

How To Save Work In The Home

Most of the dust in the modern home comes from the floor. It needs it, if you would use Floorglaze right. And dust is merely a bother for the housewife and the maids. It's a danger.

Dust spells d-i-s-e-a-s-e. The germs of all infections dwell, mainly, in floor-dust. Floorglaze reduces floor-dust to a minimum.

When you coat a floor with any of the ten shades of Floorglaze you have a floor that is creviceless (can't harbor germs), washable (use an anti-septic in the mop-water), and nearly dust-proof.

You will get weary watching for it to wear off that floor. Floorglaze stands outdoor wear, even—verandas, porch steps, etc. And a gallon covers 500 square feet. Cheap!

Your dealer has it. You would find our Free Book interesting reading. May we send you a copy? Ask on a post-card. Imperial Varnish & Color Co., Limited of Toronto.

TRIBESMEN ROUTED BY THE BRITISH

Prompt Action of General Wilcocks Has Relieved the Danger

SIMLA, British India, May 5—The promptitude shown by Major General Sir Wilcocks, commander of the British forces, in rushing his troops to the scene of the disturbances has deprived the Afghan raid of present danger. He attacked the raiders on the hills west of Landi Kotal in Khyber Pass, and drove them back over the frontier, scattering them in various directions. Finding no support from the other tribes, the raiders are dwindling away. According to advices received here the Mohmands and other border tribes are quiet and engaged in harvesting.

VANDERBILT'S COACH STARTS

LONDON, May 5—A great crowd gathered in Northumberland Avenue to witness Alfred G. Vanderbilt's start on the coach venture from the Victoria Hotel, on its first business trip to Brighton. The coach was heartily cheered as it passed down the Avenue. Reginald Vanderbilt and Craig W. Wadsworth, Second Secretary of the American Embassy in London, were among the passengers.

Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organ than to take the remedy into the stomach?

It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.
