Dealers were paying seventeen and one half cents for eggs in Summerside yesterday.

Up to a late hour last night the Empress had not arrived in Summerside and the mail train left that evening for Charlottetown at ten-fifty bringing no mail.

The death occurred in Waterbury, Mass., March 27th, of Mother St. Mary of the congregation of Notre Dame, at one time stationed in this city.

At the Police Court in this city yesterday the prohibition case against P. P. Gillis and Daniel Hurry were heard. That against the former was adjourned until Saturday next while the latter's case will come up for judgment on that day.

The marriage of Campbell, late manager of Montague cheese factory, and now of Red Deer, Alberta, took place on the 14th of March at Calgary to Miss Ada Draper, of Brockville, Ont. His many friends wish Mr. and Mrs. Campbell a happy and prosperous journey through life.

The marriage took place in Calgary on Wednesday, March 30th last of Miss Alice M. Rodd, formerly of Winslow, to Harry A. Allison, Calgary. The wedding ceremony was performed by Rev. G. M. Corby, pastor of the Calgary Central Methodist Church. The bride, who recently paid a short visit to this province, was widely known and was a popular young lady. To Mr. and Mrs. Allison The Guardian extends best wishes for a long and happy wedded life.

John Hearty; A. R. S. Hannah McGregor; Trans. Margaret Stevenson; F. S. Purdy; Sec'y: Chap. Rev. Hugh Miller; Cont. Lemuel Drake, Asst. Cont., Bertha Scott; J. S. Charles McKinnon; O. S. Harry Hyde; P. W. David Scott; S. Y. P. W., Earle Mayhew; Organist, Margaret Stevenson.

The S. D. C. Mock Parliament held its last business meeting Wednesday night. The speeches of Hons. J. S. Blanchard, S. J. McDonald and W. W. Hughes, were valuable contributions to the debate on Woman's Suffrage. Mr. McIsaac, member for Pownal, was unusually eloquent in his defence of the Government and his statements called forth hearty applause. For the success attending Parliament during this session much credit is due the speaker, W. W. Hughes, who officiated in a manner highly satisfactory to both parties.

The new P. E. I. R. Timetable went into effect yesterday. The Murray Harbor services were incorrectly reported in The Guardian recently. In giving the arrival of the southern trains in this city the times were given as 9:25 a.m. and 9:35 p.m. when both should have read "a.m." instead of only one. On Monday, Wednesday and Friday this train arrives in this city at 9:25 a.m. and on Tuesday and Saturday they arrive at 9:25 a.m. The train arriving daily in Summerside at 9:25 a.m. from the east is from Cape Traverse.

A Gaspereaux reader writes:—The farmers here are all through with their haying and are anxiously awaiting the return of summer. Philip Murphy and Joseph Fisher, Sturgeon, spent their Easter holidays in Gaspereaux the guests of Forman Mason. The young folks of this vicinity have spent a very enjoyable winter dancing being their favorite enjoyment under the able management of their new violinist George H. Hicken. Milton Reynolds has returned home from Sturgeon where he has been visiting for the past few weeks the guest of Mrs. Job Creed. Harry Dunn who has been visiting his parents in Gaspereaux has returned to Charlottetown where he will resume his studies in the St. Dunstan's College.

Although perhaps a little early in the season for fish stories a good one is on the rounds of a popular M. P. of a neighboring village and a prominent clergyman of Summerside. Having decided to spend a day fishing, elaborate preparations were made and all that remained to make the outing a success was a good catch of fish, but as is usually the case, the fish refused to take kindly to them and the catch was small. Not wishing to return home empty-handed they persuaded a fisherman who had better luck than they to part with his catch, including some "beauties," for a small sum. Before going home in case their luck would be doubted a kodak was found and the "fishermen" with their catch were photographed, the result of which is awaited with suspense.

