**LETTER OF SYMPATHY**  
Mrs. William McKenzie, Murray Harbour, P. E. I.  
Dear Mrs. McKenzie—We, the officers and members of Queen Mary Women's Institute desire to extend to you our sincere sympathy in the death of your beloved sister, Mrs. Rankin Bell. As "Margaret" we loved her and as "Margaret" we will always remember her, always ready and willing to do her part in the work of the society, a true friend, a good and faithful wife and mother. "Thou gone from us, we do not look upon her as one whose work is over, but rather advanced to a greater and more perfect sphere of action, where we may, one day, meet again and renew our broken association with her. We ask that God may comfort you in your grief and we commend her little motherless baby to His wise care and tender keepings.

**ASPIRIN**  
The whole world knows Aspirin as an effective antidote for pain. But it's just as important to know that there is only one genuine Aspirin. The name Bayer is on every tablet, and on the box. If the name Bayer appears, it's genuine; and if it doesn't, it is not! Headaches are dispelled by Aspirin. So are colds, and the pain that goes with them; even neuralgia, neuritis, and rheumatism promptly relieved. Get Aspirin—at any drugstore—with proven directions.

**Physicians prescribe Aspirin; it does NOT affect the heart**  
Aspirin is the trade mark (registered in Canada) indicating Bayer manufacture. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trademark.

**Jack Holt Back Again In Popular Zane Grey Stories**  
FLASHING SCENES FROM THE DAYS OF INTREPID PIONEER  
There was a happy reunion at Capitol Theatre yesterday. The cast for the joyful proceedings was the union of Jack Holt in Zane Grey productions produced by Paramount. The picture that heralded this most pleasant combination brought together again was "The Vanishing Hiker," a story by the famous author of western stories.  
As if to celebrate the return of Jack Holt under the Paramount banner, the producers have surrounded the star with the excellent support cast. In fact the cast in support of Holt might even be termed all stars. There is Sally Blane, an "up and coming" youngster, who is both pretty and adequate for her role; William Powell, the very popular screen villain, in spite of his characteristic "bad" men, and right along with him is Fred Kohler, a most capable actor. Guy Oliver portrays the role of Miss Blane's father and the Ros Karns furnishes comedy relief. Mica Mannon is good as the "ap woman."  
However, the really big highlight of the production is the appearance in the first sequences of young Jack Holt, son of the star. It is easy to discern the strain of acting ability running through the Holt family. Young Tim does very well for time he is permitted to appear before the camera with his illustrious father.
