly, Charlottetown, in the Free-for-all and Cherry Ripe, T. C. Edgett, Charlottetown, in the 2.40 class.

Rev. Mr. Taylor of Zion Church took the morning service in St.

James' Church, Charlottetown, yesterday, Rev. Mr. Fullerton preaching in Zion. At the evening service Rev. Dr. Frost gave an inspiring address from the words "Thy Kingdom Come." Elmer Ritchie sang a solo in his rich, clear voice during the offertory.

The unusually wet summer, in this Province, has resulted in failure (in part) of some crops, and success of others. Hay that promised well in some sections has been saved, while in others, only half harvested, or where early cut, a total failure. The grain crops are much above the average, with plenty of straw in evidence. The root and potato crops promise well, although some report that turnip seed planted did not come up. Trees and shrubs have grown greatly and look their best just now. Flowers have had a great season, roses especially. Sweet peas on the other hand has grown into vines rather than flowers owing to the amount of wet weather. Perhaps these conditions have had the effect of checking the Tussock moth, which was a pest last year. Very few of these have been seen so far this season.

THURSDAY The Guardian correspondent has been informed that owing to the hail storm of some two weeks ago some of the farmers in the north side of St. Peter's Road, Lot 40—out at the Harbour, have had to cut their grain for green feed so badly was it battered down by the hail.

The Fourth Estate, "A Newspaper for the makers of Newspapers," published in New York, in a recent issue gives an excellent photo of James B. Coulson, circulation manager of the Evening Post, with a Complimentary write up. Mr. Coulson is a native of this Province and went to the United States in 1889 where he has made a name for himself in newspaper work. He has been on the Post for twelve years during which time the circulation of the paper has been doubled.

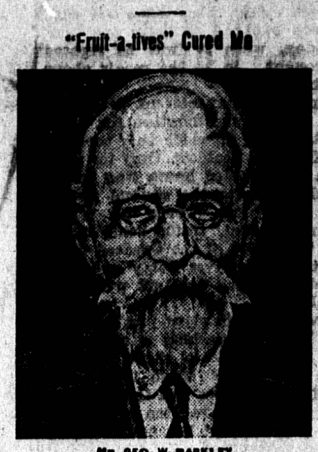

Among the interested spectators at the Championships at the Abegweit grounds in Charlottetown last evening was Joseph E. Howe, House Master of Horton Academy in connection with Acadia University, Wolfville. Mr. Howe holds two Maritime records, that of the running broad jump at 21 ft 8 in and in the hurdles, 16 3/8 sec, made in 1905 and 1906 respectively. Mr. Howe is well remembered here where he has competed a number of times and his many friends were delighted to see him again.

Mrs. Margaret Weeks (nee Andrews) relict of the late Foster Weeks, passed away at the home of her son, Rev. John W. Weeks, Rigby Road, shortly after midnight on Saturday. The late Mrs. Weeks was born at North West Arm nearly eighty-nine years ago and has lived in Sydney for over forty years. The deceased leaves two sons, Rev. Dr. W. W. Weeks, and Rev. J. W. Weeks, both of whom are now in England, and two daughters, Mrs. Charles Dumaresq, and Mrs. Annie Lewis. The remains will be interred in Hardwood Hill Cemetery on Tuesday afternoon. The request is made by the relatives that there be no flowers.—Sydney exc. (Mrs. Weeks was well known in this Province.)

The Guardian notes by the Vancouver World the great success and popularity gained in that city by Miss Winnifred MacLeod, trained nurse, and daughter of John and Mrs. McLeod, of Charlottetown. Miss MacLeod has had charge of the social service department of the General Hospital since May 20th and her untiring efforts for the welfare of his patient is most encouraging. The exchange in speaking of the young lady says:—"Whether directing and planning at her office desk or engaged in actual visiting Miss MacLeod's days are a continual round of busy activity." She deals with the half well whose entire recovery is hindered by worry and gets at the root of the trouble relieving and planning in a remarkable way the comfort and ease of the patients. Many warm tributes of praise are given her and the article concluded as follows:—"The Woman's auxiliary of the General Hospital is fortunate indeed to have been able to place this work in such capable hands as Miss MacLeod's and to have instituted the much needed department of social service."