Last night there was an enthusiastic gathering of baseballists at the Charlottetown Business College Hall. Principal Miller announced that the college had decided to give a senior trophy for baseball if acceptable to the players, and desired that a road for a Provincial league. The junior trophy given by the college two years ago had awakened a lively interest in this splendid game, and he hoped the senior trophy would be the means of not only retaining this interest but would make it more general. W. B. Prowse moved a vote of thanks to Mr. Miller for his kindness and interest in the boys in presenting a senior trophy, which was heartily supported by all present, to which Principal Miller made a very suitable reply. The meeting then proceeded to organize W. A. Mandet was appointed secretary, and the following teams made application for entry: Victoria's senior and junior team; Abegweit's senior and junior team; Orlebar's senior and junior; Teddy Bears' senior team and Emeralds' junior team. A committee from the foregoing teams was appointed to draw up a constitution, bye-laws and rules for senior and junior leagues, said committee to report to a general meeting to be held on Wednesday evening, 13th, instant, at 7:30, when applications from other teams will be received. From present indications there will be lively times this summer in baseball circles.

J. F. Whear and E. H. Beer, City superintendents of the First Methodist Church Sunday School entertained the teachers and members of the School and orchestra to a "general good time" in the Kindergarten Hall last evening.

The Candidates for the Cardigan District are now busily employed canvassing among their constituents. John A. Dewar, the Liberal-Conservative standard bearer passed through Lorne Valley recently, and Robert N. MacNeill, the Liberal Candidate has been recently in Dundas.—"L. L."

The re-organization of the S. D. C. Baseball team took place Wednesday evening. The following officers were elected:—Moderator—Rev. A. B. McDonald; Manager—Brad McNeill; Captain—Willard McNeill; Committee: McCormack, Willard McNeill, Fred Nally. A strong effort is being made to retain the Championship of this Province.

A Valleyfield correspondent writes: The youth of Valleyfield are being well instructed by their amiable teacher, Florence Stewart. We are pleased to see Munroe Bruce back again from a pleasant visit to Heatherdale, the guest of Mrs. Norman McPhee. W. A. Montgomery paid a flying visit to Fairview, where he was the guest of John and Mrs. McIvers. We are sorry to hear that J. Nicholson is laid up at present, having cut his foot. Although the winter was rather unfavorable J. A. Nicholson made his regular trips to Valleyfield East School, where he is principal. W. A. Bruce is home from the Maine woods. He paid a visit to Fairview Sunday, M. D. March 15th at present training his trotter "Black Prince." He shows great speed and will no doubt break records the coming season.

The beautiful little church of Trinity parish was the scene of a very pretty but quiet wedding yesterday morning at 10:30 o'clock when Miss Hazel Howat of this city was united in marriage to an Ian Whitfield Walker of Jacksonville. The bridal party entered the church to the strains of the wedding hymn as played by G.R. Hillis, presiding at the organ. The bride entered on the arm of her brother, Ernest Howat, who gave her away, and was attended by Miss Allen Cooper as maid of honor Russell Walker of Jacksonville, brother of the groom, acted as best man.

Owing to the recent bereavement of the family no invitations had been issued and the impressive ceremony, which was performed by Rev. I. Fitz-James, Rector of Trinity Episcopal church, was witnessed only by the relatives and a few intimate friends. The bride, always a pretty and attractive girl, was charming in an exquisite white lingerie gown and white picture hat trimmed with roses. She carried a beautiful bouquet of lilies of the valley. Her only ornament was a lovely brooch, a horseshoe set with diamonds and pearls, the gift of the groom. Miss Allen Cooper as maid of honor wore a dainty lingerie gown and rose-trimmed hat and carried pink carriages.

The bridal couple left on the noon train for Washington, New York, Philadelphia and other northern points. On their return from their wedding trip they will make their home in Jacksonville.

The bride is a daughter of Mrs. Geo. Howat of this city and is a very charming girl who is popular with a large circle of friends. Her only regret is that her future home will not be in St. Augustine. The groom is a son of Geo. Wand Mrs. Walker of Jacksonville and is a prominent young lawyer of that city. Mr. Walker is to be congratulated upon this, his greatest success in life, the winning of so charming a bride. The presents received by the young couple were many and beautiful and evinced the esteem in which they are held by their many friends. Among them was a beautiful silver service, the gift of the city council of Jacksonville, of which the groom is a member.

