Cures Old Folks' Coughs

Doesn't Disturb the Stomach, Eases at Once and Cures Thoroughly.

"CATARRHOZONE" A BOON TO MANY THOUSANDS.

Because you are old is no reason for suffering with everlasting coughing—those terrible chest troubles and difficult breathing can be thoroughly cured with Catarrhozone. You simply breathe the healing vapor of Catarrhozone, and instantly its rich balsamic fumes are carried by your breath into the tiniest recesses of the nose, throat, chest, bronchial tubes and lungs.

Just think of it—a direct breathable medicine, full of soothing antiseptic pine essences that reaches every congested membrane in two seconds. No drugs to take—nothing to harm or sicken the stomach, because Catarrhozone is the purest, safest cough, catarrh and cold remedy ever devised.

"For many years," writes Richard McCallum, Stirling, Ont., "I have suffered from Catarrh, and continually hawked and coughed, so that my throat was always in an inflamed, irritable condition. Catarrhozone medicine did not help me in the least, and all other remedies I used were quite useless. In one case it was time wasted in snuffing powder up the nose; in another using a greasy ointment, and so on. Not one of them was the least bit of good."

"I heard Catarrhozone favorably spoken of, and tried it. Really it benefited me more in a few hours than years of treatment with doctors' and other so-called remedies. After receiving such immense benefit, I continued using Catarrhozone, and in a few weeks I was completely cured of Catarrh and throat trouble."

Get Catarrhozone to-day. Large size cost \$1.00, and lasts two months. Smaller sizes 25c. and 50c. All dealers, or The Catarrhozone Company, Buffalo, N.Y., and Kingston, Ont.

How I Made My Hair Grow

Woman With Marvelously Beautiful Hair Gives Sample Home Prescription Which She Used With Most Remarkable Results.

I was greatly troubled with dandruff and falling hair. I tried many advertised hair preparations and various prescriptions, but they all signally failed; many of them made my hair greasy so it was impossible to comb it or do it up properly. I finally found a simple prescription which I used unhesitatingly and which were positively injurious and from my own experience I cannot too strongly caution you against using preparations containing wood alcohol and other poisonous substances. I believe they injure the roots of the hair. After a long list of failures, I finally found a simple prescription which I used unhesitatingly and which were positively injurious and from my own experience I cannot too strongly caution you against using preparations containing wood alcohol and other poisonous substances. I believe they injure the roots of the hair.

IMPORTANT NEWS REGARDING THE BLOOD

Coughs, colds, bronchitis, influenza and all disorders of the pulmonary organs are caused directly by impure blood in the system for if the blood was pure the body would be strong and could successfully combat all attacks of these diseases. One way to get back on the road to health is to build up the blood thereby strengthening the body and fortifying the nervous system against all succeeding attacks of these ailments and for strengthening and purifying the blood there is nothing that can equal Nulife (Red Blood Tablets) a preparation that is endorsed by all leading physicians and is recommended by all who have ever used it. These tablets get right down to the seat of the trouble, cure the disease and strengthen the system by supplying the body with rich, red, life-giving blood every Nulife tablet means that much more and better blood.

Nulife costs \$4 a box and can be had only at the following dealers: The Two Maces, City. Geo. E. Hughes, City. B. A. Foster, City. J. W. Carruthers, Montague. Cox Bros., Morrell. Mrs. A. N. Campbell, St. Peter's. H. J. Mabon, Souris. Alex. Robertson, Red Point. B. P. Smith, Kinkora. S. H. Colville, New Haven. Ewen MacKinnon, Hampton. Calvin Howatt, Victoria. Kier & McPadyen, Kensington. P. N. Inman, Summerside. E. C. LePage, North Rustico. W. B. Dyer, Alberton. Mrs. Lottie Murnaghan, Peake's Station.

Jas. F. Lord, Tryon. If your dealer doesn't carry NULIFE ask him to write Johnson & Johnson, Wholesale Distributors, Charlottetown.

A telegram received on Tuesday by Dr. William D. Forrest, of Halifax, brought the sad news of the death in New York, of Mrs. George Munro, a sister of ex-President Forrest, of Dalhousie University, and widow of one of Dalhousie's most magnificent benefactors. Mrs. Munro, who was 77 years of age, is survived by two daughters and two sons, one of the daughters being the wife of President Schurman, of Cornell University, (a native of P. E. Island) and the other the wife of George Schurman, brother of the President. The sons are John and William Munro, both living in New York. Ex-President Forrest has been visiting his sister, and is still in New York.

The basket social held at Kelly's Cross on 31st January was a most successful affair, every one going home glad they had been there and the sum of \$120 having been realized. John P. Bradley has proved himself a very good auctioneer, and got fancy prices for some of his goods. The soloists of the evening were Miss Millie Gorman, who uses a fine voice with ease and grace; little Miss Georgia Trainor, who delights the audience by her distinct yet musical voice, and Frank J. Fox, who has the star of the evening was J. Austin Trainor of Charlottetown who is a whole concert in himself. He made barrels of fun for the crowd, and they would have wished him to stay with them a little longer. His special references to some of the local characters, and his predictions of realities in Kelly's Cross in 1939 opened the eyes of those present. Come back again Austin—in 1939. Perhaps the most enjoyable item on the program was the dance after lunch and hot coffee, the music being supplied by Levi Trainor.—Con.