Hood's Sarsaparilla
Cures all blood humors, all eruptions, clears the complexion, creates an appetite, aids digestion, relieves that tired feeling, gives vigor and vim.

DOCTORS COULD NOT HELP MY KIDNEYS

"Fruit-a-lives" Cured Me
CHESTERVILLE, ONT., JAN. 25th, 1911
"For over twenty years, I have been troubled with Kidney Disease and the doctors told me they could do me no good. They said my case was incurable and I would suffer all my life. I doctored with different medical men and tried many advertised remedies, but there was none that suited my case. Nearly a year ago, I tried 'Fruit-a-lives', I have been using them nearly all the time since, and am glad to say that I am cured. I have no trouble now with my Kidneys and I give 'Fruit-a-lives' the credit of doing what the doctors said was impossible. I am seventy-six years old and am in first class health."
GEO. W. BARKLEY.

Professor R. M. McLeod Shearan and his sister Miss Shearan of Edinburgh, Scotland, are visiting their uncle Neil McLeod, K. C., of Summerside. Mr. Shearan is professor of Mathematics in Heriot Watt College, affiliated with the Edinburgh University. They purpose leaving on return the first week in September. Mr. McLeod and Professor Shearan were in Charlottetown yesterday.

A meeting of those interested in the Martin Hay Tedder was held in the office of M. C. McGowan, Whinn Road, on Saturday evening, August 17th. S. M. Martin occupied the chair and gave an extended account of the development of the invention announcing at the same time the completion of the machine stating that it was securely protected by patents. He cordially thanked those who had co-operated with him in a financial way and recommended that steps be immediately taken to secure incorporation. Accordingly the following provisional Board of Directors was elected, namely:—Malcolm C. McGowan, farmer and merchant, President and member of Board of Directors; John E. McDonald, farmer, Vice-President and member of Board of Directors; Samuel M. Martin, farmer, Secretary-Treasurer and member of Board of Directors; Malcolm D. Martin, farmer, member of Board of Directors; Miles Martin, physician, member of Board of Directors. The Directors were instructed to incorporate under the corporate name of "The Martin Hay Tedder Co., Ltd."

—A telegram was received yesterday morning stating that the body of the late Sterling Duncan had been recovered on Sunday and is being forwarded to the home of his sister Mrs. Wm. McLeod, Calgary, where it will be interred. The late Mr. Duncan graduated from Manitoba College three years ago and completed a four years course in three receiving the degree of Bachelor of Arts. During this time he won three medals and two scholarships and the last year in college he was editor of the College Journal. During his first year he broke the record for pole vaulting and broad jumping and secured the A. A. A. championships for the three provinces. Mr. Duncan graduated from the Summerside High School at the age of fourteen years, winning the Governor General's Medal for General Efficiency. At the age of 16 he graduated from the P. W. C. and being too young to receive a regular license he spent some time in the employ of W. A. Stewart, Summerside. He taught school for one year in Baltic, Lot. 18, and removed to Winnipeg in the Spring of 1906. The particulars of his death are as follows:—He had been out boating with a friend named Kent, when a squall struck the boat upsetting it and throwing the occupants into the water. Mr. Kent swam ashore and it is thought the deceased took a cramp as he was also a good swimmer. J.

—James and Mrs. Porter, of Moose Jaw, are visiting in Summerside, the guest of Colin and Mrs. Milligan, Mr. Porter was a former resident of St. Eleanor's, it being thirty years since he left for the Canadian West. J.

FRIDAY
Miss Messervey of Halifax who has been visiting Hammond and Mrs. Kelly, Southport, left by the Northumberland on return this morning.

E. M. McKay, Mrs. McKay and little son of Haverhill, Mass., are the guests of John and Mrs. Collings, St. Charlottetown.

Miss Martha Chappell, Charlottetown, has broken the ladies' record of this Province in bowling big pins at the Y. M. C. A. Alleys. Her score was 193.

A number of athletes from the mainland, who took part in the championship sports in Charlottetown last evening, accompanied by their admirers, left on return this morning. A few are remaining here for a few days.

James M. Squarebriggs who has been visiting in this Province for nearly two months, is at present visiting his brother, Henry Squarebriggs, 116 Weymouth St., Charlottetown, and will leave Saturday morning for Boston where he has been living for a number of years.