The out-of-town guests attending the wedding were B. C. and Mrs. Prince of Bainbridge, Ga., Mrs. H. B. Woodward, Miss Marion Woodward of Jacksonville, Geo. U. and Mrs. Walker, Miss Walker, Miss Annie Walker, Russell Walker, and Mrs. S. C. Harrison also of Jacksonville, St. Augustine, Florida, Evening Record, March 31st. Mrs. Howat referred to was formerly of Crapaud in this Province.

HAVE YOU PIMPLES?

All Blemishes, Eruptions, Roughness and Rash Can Be Cured By Blood Purification.

"I think it would be impossible to suffer more discomfort or humiliation than I did," writes Mrs. Jeanette E. Wilbur, a well known resident of Hillsburgh. "I tried various remedies—English, French and American, but none of them were able to remove that oily look from my skin. Pimples kept coming out on my face, arms and neck. The inflammation of each pimple lasted sometimes three or four days, but often a week. These unsightly sores were heated points of irritation. A friend advised me to purify my blood thoroughly with Ferrozone and to anoint the pimples and sores with Dr. Hamilton's Ointment. I did so. The first box of Ointment and Ferrozone was the best dollar's worth of medicine I ever bought. Before I had used six boxes of Ferrozone my skin had become smooth as a baby's. That oily yellowish tint went away, and a natural, ruddy glow lit up my cheeks. Every sore pimple disappeared. Ferrozone built up my health wonderfully. I am now vigorous—no new have cold hands or feet sleep like a top, have a good appetite and enjoy my meals. Ferrozone did it all."

Ferrozone Cures Skin Diseases

All blood and skin diseases, debility, weakness and lack of energy are quickly driven out by Ferrozone. It's the tonic of real health, try it, one or two tablets with your meals fifty cents a box, six for \$2.50, all dealers or The Catarrhzone Coy., Kingston, Canada.

THE LEGISLATURE COMPLETES WORK

Thursday, April 7. The House opened to the public at 11.20.

MR. DOBIE asked the Commissioner of Public Works if any tender for building proposed bridge at Mill Creek, Lot 14 has been accepted by the Department? If so, give the name of the person whose tender is accepted and amount of same.

MR. CUMMISKEY said a tender had been accepted and the tenderer notified, but no contract had yet been made, and therefore he could not give the name.

HON. MR. CUMMISKEY also replied to a question of Mr. J. A. McDonald as to the Georgetown and Newort ferries, with copy of a petition received.

MR. MATHIESON followed with some criticisms upon the Commissioner and his methods. THE PREMIER introduced the supply bill, which was read a first and second time agreed to in committee of the whole reported, read a third time and passed.

MR. PROWSE asked the following Resolution, seconded by Mr. McKinnon. Whereas, the Department of Railways has issued a new time table for the summer months on the Prince Edward Island Railway the same going into effect on the 1st of April inst., and whereas by the said new time table no improvement in the service on the Murray Harbour Branch is afforded over the service that was given by the Winter time table.

And whereas the Murray Harbour Branch Railway running between Charlottetown and Murray Harbour is a distance of fifty-six miles through a large and populous portion of the Province enjoys a passenger service as large or larger than on any other part of the Island Railway of the same mileage.

Therefore resolved, that it is the opinion of this Honourable House that no service on the Murray Harbour Branch that is not fully equal to other parts of this Province can be considered satisfactory.

And further resolved, that in the opinion of this House the Department of Railways should put on a daily express train between Murray Harbour and Charlottetown and sufficient freight trains to meet the requirements of the public, and this House authorizes and requests the Government to take such action as they may deem best to have the above mentioned grievances removed.

He supported the resolution in a brief speech setting forth the inadequacy of the service and the need for improvement.

MR. MCKINNON also spoke briefly in support of the resolution.

