Mary McLennan Wins P. R. A. Gold Medal

Triumphs In Shoot-off With Percy Landrigan Winner Of Lieut. Governor's Match

The Provincial Rifle Matches were completed yesterday afternoon with the Ladies Challenge Trophy Match. The Lieut.-Governor's Match—the most important of the meeting—was fired in the morning. At the 200 yards range Miss Mary McLennan, her brother George, and Arthur Jones each scored possible and there were a number of other high scores. At the 500 yards range Miss McLennan and George had each tied with a 67 and there were quite a number of 66's to go back to the 600 yards, the final range of the match which was fired in the afternoon.

A great deal of interest was taken in the final of this event and the Butts were crowded to witness it, many hoping that Miss McLennan would come through with a win. She made a brave attempt and added a 33 out of 35 to her 67, making her total 100 points out of 105, her brother George being one point behind with 99. However, Percy Landrigan, whose sensational shooting is the talk of the range, added 34 to the 66 he had for 200 and 500. This gave him a score of 100, the same as Miss McLennan, but it was a better score in that he had 34 at 600. He therefore became the winner under the rules of the match, but the rules also state that where cups or medals are involved ties in score must shoot off. The shoot-off between Sig. Landrigan and Miss McLennan was highly interesting and ended in a triumph for Miss McLennan, Sig. Landrigan making an inner on his last shot while Miss McLennan placed her shot fair in the centre of the bull, winning the gold medal given by the Provincial Rifle Association.

Excellent Scores Carded

The Ladies' Challenge Trophy Match was restricted to the 30 highest in the Grand Aggregate. Excellent scores were made with three remaining possible. Miss McLennan, her brother George, McLennan and Lt. Percy Hooper. In the shoot-off George McLennan scored 24, Mary McLennan 23 and Lt. Hooper 22 points. The winner was awarded the Army and Navy Club Cup; the silver candleabra was presented by Secretary Smith to Mrs. Charles R. Smallwood after the shoot whose representative George McLennan was. This is the second time that Mrs. Smallwood has won the trophy since it was first put up in 1904.

The Judson Tyro Aggregate, which was shot in connection with the Promote Bros. Match, was won by Sgt. Major A. MacMaster of the Signallers who had the best 23.

The Nicholson Tyro Aggregate was won by Earle Burke of the Signallers with the excellent score of 308. This placed him 11th in the Grand Aggregate. Second place in the Nicholson Tyro Aggregate was won by Frank B. Auld of Cleveland, with 305 points, giving Mr. Auld 14th place in the Grand Aggregate. Both these young men give promise of being high class shots in a year or two. Earle Burke was the winner of the caddy of tobacco donated by Hickey & Nicholson.

Awards Presented

Immediately after the firing had ceased the competitors were called to the marquee, where Secretary Smith had covered tables with the silverware and prizes laid out making quite a beautiful display. The President of the Association, Lt. Col. H. M. Davison, V.D., made a short address to the competitors and their friends, stating that he was thoroughly pleased with the quality of the shooting, which under the circumstances was very high. The season had not been a favorable one for practice yet the shooting was better than many previous years, taking into consideration the changes in the targets.

He warmly congratulated Sig. Percy Landrigan on winning four of the five matches, the Governor General's Silver Medal, the D.C.R. A. Silver Medal and the Davison Challenge Cup. He then called on His Worship Mayor Percy Turner to present the prizes to the successful competitors.

Mayor Turner had a happy word of praise for each as he stepped forward to receive medal or cup. Miss Mary McLennan was the recipient of a special prize—a sterling silver spoon given by President Davison in recognition of her excellent shooting. The Hon's

United States Tennis Team Captures Davis Cup

Parker And Budge Win In Singles

BY SCOTTY RESTON
Associated Press Sports Writer
WIMBLEDON, England, July 27—Frankie Parker and Don Budge swept the final two singles matches of the Davis Cup challenge round with Great Britain today and brought the United States to the end of a 10-year campaign aimed at recovery of the international team tennis trophy.

Parker, compactly built 21-year-old star from Milwaukee, went the honor of clinching the series with a 6-2, 6-4, 6-2 triumph over Charles Edgar Hare in the first of today's closing matches. Then Budge, "veteran" of the team at 22, made the final series count 4-1 by whipping Henry Wilfred (Bunny) Austin 8-6, 3-6, 6-4, 6-3.

Presents Trophy

When it was all over Princess Helena Victoria lifted the big trophy from a table draped with the Union Jack and the Stars and Stripes and handed it over in the name of the British who had held it since 1933 when France's six-year grip finally was broken. Although deprived of the privilege of scoring the clinching point, Budge remained the heroic figure in America's successful drive. It was the singles victory the Oakland, Calif., red-head scored over Hare on Saturday and the doubles triumph he and Gene Mako earned against G. R. D. Tuckey and P. H. D. Wilde yesterday, that left Parker in a position where he could win the cup.

