

The Weakening Agony of Piles (Haemorrhoids) Ended

Thousands Bless This Famous Herbal Ointment

Piles or hemorrhoids cause excruciating pain and often serious loss of blood. The famous Zam-Buk ointment is wonderfully soothing to the swollen veins and itching parts. Zam-Buk derives its healing and mildly astringent influence from herbal extracts of special value in this weakening and agonizing complaint. Zam-Buk has a wonderful record of success.

THE BEST OF PROOF
Mrs. R. L. Garber, of 2545 Ohio Avenue, Southgate, California, a nurse, writes as follows:—"My husband suffered from Piles for years, but a year ago they reached an acute stage and he could neither sleep nor attend his work. He had medical advice, tried all sorts of baths, hot packs, ointments and ointments which cost him hundreds of dollars without obtaining any relief. Finally a friend gave him a box of Zam-Buk; after application for one day he obtained a good night's rest. He continued the treatment and

by the time he had finished a second box he was completely relieved of this agonizing ailment and able to resume his work."

Mrs. F. Barrett, Pioneer, Alberta, writes:—"We have used Zam-Buk ever since I was a young girl and I have never known it fail. My husband, who has been troubled with itching piles for years, says the soothing relief Zam-Buk brought was wonderful."

The unparalleled success of Zam-Buk lies in its original and valuable formula. Zam-Buk is compounded from certain herbal extracts of an extraordinarily healing, soothing and antiseptic nature. Zam-Buk soon stops all pain and itching. It gets at the root of such troubles as eczema, salt rheum, bad legs, ulcers, scalp disease, poisoned sores, etc., and is also a fine ever-ready first-aid for injuries. The Victor R-15

For more than thirty years the name "Victor" has been synonymous with quality in music-reproducing instruments and in the new Victor line, according to Mr. J. LeRoy Holman, of Summerside, P. E. I., who is now showing it, engineers and craftsmen of the Victor Company have more than sustained the tradition.

Of particular interest is the new low-priced Victor instrument, the R-15, a four-circuit, screen-grid set, housed in an Early English cabinet of walnut-veneers, which Mr. J. LeRoy Holman says is finer in many respects than the most costly instruments of last year's manufacture. Among the special features which distinguish this instrument are amazing versatility with superior tone quality; long range reception; mathematically-exact definition of radio stations; screen-grid tubes of an advanced type; four Victor-improved selective circuits; a corrugated cone loud speaker, better than last year's most expensive sets could offer, and many other unusual characteristics.

WOMEN'S INSTITUTE CONVENTION

The district convention of the Marshfield, York, Stanhope, East, West, and Central Royalties and Spring Park Women's Institutes was held in Spring Park School on the afternoon and evening of Oct. 3rd. Mrs. E. Hartz, the President, presided. The afternoon session opened with the singing of "O Canada," followed by the reading of "The Creed." Mrs. McCabe, on behalf of the Spring Park Women's Institute, warmly welcomed the visitors. This address was replied to on behalf of the visiting Institutes by Mrs. McLeod of Central Royalty. The minutes of the last District Convention held at Marshfield were read and adopted. Reports on the year's work were then given by the different Institutes represented. Mrs. Mann gave a very interesting description of her "Trip to the Coast." She held the deep interest of all throughout her address which was given in an exceptionally pleasing manner. This was followed by a very excellent paper on Institute work by the Supervisor, Mrs. Tait. Mrs. Tait explained the reasons for holding District Conventions, and gave some practical suggestions for improving same. She also outlined the responsibilities of each individual member. At the conclusion of this address, Mrs. Hartz, on behalf of the Institutes in Convention, presented Mrs. Tait with a beautiful tray. Mrs. Tait, though taken completely by surprise, warmly thanked the ladies for their gift and good wishes. Two very delightful demonstrations were given,—one, on the making of "Small Cakes" by Mrs. Gates of West Royalty, and the other on "Biscuit Dough and its Various Uses" by Miss Hazard, Assistant Supervisor. The election of officers resulted as follows: President—Mrs. MacLeod, of Central Royalty; Secretary—Mrs. John Andrew, East Royalty.

The afternoon session closed with "The National Anthem." Tables were set and supper served in the Institute kitchen adjoining the school-rooms.

The evening meeting opened at 8 o'clock with the new President, Mrs. MacLeod, presiding. A large crowd was present and enjoyed the following programme:

Opening Chorus—O Canada.
Reading—Mrs. Boothroyd, York.
Violin Selection—Mrs. Haughey, Spring Park.
Reading—Mrs. John Andrew, East Royalty.
Duet—Misses Ferguson and Dinnis, Marshfield.
Reading—Mrs. J. Ferguson, Central Royalty.
Musical Selection—Arthur Cudmore and Garry MacNevin, Spring Park.
Reading—Mrs. Murray, Charlottetown.
Address on "Scotland" by Mrs. MacNair, Charlottetown.
Step Dance—Bernard Trainor, West Royalty.
Reading—Mrs. Neil Darrach, East Royalty.
Solo—Mrs. Agnew, Central Royalty.
Reading—Mrs. Brodie, York.
Dialogue—The Photographer's Troubles, by Stanhope W. I.

At the conclusion of the program a vote of thanks was extended to Mrs. MacNair for her very interesting and inspiring address, and also to Spring Park Women's Institute for their hospitality.

The meeting closed with the National Anthem. Much credit is due the different institutes for the splendid manner in which they co-operated to make this convention so successful. The Institutes also feel deeply grateful to those who so kindly assisted them in the program. (Patriot please copy)
