Modern science says sugar supplies energy that lets you carry on with less food and safely reduce weight.

WRIGLEY'S is pure chicle, sugar and flavor. Chewing the chicle dissolves the sugar and releases the flavor.

In this pleasant way you get needed body fuel and reduce the pounds.

barred against her and Ummata, with eyes that streamed with tears and unsteady hand, pointed to the hut Katherine had occupied alone with Bill the first night of their stay with Aruman's people.

With her head high Katherine went toward the hut. On her way she passed some of the children she had played with just the day before. The older ones, warned by their mothers, shrank away from her. But the little ones tried to embrace her as before. In wild fear their mothers snatched them up and shouted charms against the evil spirit that had taken possession of the white woman. Katherine entered the hut, an sank sobbing to the heap of decayed grass in one corner.

At the same moment back in the forest Bill opened his eyes. He had been propped up against a tree and he could see the horror-stricken faces of his audience watching for him to wake. Aruman began to chant. It was a long chant, begging the forgiveness of the gods for this breaking of tribal rules. It ended on the word "tabu"—and "tabu": the echoes from the landlocked harbor said mournfully as the white man staggered to his feet.

## LETTER OF SYMPATHY

Mr. Herbert Buchanan, Fredericton.

We, the members of Fredericton Women's Institute wish to convey to you our heartfelt sympathy in the great bereavement you have suffered in the death of your dear wife one who was a real homemaker, always cheerfully and patiently performing her many duties. Our Institute will miss her greatly, as she was a loyal member for some time, and vice president during the past year.

While we sympathize with you and little Aubrey in your great loss, we feel that our words are vain to heal so sore a wound. We would, therefore commend you to the great Burden Bearer, the "Man of Sorrows" who was "acquainted with grief," knowing that He alone can comfort the sorrowing.

"When you drink the cup of sorrow, When you tread the path of grief, Jesus is the very friend you need. In His word is consolation, in His presence sweet relief. Jesus is the very friend you need." With deepest sympathy, signed on behalf of the Fredericton Women's Institute.

Agnes Arthur, Mary G. Stevenson.

## There is only one King Cole

THE teas that are blended to make King Cole can be purchased by any tea buyer in the great tea markets of Calcutta, Colombo, or London. Any tea importer with sufficiently keen foresight, rare discrimination and enough capital always to have on hand the necessary teas to carry on in case of crop failures might blend a tea exactly like King Cole. Yes, anyone might do it. But, as you know, so far no one has.

You will enjoy King Cole Coffee too
