It is remarkable how popular all-wool "undies" have become.

Ladies

You can and will be more comfortable this winter by wearing all-wool under-clothing—

If—it is

"CEETEE"

THE PURE WOOL
UNDERCLOTHING
THAT WILL NOT SHRINK

"Guaranteed not to prickle."

This is a positive fact and we will return the purchase price to anyone who can produce a "CEETEE" garment that "prickles" or irritates in any way.

"CEETEE" is the only Canadian made under-clothing that is knit to fit the human form.

One reason why it is so popular is, it's made with low neck and no sleeves and in knee or ankle lengths.

"CEETEE" can be worn with any dress, from the heaviest to the sheerest.

In its downy softness, the feel of a "CEETEE" garment is like the caress of a baby's cheek.

Only purest Australian Merino Wool is used, making "CEETEE" so soft that a baby can wear it.

If a baby can wear it—you can.

Just ask your doctor what under-clothing you should wear in the winter time. He'll say: "All-Wool."

Go to the most reputable dealer you know and ask him what is the best all-wool underclothing and he'll say: "CEETEE"

Costs a trifle more at first, but it's the cheapest in the long run.

JOHN R. SOLD. — Mr. Bertram Younker, North River is to be congratulated on securing one of the fastest sleigh horses in the lower provinces. For over two years this horse has never met with one sleigh defeat, hitched to a sleigh on ice or streets, good footing or bad, nor has he ever once left the pace or gone to a break. No boots, no artifical gear required and he can be driven by a lady with safety. Mr. Younker's purchase was brought about owing to his last owner loaning him, John R. to help out with his ploughing, thus John R. made his own sale, through his own good manners.

The organic phosphate (discovered by Pelouz, French Scientist) which is known to druggists in this country as Nitro-Phosphate, is now being highly recommended by many physicians as a real strength builder and to increase weight and to correct nervousness and general run-down conditions.

Because of its power to help revitalize the nerves, increase bodily weight and bring back energy and mental keenness, Hughes Drug Co., Ltd., and other leading druggists have a big demand for it. The genuine Nitro-Phosphate is always sold under a guarantee of satisfaction or money refunded.

CHILDREN'S DAY IN THE METHODIST CHURCH — Sunday was Children's Day in the Methodist Church when a special service was held in the church in the afternoon, presided over by Mr. James Paton, chairman of the Central Relief Fund in connection with the congregation. The children met first in the Heartz Memorial Hall and marched to the church where seats were reserved for them in the body. An excellent program was then entered upon, the children at the outset depositing parcels of groceries, clothing, etc, at the communion rail. It was a refreshing and inspiring sight to see between 400 and 500 children and youths laying their gifts on the altar on behalf of the poor. The chairman then formally opened the proceedings and after a hymn led by the boys choir under Prof. Fletcher's direction, Rev. Mr. Ryan led in prayer An excellent program was then contributed consisting of solos, recitations and addresses by the chairman, Rev. W. M Ryan, Mr. G F Hutcheson, Mr Isaac Carter and Prof. Steele. In the course of his remarks the chairman mentioned that last year the Central Committee distributed coal to the value of $121.95, groceries $55.51, clothing $86.20, Christmas gifts $5.00, rent and board for poor $140.02—a total of $408.71. At Sunday's meeting the collection amounted to in cash, groceries and orders, $77.13, clothing and boots $165.00—a total of $242.13.
