**HIS LIFE RUINED BY DYSPEPSIA**

Use! He Tried "FRUIT-A-LIVES" The Wonderful Fruit Medicine

MR. FRANK HALL  
Wyvale, Ontario.

"For some two years, I was a sufferer from Chronic Constipation and Dyspepsia. I tried every remedy I heard of without any success, until the wife of a local merchant recommended 'Fruit-a-lives'. I procured a box of 'Fruit-a-lives' and began the treatment, and my condition commenced to improve immediately. The Dyspepsia ceased to be the burden of my life as it had been, and I was freed of Constipation. I feel that I owe a great debt to 'Fruit-a-lives' for the benefit I derived from them."

**Portrays Her Heroine's Life**

Mary Miles Minter, who is being starred in "Anne of Green Gables," herself for years an admirer of the L.M. Montgomery "Anne" stories, portrays Anne Shirley just as the author described her.

Anne Shirley, an orphan, is sent to "Green Gables," the home of Marilla and Matthew Cuthbert, a New England spinster and her farmer brother, in response to a request from them that a boy be sent. They accept Anne, who proves a mischievous girl whose pranks stir the villagers. She grows up and is graduated from the Academy with honors. Matthew's plan to send her to college is thwarted when he has financial reverses, resulting in his death. Anne obtains a position to teach, and with her meager earnings engages a specialist to operate on Marilla's eyes. Throughout the picture Anne has difficulties with a family named Pile. Her final triumph over them and the prospect of her marriage with a boyhood sweetheart close the picture.

This picture will be shown at the Strand Theatre Wednesday, Thursday and Friday, September 29, 30 Oct. 1st, at special prices.
