Local Curlers To Have Artificial Ice Plant; Visiting Curlers Here

On the eve of the First Confederation Bonspiel, it was announced that the Charlottetown Curling Club will have in operation next season an artificial ice making plant. The decision followed a general meeting of club members held recently.

The move to install an ice plant had been prevalent for some years and matters were brought to a head by the unusual mild weather experienced this season. It was felt that the only way in which play could be kept to a satisfactory schedule would be to be independent of the vagaries of the weatherman.

Curling in the city has made rapid progress the past several years and the club at present has a waiting list for membership.

Confederation 'Spiel

The influx of curlers for the First Confederation 'Spiel began yesterday and it is expected that by noon today the majority of the rinks entered will have registered.

Some 70 rinks will compete for the seven trophies and 60 individual prizes donated for the competition.

Play for the British Consols Trophy ,emblematic of the curling championship of Prince Edward Island, will get underway this afternoon and the bonspiel proper will open this evening.

Play in the five-day long bonspiel will take place at the Forum and the Charlottetown Club. Five rinks have been laid on Forum ice and four are available at the local Club.

Special guest speaker at Rotary today will be Major-General Gannong, a member of the rink from St. Stephen.

Maple Leafs Win From Bruins 5-2

(By The Canadian Press)

TORONTO, Feb. 9 — Rookies dominated the National Hockey League pitcure here Saturday night and as the second-place Maple Leafs won their first game in their last seven starts, first-year men scored six of seven goals as the Toronto club downed Boston Bruins 5-2.

The Leafs' victory, witnessed by 13,804 fans, moved them 15 points in front of the third-place Bruins and gave them an edge over the Beantowners on the season's play. In nine meetings Leafs have won four games, lost three and tied two.

Scoring twice in the first period while holding the Bruins scoreless, the Leafs led all the way, although the Bostonians moved within a goal midway through the final period. Only veteran to find the nets was captain Syl Apps of the Leafs who scored on a pass-out from behind the cage by Bill Ezinicki.

But it was little Howie Meeker, current favorite as rookie of the year, who took the spotlight. He bagged two goals himself and made perfect scoring plays for two newcomers to the Toronto roster, Syd Smith and Bill Barilko.

In a losing cause, rookies also dominated the Boston scoresheet. With the Bruins down three goals in the second, Mark Marquess kept them in the fight when he converted Bep Guidolin's pass. In the second period Fernie Flamon picked his maiden goal of N.H.L. play, backhanding his own rebound.

Summary:

First Period

1—Toronto, Meeker (Kennedy) 15:30
2—Toronto, Apps (Watson, Ezinicki) 19:31

Local Curlers Are Snowbound

Seven members of the Charlottetown Gyro Club who left the city Thursday to represent the club in the District six bonspiel at Campbellton have become snowbound, it was learned last night. Members of the party who are expected to arrive home today, follow: H.W. Pletch, Morton Dew, Dr. J.A. MacMillan, Ralph Jenkins, Frank Curtis, W.R. MacNeill and C.T. Montgomery. The competition for the Sobey Trophy, emblematic of the Maritime Gyro Curling Championship, is held each year. Charlottetown was the scene of last year's gathering.

Greenberg May Retire From Baseball

NEW YORK, Feb. 9 — (AP) — Hank Greenberg, the American League home run king of 1946, said today he is considering retirement from baseball and in a statement explaining his action said "I do not desire to start anew in a strange environment."

The 33-year-old slugger who was waived out of the American League after 17 years with the Detroit Club and sold to Pittsburgh Jan. 18 for a reported $40,000, issued a statement almost simultaneously with the announcement from Pittsburgh by Pirate President Frank McKinney.

Charlottetown today bids welcome to the cream of Maritime curlers and top-notch rinks from Ontario, Quebec and Newfoundland. Play in the week-long bonspiel for the seven trophies and 60 individual prizes gets underway this afternoon and winds up on Friday.

✣ ✣ ✣ ✣

Preparations and arrangements for holding the First Confederation Bonspiel have been going on for sometime and with a little co-operation from the weatherman the success of the most ambitious curling program ever undertaken in these parts is assured.

✣ ✣ ✣ ✣

The Ice Commitee, under the direction of F. R. McLaine, has been busy over the weekend preparing, in addition to the four ice surface at the Curling Rink, five lanes of ice at the Forum which has been taken over for the event. From a provincial standpoint the matches leading to the declaration of a winner in the British Consols Trophy play will highlight the event. The winners will represent the province in the Macdonald Brier Tankard Competition at Saint John, N.B., next month.

✣ ✣ ✣ ✣

While matches in the Consols Trophy will get underway this afternoon the Bonspiel proper will be launched this evening at 6.45 when the contestants will be "piped" onto the ice by the L.O.L. Pipe Band and matches will be played at 7 o'clock and 9.

Moncton Hawks looked good to the capacity house which jam-packed the Forum Saturday night and recalled memories of the old "Big Four" days when the Hawks of that time ruled the hockey roost in Canada. The visiting team lived up to all pre-game publicity and the hockey public are indebted to the Y-Grads in sponsoring the classic.

✣ ✣ ✣ ✣

The Hawks, coached by 'Windy' Steele of Summerside, and studded with names of players familiar to the local ice surface, earned the approval of a critical throng as they outplayed, outskated and outsmarted the All-Stars. The progress of the Hawks in their league and toward the playdowns for the Allan Cup will be followed with keener interest as a result of the visit.

