

Beaver Flour
is the cream of the wheat—the choicest Manitoba Spring Wheat and Ontario Fall Wheat. It contains the good qualities of both, makes wholesome, nourishing Bread and Biscuits like—Manitoba flour—and light, tasty Cake and Pastry, like Ontario wheat flour. It also yields MORE of both to the barrel, than any other. Good cooks say that their greatest help on baking day, is BEAVER FLOUR. Try it.

PARTICULARS OF HINDUS' PLOT

Natives Arrested in Connection with the Calcutta Bomb Affair Confess— Aim of Conspiracy Murder of Exalted Personages.

CALCUTTA, May 9—It is stated that Ghose, one of the natives arrested in connection with the bomb affair, has confessed the whole plot. He was one of the ring leaders. The aim of the conspiracy was the murder of several exalted persons as a national revenge. The recent attempts at bomb outrages, etc., were

part of the scheme, which included the assassination of the Viceroy and General Lord Kitchener. Ghose was detailed to look after the establishment of an explosive factory and the distribution of arms. Some of the other prisoners, finding Ghose had confessed, confirmed his statements, while others claimed they were en-

tirely ignorant of any plot. The man said he had travelled all over India in connection with the movement which he described as a great revolutionary campaign against the government. The prisoners were remanded.

THREE-CORNERED FIGHT IN DUNDEE

Liveliest Election Campaign Scotland Has Seen in Many Years.

MONTREAL, May 9—A cable from Edinburgh says: The Dundee parliamentary election campaign is the liveliest that has taken place in the history of the city. The candidate of the board of trade, who was rejected by the electors of Manchester three weeks ago. His advent has created great excitement in the district and started a vigorous three-cornered fight.

Sir Wm. Baxter, the Unionist candidate is strong in the district. He is making tariff reform his chief argument as Dundee's jute trade has been hard hit by foreign tariffs. G. H. Stuart, the labor candidate is also a good man.

The election at Wolverhampton has given the Liberals a fright on account of the narrow escape of the candidate from defeat and they are displaying great activity. The meetings, of which there are between thirty and forty each day, begin at eight o'clock in the morning and are carried on until late at night by each of the three candidates. The suffragettes are active and create much amusement by their mode of campaigning.

A disagreement is reported among the Irish on the education question as was the case in the Manchester contest.

JEROME SAID TO FEAR VIOLENCE

At Hands of Thaw if Latter Gets out of the Asylum.

NEW YORK, May 9—It is said District Attorney Jerome's opposition to Harry Thaw's release is based on the fact that Thaw threatened him personally. Jerome fears that Thaw, if freed, would attempt revenge against him. Thaw is said to have declared that Jerome's unceasing prosecution has been nothing but persecution, and that as law seemed inadequate means through which to punish the District Attorney, personal satisfaction was the only alternative.

At Poughkeepsie to-day Thaw said life in Matteawan Asylum was a living death.

WONDERLAND

Continued from page 1 most favorable comments on her voice.

The pictorial program offers comedy, spectacular entertainment, and amusement in plenty. What happened in the tunnel is very laughable, and has the effect of making folks more careful when going through these ready appliances for making love.

The Viking's Bride, takes one away up to the land of the setting sun, where the long day and night are so often woven into stories of romance. It tells a most interesting and touching story, in a clear and forcible way.

The Bogie Man's Cave, shows itself not to be such a place of terrors after all, and Toulain's Dream is a grand picture—clear in depiction and interest holding throughout.

The Frog, and Billy on Fire complete the list, which is one of the finest ones yet offered Wonderland goes. Come tonight.

Something New For Spring

This is the cry we hear about this time of the year, and it is only right. When nature is renewing itself, why should not man renew his apparel. If he wants to succeed in his line of business, (no matter what it may be) he must, look the part, because a man is judged by his appearance, if his attire is correct he will command the respect of his fellow man, and (women also).

Think the matter over and when you have decided come to us and see what we can do for you in the line of clothing, you will be more than repaid for your trouble, for we have the goods, and have a knack of putting them up that make their wearers look prosperous, and up to date.
