Winnipeg Grain

**Winnipeg Grain**  
WINNIPEG, June 10 — (CP)— Good buying credited to shippers in the face of limited offerings to- day prompted strength in Winni- peg oats and barley futures on Winnipeg Grain Exchange. All de- liveries prompted substantial gains. Rye futures were irregular in the best volume of trade for some time. The nearby July future was again offered down the 10-cent limit, but staged a good rally in later trade.  
Recent liquidation in oats and barley futures appeared to have dried up and with good buying by shippers against domestic sales all contracts advanced sharply.
