CORK WILL NOT ALWAYS FLOAT.

Cork is about the most buoyant substance there is, but a cork sunk two hundred feet deep in the ocean will not rise again to the surface, owing to the great pressure of the water. At any less distance from the surface, however, it will gradually work its way back to light once more.

A CURE FOR RHEUMATISM.

Mr. S. Mann, Stittsville, Carleton Co., Ont., writes: "I was afflicted with Rheumatism, had severe pains in the knees, hip joints and across the back. Rheumatism remedies did not help me and I began using Dr. Chase's Kidney Liver-Pills, which have since completely cured me. There is not the least trace of rheumatism left and I am no longer subject to biliousness, headache and stomach sickness which formerly attacked me frequently. One pill a dose, 25 cents a box."

SNOW IN BUFFALO.

BUFFALO, N. Y., Nov. 9.—Buffalo was visited this morning by the first snow storm of the season.

WITHOUT SLEEP.

The vitality of the blood is soon exhausted. Sleeplessness is one of the symptoms of starved nerves. It is a warning of the approach of nervous prostration or paralysis. Don't be tempted to use narcotics or opiates. Dr. Chase's Nerve Food will gradually build up and reconstruct the wasted nerve cells and positively cure all nervous diseases. It is nature's greatest restorative, recommended by your druggists.

RELIEVED OF A FEW CARES.

These are the moans when mortal man is free from all its woe; It is too late to mow the lawn, Too soon to shovel snow.

Rich, warm, healthy blood is given by Hood's Sarsaparilla and thus coughs, colds, and pneumonia are prevented. Take it now.

DANGER

Lurks in the germs of milk. Scientific research proves that more deaths have been caused by this seemingly harmless fluid, than by all the great battles of modern times put together. Children are particularly liable to the effects of the germs; their delicate organisms are not sufficiently powerful to overcome the disease-producing germs. Dr. Bergley, the celebrated scientist in an able article just published shows clearly that Pasteurized Milk alone is safe.

Why then will you expose yourself to all kinds of diseases? Pasteurized Milk is just as low in price and will be delivered free to any part of the City. Call or Telephone.

A MANIA FOR OPERATION

Most physicians are anxious to try the surgeon's knife and recommend an operation for piles. A less cruel, less expensive and less risky method is the use of Dr. Chase's Ointment, a preparation that has never yet been known to fail to cure piles no matter of what form, or however long standing. Don't think of an operation when you can be cured in your own home by the use of Dr. Chase's Ointment. The best physicians use it in their practice.