A friend in Vancouver, referring to the death of the late W. K. McKay, previously announced in The Guardian, says—On Sunday Jan. 21st, a sympathetic company of former friends from New London, Summerside and other points in P. E. Island, assembled at the Chapel of Center & Hanna, Undertakers, Vancouver, B. C., to pay the last tribute of respect to the memory of the late Wm. Keir McKay, son of the late Geo. B. McKay of Clifton, P. E. I. The deceased had come to Vancouver from Edmonton last spring, and was employed in the Real Estate office of Hector A. Stewart. His last illness was very brief, and before his friends had generally become aware of it the end had come. The Chapel was filled to overflowing by those who had known him in the home land. His two sons, Chas. & Ralph were present from Edmonton, and his brother John G. from Tacoma, besides several relatives resident in Vancouver. Among the names to be seen attached to the floral offerings which covered the casket were those of H. CANADIAN PACIFIC RAILWAY.

The Canadian Pacific is the Short Direct Route Charlottetown to Montreal, the trip being made in twenty-four hours. Close connections are made for all points beyond and changes and transfers are avoided. New electric light sleepers on the C. P. R. Halifax Montreal run, and this road has the best dining car service. This is the only line operating compartment cars—Montreal and Ottawa, to Toronto, and Montreal and Toronto to Vancouver. J.K. Ross, the local C. P. R. agent, can supply all information.

How I Made My Hair Grow

Woman With Marvelously Beautiful Hair Gives Sample Home Prescription Which She Used With Most Remarkable Results.

I was greatly troubled with dandruff and falling hair. I tried many advertised hair preparations and various prescriptions, but they all signally failed; many of them made my hair greasy so it was impossible to comb it or do it up properly. I finally found a simple prescription which I used unhesitatingly and which were positively injurious and from my own experience I cannot too strongly caution you against using preparations containing wood alcohol and other poisonous substances. I believe they injure the roots of the hair. After a long list of failures, I finally found a simple prescription which I used unhesitatingly and which were positively injurious and from my own experience I cannot too strongly caution you against using preparations containing wood alcohol and other poisonous substances. I believe they injure the roots of the hair.

IMPORTANT NEWS REGARDING THE BLOOD

A telegram received on Tuesday by Dr. William D. Forrest, of Halifax, brought the sad news of the death in New York, of Mrs. George Munro, a sister of ex-President Forrest, of Dalhousie University, and widow of one of Dalhousie's most magnificent benefactors. Mrs. Munro, who was 77 years of age, is survived by two daughters and two sons, one of the daughters being the wife of President Schurman, of Cornell University, (a native of P. E. Island) and the other the wife of George Schurman, brother of the President. The sons are John and William Munro, both living in New York. Ex-President Forrest has been visiting his sister, and is still in New York.

The basket social held at Kelly's Cross on 31st January was a most successful affair, every one going home glad they had been there and the sum of \$120 having been realized. John P. Bradley has proved himself a very good auctioneer, and got fancy prices for some of his goods. The soloists of the evening were Miss Millie Gorman, who uses a fine voice with ease and grace; little Miss Georgia Trainor, who delights the audience by her distinct yet musical voice, and Frank J. Fox, who has the star of the evening was J. Austin Trainor of Charlottetown who is a whole concert in himself. He made barrels of fun for the crowd, and they would have wished him to stay with them a little longer. His special references to some of the local characters, and his predictions of realities in Kelly's Cross in 1939 opened the eyes of those present. Come back again Austin—in 1939. Perhaps the most enjoyable item on the program was the dance after lunch and hot coffee, the music being supplied by Levi Trainor.—Con.

A friend in Vancouver, referring to the death of the late W. K. McKay, previously announced in The Guardian, says—On Sunday Jan. 21st, a sympathetic company of former friends from New London, Summerside and other points in P. E. Island, assembled at the Chapel of Center & Hanna, Undertakers, Vancouver, B. C., to pay the last tribute of respect to the memory of the late Wm. Keir McKay, son of the late Geo. B. McKay of Clifton, P. E. I. The deceased had come to Vancouver from Edmonton last spring, and was employed in the Real Estate office of Hector A. Stewart. His last illness was very brief, and before his friends had generally become aware of it the end had come. The Chapel was filled to overflowing by those who had known him in the home land. His two sons, Chas. & Ralph were present from Edmonton, and his brother John G. from Tacoma, besides several relatives resident in Vancouver. Among the names to be seen attached to the floral offerings which covered the casket were those of H. CANADIAN PACIFIC RAILWAY.