When Budge appeared for his meaningless match with Austin the crowd applauded long and called his name. Actually it wasn't a match at all. Both men experimented with their shots. They exchanged racquets for one game. Budge taking Bunn's unorthodox stream-lined creation and breaking the little fellow's service with it. They laughed and joked with the fourth set, for no reason at all, they stopped playing and ordered tea. And the crowd loved it.

Great Britain's loss of the cup had been forecast well in advance but it was surprising that Parker, so soundly trounced by Austin, Saturday, should score the clinching point against a player who had carried Budge to a 28-game first set on the same day.

Budge had given Parker the key to the 22-year-old British south-paw's weakness on Saturday. Parker knew he must simply lob and wait and that is what he did.

Amherst Golfers Arrive For Matches Today

A contingent of 30 golfers, 20 men and 10 ladies, members of the Amherst Club, arrived in Charlottetown last night for a return visit and matches with members of the Belvedere Club. Singles matches, 18 holes, in which both gentlemen and ladies will compete will be played this morning. Mixed foursomes will feature the afternoon.

A luncheon at Beach Grove Inn tonight will conclude the activities of the visit. This is an exceptionally large number of golfers to visit Charlottetown, local club members said last night, summer members of Belvedere Club were guests of the Amherst Club.

Louis And Farr Formally Sign For Title Heavy Bout

BY EDDIE BRIETZ
Associated Press Sports Writer
NEW YORK, July 27—(AP)—Tommy Farr and Joe Louis met for the first time today. They shook hands, but did not wish each other luck.

They were introduced in the offices of the New York State Athletic Commission where they formally signed articles for their Aug. 26 heavyweight title fight in Yankee Stadium.

"I say, but it's a big bloke, aren't he," said Farr. "Well, the bigger they are, the harder they fall, you?"

"I'm glad to see him looking so fit," said Louis. "He ought to be a good fight, but I hope to knock him out."

Superiors Pound Out 14-6 Victory

Featured by the smart relief pitching of Willie Warren after Walker Goss was forced from the mound leg, Superiors last night kept alive their hopes for a playoff berth in the City Softball League by outbidding and outscoring the Esquires 14 to 6.

Racing into an 11-0 lead mainly on the strength of Esquire errors in the early innings, Superiors were always in front at every stage of the game. The losers were held to two hits and no runs for five innings by Walter Goss; they scored five runs in the sixth on as many hits but Warren coming in in the seventh, after seeing the first ball pitched, knocked for a double, the runner scoring as the left fielder let the ball get away from him, checked the Esquires thoroughly for the remainder of the game, holding them hitless and runless.

Ranger Off To Mattapan In Search Of 13th Victory Endeavour II Rests In Dry

BY TOM HOOPER
Associated Press Sports Writer
NEWPORT, R. I., July 27—Ranger, the undefeated superstitious attached to the name of Mattapan, Mass., for Mattapan, Mass., in quest of a 13th victory for Ranger, the which he will undertake consecutive defence of the Cup July 31.

Ranger, never defeated from Gerard E. Rainbow, and Chandra Rainbow in the preliminary round, with her nomination of the trophy, defended the trophy during the staging of the White Hope tournament early last year. Although there will be no importance attached to the scrap for titles go, nevertheless plenty of interest is being evidenced in it which is usually the case whenever the big Souris battler enters the ring.

Match, an experienced fighter and ringwise in every sense of the word, should give the Island champion by far his stiffest test. Although Leslie has an imposing string of victories to his credit nevertheless, not attempting to take anything away from him, the big majority of his opponents have had little experience inside the squared circle.

As a result it has been a difficult matter for anyone to judge just how far he could go outside Island circles. Some fans are of the opinion that he would surprise his critics; Match seems to be the right answer to that. If Leslie can beat him as he firmly believes he will, then he will go a long way in showing his "knockers" that he is far from the setup they have been judging him if he was stacked against an experienced fighter.

Thursday the Eastern Club's cruise will find the sloops en back to Newport and race has been scheduled for Friday.

Ranger left for Mattapan most immediately after the ways at the Bristol. Two coats of bronze paint topped the single coat of red.

A touch of drama was tomorrow's Eastern Club presence aboard Endeavour Sherman Hoyt, who had member of Vandenberg's team when he defended the cup against the late Sir Thomas Brown's fifth and last year, and again in the rock, and again in the petition with her original head rig restored. She through the trials under the head rig, radically different the contestants, and felt it injured her.

But whatever the outcome of the league you have to hand it to the officers and officials for providing the best softball league ever experienced in local circles. Players were made to live up to the league rules. There was no useless arguing either on the field (the umpire looked after that) or off the field and as a result everything ran smoothly while providing the fans with the closest of competition.

The Provincial Rifle Association concluded one of its most successful shoots at Kensington Range yesterday with scores for both days running high and competition being of the keenest. In every match fired very few points separated the leaders and the scores hung up attested to the skill of the marksmen competing, especially on the first day when the riflemen had to compete with a variable wind and a very heavy mirage.

