List Of Needy Increases — Santa Pals Will You Help?

The list of children without Santa Pals is published below. The reader can see that a large number still remain unprovided for. If you have been considering making a contribution to the Empty Stocking Fund "why not do it now? Santa Pal Department workers must spend a great deal of time assigning gifts to children and putting addresses on parcels. Santa Pals can help enormously by making their contributions now. And a reminder to those who have reserved names for which they will provide. Will you send in your parcels as soon as possible, please? In that way you will assist more perhaps than you realize.

If you haven't had a part in providing for these needy children there is still the opportunity. Yesterday the list was increased by twenty-four. Although the date set for all names to be in had already passed it was felt that Santa Pals might like to help these needy little ones, so here are the names. Flight Records For Women's Archives
 NEW YORK, Dec. 15 —(AP)—
 A new kind of museum—the world
 centre for women's archives—was
 formally presented with its first
 exhibit tonight, the records, charts
 and maps used by Amelia Earhart
 on her last flight.
 Dr. Edward C. Elliott, president
 of Purdue University presented
 documents, sent to the United
 States at various stages of Miss
 Earhart's flight to a dinner as-
 semblage of women prominent in
 many fields of endeavor and
 friends of the missing aviatrix.
 Manuscripts of her writings
 recently published in book form
 under the title "Last Flight" were
 part of the collection.