A very pretty wedding of much interest took place this morning in St. Bernard's Church at six o'clock when Miss Kate Murray became the bride of William Fitzpatrick of the I.C.R. The wedding was very quiet owing to the recent bereavement in the family. The ceremony was performed by Rev. Father Duke. The happy couple left on a wedding trip to Halifax and other N. S. points and P. E. I. The large number of costly and beautiful presents testify to the high esteem in which the bride was held. The groom's gift to the bride was a handsome bracelet.—Moncton exc.

(Special to the Guardian.)
MONCTON, N. B., Aug. 21.—Today's races on the Moncton track brought out a record attendance of spectators, the fine warm day and the fast fields furnishing the drawing power.

Four heats were necessary in each class to divide the money. The favorite Frank Patch won in the Free For All quite comfortably but the speculations were badly out in placing Lady Halifax favorite in the 2.40 pace. Cherry Ripe owned by T. C. Edgett, Charlottetown, and driven by Jack Irving won easily, his faultless style and gait being admired by the spectators.

He would have won in straight heats but for a break in the first which handicapped him fully one hundred yards. Notwithstanding this he finished a close third within a length of the winner.

Cherry looked good for two twenty or better as he finished each heat eased up.

Mr. Edgett, who was formerly a Moncton boy, is receiving many congratulations from his friends here.

In the Free For All Vesta Boy, owned in Summerside and driven by Dan Steel, went an excellent race and showed flashes of his old grand circuit speed. Had he been able to put in his first quarter faster he would have won as he would mow down the space at the finish and he was almost up to the winners.

In the first heat of this race Jack Irving had a narrow escape. He was driving Gallagher, whose sulky broke down precipitating Irving, who fortunately escaped without injury.

Six island horses out of a total of twenty seven starting won five hundred and ten dollars of the twelve hundred hung up.

Summary:
FREE FOR ALL.
Frank Patch, blk.g., 2.13; J. Adams, Halifax. 2.1,1,1.
Spoonery Boy, b.g., 2.10. 1.2,2,4.

SEALED TENDERS addressed to the undersigned and endorsed "Tenders for Extension to Breakwater at Souris, P. E. I." will be received at this office until 11 a.m. on Wednesday, September 11, 1912 for the construction of an Extension to the Breakwater at Souris, Kings County, P. E. I. Plans, specifications and form of contract can be seen and forms of tender obtained at this Department and at offices of Jas. B. Hegan, Esq. District Engineer, Charlottetown, P. E. I., C. E. W. Dodwell, Esq., District Engineer, Halifax, N. S., and on application to the Postmaster at Souris, P. E. I. Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation and place of residence of each member of the firm must be given. Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which must be retained if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned. The Department does not bind itself to accept the lowest or any tender.
By order,
S. O. DESROCHERS, Secretary.
Department of Public Works, Ottawa, August 14, 1912.
Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—263 55.

CURES SPLINTS CURBS SPAVINS ENLARGEMENTS COUGHS COLDS DISTEMPER GLANDERS FOUNDERS
Before Using After Using
Use this preparation thoroughly for all and every disease of the horse for which it is recommended. Criticise it closely. Carefully watch mark and note its effects, and honestly judging it on its merits you will be compelled to endorse it.
TESTIMONIALS.
DEAR SIR:—I had a mare which had a very bad cough and heaves for almost six months, and became so thin there was nothing left and I was almost out of my mind. I was tempted to shoot her. A friend of mine who had used Dr. J. Woodbury's Horse Liniment, with good success, induced me to try one bottle of it which I used with the best results. It used just one and one half bottles of the Liniment which effected a complete cure of both the cough and the heaves, and I have worked and driven her ever since. I strongly recommend Dr. J. Woodbury's Horse Liniment as the best Horse Liniment on the market, and advise all horse owners to try it.
Very truly,
SODERBLOK MCKENZIE.
DEAR SIR:—I have used Dr. Woodbury's Horse Liniment for a number of years, and have found it to be the most excellent article for the feet of horses kept in the stable. It prevents dryness and hardness, promotes a smooth and healthy growth and will used according to directions, soon remedy anything like contractions of the hoof.