✣ ✣ ✣ ✣

Keen interest is being displayed in the Southern Kings Ice Sports which are being held in Montague Rink Friday, the 14th. These sports will feature skating races for all age groups of boys and girls of school age; an interscholastic hockey match; relays and skating novelties. In addition to giving fans a good evening's entertainment, skaters will be chosen to represent Southern Kings at the Island Interscholastic ice meet to be held at the Forum in March. This is the first time ice sports have been held at Montague for some years and the many followers of the youngsters are looking forward to the revival of the ice meet in King's County.

✣ ✣ ✣ ✣

Wednesday evening of this week, Charlottetown's Knotty-Niners intermediates will make the trip to Victoria where they play Victoria's peppy Unions in a special exhibition with the proceeds going to the benefit of the Victoria Branch of the Canadian Legion. It was learned last night. Both of these teams play a good brand of hockey and with a good sheet of ice fans will be assured of action all the way.

✣ ✣ ✣ ✣

Aubrey (Dit) Clapper, the "Big No. 5" of Boston Bruins whose years of playing service in the National Hockey League constitute a record, joined the game's immortals last week in hockey's Hall of Fame.

✣ ✣ ✣ ✣

Kingston's Mayor J. Stuart Crawford, president of the Hall of Fame, announced selection of the mild-mannered defenceman from Newmarket, Ont., for inclusion on the honor roll of hockey's greats on the eve of Clapper's 20th anniversary with Bruins.

✣ ✣ ✣ ✣

There he joined such stars as Howie Morenz, Georges Vezina, Frank McGee, Hobie Baker, Charles (Chuck) Gardiner, Harvey Pulford, Eddie Gerard, Hod Stuart and Tom Phillips.

✣ ✣ ✣ ✣

Other candidates for inclusion in the record book of the hockey edifice at Kingston are being prepared by the hall's board of governors but the announcement on Clapper was a special one, timed to coincide with his having served two decades with Bruins since, as a 19-year-old stripling, he joined Bruins from Toronto's Parkdale Canoe Club.

CAMPBELLTON, N.B., Feb. 9 — (CP) — The Maritime Gyro bonspiel here Friday and Saturday was won by a Campbellton rink skipped by Dr. J.H. Canadiens Come From Behind To Win 4-3 Over Detroit Team

MONTREAL, Feb. 8 — (CP) — Old Murph (Hardrock) Chamberlain doesn't score many goals these seasons but the National Hockey League veteran generally gets them when it counts and one of these came Saturday night as Murph banged home the winner to give Montreal Canadiens a 4-3 victory over Detroit Red Wings after the Wings blew a three-goal lead.

A crowd of 10,872 fans braved a roaring blizzard which tied up transportation on City streets to watch a battling band of Red Wings start out like a house-afire with three goals in the first 15 minutes of the opening frame and then wilt under a determined offensive by the League-leading habitants which was climaxed by Chamberlain's brilliant effort at 14:12 of the final session.

Detroit went into the game burled deep in fifth place in the league standings nine points behind New York and Boston who shared third place and they carried the attack to Canadiens from the opening whistle as they went out for a much-needed win to start their drive for a play-off spot.

Canadiens went into action minus the services of their first-string centre Elmer Lach and defenceman Leo Lamoureux, both sidelined with injuries — Lach probably out for the season with a skull fracture suffered in last Thursday's Toronto game. Buddy O'Connor filled in for Lach on the punch line, pivoting Maurice (Rocket) Richard and Toe Blake.

The victory allowed Montreal to retain their five-point advantage over the second-place Toronto Maple Leafs, who also won at home over Boston.

Moncton Hawks Win 16-6 From Local All Stars In Exhibition

Moncton Hawks, Maritime "Big Four" hockey leaders showed something of the style and punch of play that has carried them to the top of the Maritime senior circuit when they downed a Charlottetown All-Star aggregation at the Forum Saturday night 16-6. The exhibition game marked the renewal of the hockey classic sponsored by the Y Grads Club.

A capacity crowd was on hand to size up the Hawks and the interest of the hockey-hungry throng was whetted the more by the knowledge that the Moncton lineup contained the names of a number of players who learned the game on local ice. The Hawks lived up to pre-game predictions and the showing of Island players in Moncton livery particularly took the fancy of the fans.

The All-Stars put up a game if futile fight, and only in the middle canto did they meet the speed and aggressiveness of their opponents.

The Hawks, coached by "Windy" Steele, formerly of Summerside, ended the first period leading 5-0, slowed down somewhat in the second to count twice while the All-Stars collected four, and then turned on the heat again in the final canto, pushing nine goals past the busy Charlottetown retminder while the All-Stars replied with a pair.

Leadbetter and McManus tied for Hawks' scoring honors, each rapping in five goals, while Charlton and Maurice Dowling — the latter playing before a home town crowd — collected a pair. Whitlock, another former Charlottetown player, and Bell were responsible for one each.

The All-Stars, picked from the teams in the City Senior Hockey League, divided scoring honors, one goal going to six of the ten forwards on the lineup.

Mid-way through the second period the All-Star goalie, McKinnon, was replaced by the sub, Davis, but the switch did nothing to stop the avalanche of rubber which poured into the Charlottetown cage.

Line-ups:
Moncton: Goal, H. McDonald; defence, Bastarache, Poirier, Fraser, Steele; forwards, Trainor, Bell, Demchuk, Charlton, Whitlock, Leadbetter, Dowling, McManus, Agnew.
Charlottetown: Goal, McKinnon and Davis; defence, McDonald, Hennessey, Methot, Keefe; forwards, C. McDonald, Blanchard, Mahar, Carver, Dowling, Shepherd, Higson, Robertson, Kelly, Perry.
