

PRINCE COUNTY GUARDIAN

Branch Offices in Summerside and Alberton.

—Miss Emma Bant's and her aunt Mrs. McGowan have gone to Sydney to visit the Misses Baristo.

—Walter McBride, Bed que, has returned from Montreal where he is taking a course in medicine at McGill.

—BOY WANTED.—One with some experience in store preferred. Braco McKay & Co., Ltd. Summerside. 6-1313.

—The baseball game on Saturday played at Summerside between the Summerside High School team and a team from West Kent Street School, Charlottetown, resulted in a victory for the home team by a big score. The boys played a good game and the Summerside players did all they could to make the visit memorable for the West Kenters. The latter left defeated, but with the pleasantest memories of their trip. It is likely that a return match will be played in Charlottetown.

—The decidedly favorable turn in the weather on Friday night immediately after the poll was closed, is by common consent attributed to the result of the pl. bsc's for the waterworks and sewerage system at Summerside.

—The death occurred at Midgell, May 23, of James A. McCormack, aged 83 years, leaving a widow and family of two boys and one girl to mourn the loss of a devoted husband, loving father and upright man. The funeral which took place on the 25th, was largely attended.

—The S. S. Campans arrived in Summerside Saturday afternoon from Montreal with a large freight. She left at 2 1/2 p. m., for Charlottetown and Pictou, taking from Summerside 35 tons hay, 250 bags oats, 150 cases jobbers, 125 cases eggs, and a quantity of sundries.

—Latest reports from the quarantined schooner in Summerside harbor, Saturday, were to the effect that the suspected case turned out to be a mild form of varioloid and the patient is progressing favorably. The rest of the crew are in the best of health and spirits. The quarantine will be main'ained until all danger is past.

—The contract for the installation of the waterworks and sewerage system in Summerside, will be given at once and it is expected that the territory between Central and Granville streets will be connected before winter. Some of the material cannot be got here within three months so that there will necessarily be considerable delay in getting under way.

—The W. C. T. U. will meet at the usual place at 3.30 this afternoon.

—Office boy wanted. Apply in applicant's writing to Box 584 P. O. 6-3mwf

—Fourth Regiment Band will meet for practice on Tuesday night instead of Monday. Full attendance is requested.

—A splendid morning appetizer is BALMORAL SCOTCH MARMALADE. Ask your grocer. He can get it at Curvel Bros.