Sharing the spotlight with Sig. Landrigan was Miss Mary McLennan. Miss McLennan's steady shooting on the opening day was notable, but yesterday she climbed it all by coming within an ace of capturing the feature match of the meeting, the Lt.-Governor's Match. Only a better place score by Landrigan kept her from winning the coveted award and then she showed her ability and mettle by winning the shoot-off for the P.R.A. medal.

Miss McLennan's performance yesterday was no flash in the pan

Island Golfer Favorites Advance To Second Round

BY W. R. WHEATLEY
Canadian Press Staff Writer
OTTAWA, July 27—(CP)—Hockey-playing Pete Kelly and Dr. E. J. Turner of Fredericton will carry the Marquis colors into the second round of the Canadian Amateur Golf Championships.

The Charlottetown red head, playing steady golf for nine holes and then opening up after the Montreal 3 and 1 in his first round defeat H. R. Pickens of Montreal 2 and 1, in his first round match today, Turner went to the 19th to defeat Maurice Hodgson of Montreal, one up.

The Maritimes other entrants, Percival Steeter of Saint John, and Aubrey Steves of Moncton, N. B., went down in their opening matches. Steeter losing 6 and 5 to Howard Jones of Hamilton, Ont., and Steves just losing out on the last hole after a gallant comeback against J. H. Arbock of Ottawa.

The first round axe fell quickly today but they were few surprises when the unfortunates were counted.

Among the day's upsets was the defeat of Ken Lawson, Victoria, who fell before young Frank Sherman, E. of Hamilton on the 18th. Bert Barnard of Ottawa pulled a surprise by disposing of Frank Corrigan, Ottawa, and Jim McLaughlin of the same city popped out Ernie Palmer of Winnipeg, while the gallery lifted eyebrows at Western's sudden passing.

Major 12 tournament veterans moved safely into the second round starting tomorrow.

Pete Kelly in winning from Pickens had to put on his best effort after the turn, where they were a par five, but Kelly won the tenth. The 11th was halved but Kelly moved in from again at the 12th. He lost the 13th and won the 14th, having the next two and then winning the 17th.

Two 18-hole rounds will be played tomorrow, the morning round bringing out 64 players, 33 survivors from today's opener and 31 who drew byes.

Kelly is drawn against James Lee of Harrison, N. J., who drew a bye in today's round, and Dr. Turner will meet Gil Walker of Toronto.

Halifax Duo Win Matches

TORONTO, July 27—Favorites marched forward in the Canadian Lawn Tennis championships today as the field in the men's singles was reduced to eight and Britain's Wightman Cup team members began a concerted attack on the women's titles they are favored to carry overseas.

Two of the best wins today were accomplished by Halifax players—youthful Don Bauld and Mrs. Harold F. Jones.

Bauld, who reached the tournament too late yesterday to start in the men's singles, got into act on with Doug Grant of Madoc, Ont., as his partner. It was the same Grant who three times has won the Canadian Badminton championship. He is a Halifax boy.

Bauld and Grant eliminated two Toronto stars, Bruce Hall and Gordon Shields, in a hard three-set battle, 4-6, 6-2, 6-3. After a wobbly start, the Nova Scotians had complete command.

Mrs. Jones reached the third round of women's singles with an upset victory over Mrs. Helen Dwyer of New York, 6-3, 6-3. The New York player, semi-finalist in mixed doubles at Wimbledon in 1936, was expected to make a real bid for the title.

One of the Wightman Cup players, Miss Evelyn Dearnan, showed too much power for Mrs. F. V. Woodbury of Halifax and won almost as she pleased 6-0, 6-2.

Diminutive Marcel Rainville, who predicted several weeks ago amid a cold silence that he would regain the title, went down and out to Bill Reese of Atlanta, Ga.

As a matter of fact, Reese marched into his bracket somewhat late because it took him just four hours to accomplish the feat of stumping Marcel in three marathon sets. Scores were 15-13, 5-7, 8-6.

Champion in 1934, Rainville demonstrated remarkable steadiness and durability.

Stan Biggar Wins Bout

Stan Biggar scored a technical knock-out over Mack MacLeod of Springfield early in the second round of the main bout on Monday night in Victoria Monday.

The victory came when Donald's second round when he towered early in the second round over his opponent, and then he landed a bad tripping. Ed Holladay was credited with the round knock-out over Jack L. Donald's second round when he full count in a daze on his knees.

Keith Thomas of Victoria came a close decision over Jack Shatt. Charlottetown in a hard-fought four-round preliminary that plenty of hard slugging on both sides.

A large crowd attended fights from the surrounding tracts and were treated to action in the preliminaries in the main bouts.

Hurls No Hitter

BUFFALO, N. Y., July 27—(AP)—Ken Ash, veteran Buffalo right hander, became the third pitcher to pitch a no-hit, no-run game in the International League this season, when he blanked Syracuse Chiefs tonight to give the Buffalo a 2-0 victory in the seven-inning first game of a doubleheader.

By any means. Glancing over the Ottawa aggregate scores show that plainly, with Miss McLennan's name reading seventh from the top. Quite a performance for a young lady who has been shooting for four years and competing against some real veterans of the ranges, and a performance deserving of the highest congratulations.