THE PREMIER thought the object of the resolution was a reasonable one. He would be glad to see the express train developed on the Murray Harbour branch could be secured. The resolution was then adopted without dissent.

On the motion of the Premier that the House resolve itself into committee on the bill to reduce the taxes on guarantee companies from \$50 to \$100, considerable opposition developed. Mr. Mathieson moved the three months' bill. The Premier said he was not disposed to press the bill unduly. Mr. Mathieson withdrew his motion, but said the Opposition were against the bill. It was further discussed by Mr. Wyatt, Hon. L. McDonald and others. The Premier announced that the guarantee company's agents stating that the business is very small. In defence to those who were opposed he withdrew the motion to go into committee, and the bill was dropped.

MR. MATHIESON by resolution the claims of War Lowe's estate, which he submitted to arbitration on Mr. Lowe furnishing security for costs. He set forth the particulars of the claim, stating that the contract was an impossible one, wholly by the fault of the plans and specifications. It had involved the loss of a large amount of money. He held that they be referred to the Province to deny this arbitration as he is shut out of the courts. If he had a good claim it ought to be paid. If he had no claim the arbitration would show the fact. The question ought to be finally settled on a fair and just basis.

L. McDONALD failed to see where an injustice had been done to Mr. Lowe. THE PREMIER said this matter writes: A Hunter River correspondent in speaking of the Hunter River when Frank Pooley recently made a number of successful runs on the beautiful waters of the mill pond in his gasoline boat. A number of the citizens watched the sight with interest. Quite a number of people have left Hunter River recently to see the "Canadian" Wm. McKinnon and Curtis Smith left a few days ago for Manitoba. Davis Patterson set out for Skibereen, Sask, where he will join his father and two brothers who have taken up land there. Bruce McKinnon and his son Frank accompanied by Angus Pineau crossed over to the mainland Tuesday on their way to Regina. Mr. McKinnon took with him ten very fine horses. Jas. Beaton, Hunter River was in the city yesterday.

A SERMON ON BAPTISM.

Rev. Mr. Orman preached what some might call a very powerful sermon on Baptism in the Methodist Church at Vernon River last Sunday evening. If the reverend gentleman will repeat that sermon in the near future and let the blind-eyed Baptists, as he termed them in his sermon Sunday evening, know the time, I will guarantee him a full house, but he must promise not to prove his belief by the epithets in the tombstones in the Catacombs at Rome by clippings from newspapers, as he tried to do on Sunday evening.

Yours, R. A. MACLEOD.

Uigg, April 7, 1916.

doubt come up again and could be decided then.

HON. MR. HUGHES thought it a reflection upon the electors of Charlottetown to say they were afraid or ashamed to vote their honest convictions.

The resolution was lost on a party vote of 13 to 10.

MR. McLEAN moved a lengthy resolution condemning the Government for its dilatory and ineffective action in regard to our claims against the Dominion Government. It set forth that the House in 1907 resolved that a special committee be appointed to prepare a complete and accurate statement of our claims; that no action was taken thereon for a year; that at the close of the session of 1909 the Premier said the committee had not completed their work, and that nothing practical had since been done to secure payment. He urged the resolution in a brief address.

MR. A. J. McDonald briefly supported the resolution.

THE PREMIER defended the action of the government. Resolutions and memorials could do little good. He did not believe in fooling the country into a belief that there was any immediate prospect of recovery of these claims. No other Province is now pressing claims against the Dominion. If we are to claim on the ground of the territory to be allotted to Manitoba, Ontario and Quebec, which he thought we might when the territory is transferred, Nova Scotia and New Brunswick would have equally good claims and the Maritime Provinces should act together. The time was not yet ripe for this, however. The fishery claim had been pressed by this Government and by former Governments. They could not take the Dominion Government by the throat and compel them to pay. When it is collected it will be by joint action.

Provinces. Nova Scotia is content with things as they are and New Brunswick has not moved. As to the railway claim, no member of the Ottawa cabinet took much stock in it.

MR. MATHIESON said the Premier had belittled our claims and treated our merely as political matter making horses. The country took this matter most seriously. They are an intelligent people and by the treatment of these claims by the Government was shown of its strength at the last election. Outside of Charlottetown the country divided evenly between the Ottawa to push these claims and Pownal. The Premier had gone to Ottawa to push these claims and had come back concluding that we had no claims that are any good. No one of our claims had been properly prepared and formulated. He argued that our claim on railway account would be irrefragable if properly stated, and every member of the Government at Ottawa would be forced to consider it. Our fishery claim is unique, because it arose before confederation, but nothing has been done about it. The Premier had not tried; he did not believe in our claims. The Sullivan Government prepared a complete brief, carried it to Ottawa and recovered the foot of the three and a half million a year. How had Manitoba gained increased subsidies, allowance for lands and for Government buildings, except by pressing for them? We are contributing five or six hundred thousand dollars a year more to the Dominion than we are getting back and our claims are increasing year by year. Our claim to a share in the western lands should be asserted before the lands are given away to the central Provinces. Already those Provinces have been doubled in size, while we got nothing in return. Had the Premier taken the people as a whole into consideration, our claims were to be abandoned and \$20,000 more taxes laid on the farmers, he would have been swept from power and few of his supporters would now have seats in the Legislature.

HON. MR. HUGHES replied in defence of the Government, speaking till nearly 6 o'clock when Mr. Laird took the floor.

EVENING SESSION.

MR. LAIRD resumed his speech on the claims resolution. Among other points made was that the Liberals had given the Island four different winter steamers while the Conservatives had provided but one. The Earl Grey, he claimed, was worth two of the Stanley. We had almost continuous communication during the past winter, but might be blocked by the ice in future years. In that case we ought to get the tunnel to which the Island is well entitled. He reviewed the history of the various claims and contrasted the policy of both parties from confederation down, showing in his remarks strong preference for the Liberal party. He was loudly cheered by the Opposition in an ironical way.

MR. LAIRD then voted down by a party vote, 12 to 10.

HON. MR. McMILLAN, seconded by Mr. Crosby, moved a resolution setting forth the claims of North River for a shipping wharf at the end of the Ferry Road and recommended that the Dominion Minister of Public Works be requested to have it built. He supported the resolution by a strong practical speech setting forth that the people of that section paid taxes and had no share in the railway accommodation furnished to other sections.

MR. CROSBY said the wharf was very much needed and was followed by Mr. Laird in support of the resolution.

MR. MCKINNON praised the section of the country concerned, and thought its claims should receive attention along with other neglected portions of the country, some of them in King's County which he moved to include in the resolution so as to provide some wharf accommodation between Cape Bar and Wood Islands.

The discussion was continued by Mr. Palmer and Hon. Mr. McInnis, who objected to coupling the two propositions together. Hon. Mr. Cummiskey strongly favored the resolution but thought it ought not to be overladen with too many other projects. Hon. L. McDonald, Mr. Cox, and Hon. Mr. Hughes. The House was declared lost 13 to 11. The original resolution was adopted.

THE PREMIER moved a resolution affirming the principle that the representation of a Province in the House of Commons should not in any case be reduced below the number with which it entered the union. He discussed the representation question at some length, pointing to the members we had already lost and the danger of further loss. Similar resolutions had been adopted by New Brunswick and Nova Scotia and it was hoped that they could join in support of the principal.

MR. MATHIESON seconded the resolution, which was adopted unanimously.

MR. CROSBY, seconded by Mr. Cox moved the usual resolution of thanks to His Honor, the Lieutenant Governor.

The House in committee, Dr. Warburton in the chair, took up the usual vote of \$3,000 for paupers. Mr. Mathieson, Mr. Palmer and others criticised the plan of distribution as unsatisfactory.

The matter was further discussed by Hon. Mr. Hughes, Mr. Laird, Mr. Wyatt and Mr. Crosby, when the item was passed.

THE PREMIER called attention to the conference between the Dominion Government and the Governments of the Provinces as regards their respective jurisdictions, which had resulted in nothing being done. This Province had not suffered in not being represented there. In reply to Mr. Mathieson, he said he hoped to have printed copies of the Education Commissioner's report for distribution tomorrow.

MR. PALMER submitted the report of the Public Accounts Committee, which was adopted.

The House adjourned before eleven o'clock till 10 o'clock tomorrow morning.

MONDAY

The Union Institute of Egmout Bay has purchased from Hon. John MacMillan, Fairview, a very superior Ayshire Bull. This fine animal is five years old, weighs about 1,800 lbs., comes of the very best strains of the breed, of which he is a typical representative, and has been noted for their deep milking qualities. The members of the Union Institute are induced to be congratulated to the purchase.

TUESDAY

S. W. Taylor, Bridgetown, was purchased from A. W. Morrow, North Lake, a pure bred Hosten bull calf for breeding purposes. The people should congratulate Mr. Taylor for taking such a fine animal to this end of the country.

WEDNESDAY

William Murphy crossed to Pictou this morning taking with him Eskham Waggoner, the celebrated pure bred Shire stallion owned by Daniel McGregor of Montague. Eskham Waggoner will be shown at the fair which takes place in Amherst.

On February 15, a cow belonging to James Farquharson, Bunbury, gave birth to twin calves, and on March 10, another of his cows gave birth to twins.

THURSDAY

Thos. Reid, Stanley, has sold his thoroughbred Holstein bull to Jas. Traor, representing the Coleman Institute. This was one of the finest animals to be seen in the country.

There will be a meeting of the Long Creek Farmer's Institute at Afton Hall, on Friday, April 8th, at 7:30 p.m. Following evening Stretches Hall, Long Creek. Persons desiring the services of the animals are advised to attend those meetings and renew their membership for 1916 as the time for doing so will close on May 1st. A. A. McNeill, Pres.

NEW STRENGTH IN THE SPRING

Nature Needs Aid in Making New Health-Giving Blood.

In the spring the system needs toning up. In the spring to be healthy and strong you must have new blood, just as the trees must have new sap. Nature demands it and without this new blood you will feel weak and languid. You may have twinges of rheumatism or the sharp stabblings pains of neuralgia. Often there are discharging pimples or eruptions on the skin. In other cases there is merely a feeling of tiredness and a variable appetite. Any of these signs that the blood is out of order—that the indoor life of winter has told upon you. What is needed to put you right is a tonic, and in all the world there is no tonic can equal Dr. Williams' Pink Pills. These Pills actually make new, rich, red blood—your greatest need in spring. This new blood drives out disease, clears the skin and makes weak, easily tired men and women and children bright, active and strong. Miss A. M. Dugay, Lower Cove, N. S., says: "I believe I owe my life to Dr. Williams' Pink Pills. My blood seemed to have turned to water. I was pale as a sheet; I suffered from headaches, and floating specs seemed to be constantly before my eyes. As the trouble progressed my limbs began to swell, and it was feared that my dropsy had set in and that my case was hopeless. Up to this time two doctors had attended me, but notwithstanding I kept growing worse. It was at this juncture I began using Dr. Williams' Pink Pills, and after taking a few boxes I was much improved. I kept on using the Pills until I had taken eight boxes, when my health was completely restored."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

At some length, pointing to the members we had already lost and the danger of further loss. Similar resolutions had been adopted by New Brunswick and Nova Scotia and it was hoped that they could join in support of the principal.

MR. MATHIESON seconded the resolution, which was adopted unanimously.

MR. CROSBY, seconded by Mr. Cox moved the usual resolution of thanks to His Honor, the Lieutenant Governor.

The House in committee, Dr. Warburton in the chair, took up the usual vote of \$3,000 for paupers. Mr. Mathieson, Mr. Palmer and others criticised the plan of distribution as unsatisfactory.

The matter was further discussed by Hon. Mr. Hughes, Mr. Laird, Mr. Wyatt and Mr. Crosby, when the item was passed.
