WEEK'S NEWS BUDGET FOR OUR SATURDAY SUBSCRIBERS

MONDAY

WELCOME PARTY—Mr. and Mrs. Harry S. Cannon, who were married last Wednesday received a hearty welcome when they arrived in their new bungalow at St. Eleanor's. About one hundred and fifty guests assembled to bid them welcome, and a most enjoyable evening was spent in music and dancing. Heartiest wishes for the future happiness of the bride and groom were extended when the presents took their leave. A dainty supper was served to all by the charming hostess assisted by her friends.

TAYLOR BOYS BEAT RECORD—The harbour does not remain open. It won't be the fault of the Taylor boys from St. Peter's Island. Heavy weather, ice or snow does not seem to deter them from working a trip or two over the nine mile course each week until finally forced to bend before "King Winter's" blast. Last year the boys were compelled to "give up" on December 7th, but this season Bill and Roy have last year's record broken by more than a week. Usually a motor boat trip from St. Peter's Island to Charlottetown takes about 50 minutes. On Saturday they made the trip in one hour 45 minutes; excellent going when one considers the long stretches of pan ice encountered on the way. Bill and Roy intend making the return trip today or tomorrow.

It was with deep regret that friends heard of the passing away of Flora, wife of Captain Neil Murchison, at San Rafael, California, November 28, 1932.

Mrs. Murchison was the daughter of the late Captain Malcolm Murchison, North River. Previous to her illness of five weeks, she had enjoyed good health. She was of a sweet, cheerful disposition, beloved by all who had the pleasure of her acquaintance. After her marriage to Captain N. Murchison, she lived for a time in Brooklyn, New York. For the last twenty-six years she had resided in California.

She leaves to mourn, a sorrowing husband, two daughters, Annie, wife of Rev. A. Swogger, Baker, Oregon; Katie, teacher at San Antonio, California; three grandchildren, Flora, Malcolm and Dalila Swogger.

She is survived by four brothers and three sisters, Dr. John, Bonshaw; Donald, Victoria; Dr. Alexander, Clyde River; Hector, York Point; Mrs. Neil McPhail, San Rafael, California; Katie and Alice Ann.

During the morning service at St. James Church yesterday morning a choral rail presented by Mr. A. E. McLean in memory of his father was dedicated according to the usage of the Church. The rail bears the following inscription:

To the Memory of J.W. Morrison 1820-1897

Chairman of the Trustees and Building Committee during the erection of this Church. This Chancel Rail is dedicated. The placing in position of the beautiful chancel erected in memory of Mrs. Goodwill. It is of the same Gothic design and made of the same wood as the remainder of the chancel. The following hymn was sung after the prayer of dedication:

We love the venerable house Our fathers built to God And Heaven are kept their grateful vows.

Their dust endears the sod, Mr. J. W. Morrison was one of the leaders in the Kirk at the time when the building was erected. He took a prominent part in the designing and carrying out of the work.

TUESDAY

S. S. Magnhild, Captain Clausen, arrived in port yesterday morning from Halifax, N. S., and loaded a cargo of livestock, hay, oats and feed for St. John's, Nfld., and also took in mail for St. Pierre, Miq., and sailed last evening. This is the S. S. Magnhild's last trip for this season.

BRUCE STEWART'S WHARF—S. S. Putten, Captain Henrickson, which arrived in port a few days ago with a cargo of 3,500 tons of fertilizer from Ghent, Belgium, for the Island Fertilizer Co. here, has finished discharging her cargo and will leave here for New York.

EXCELLENT ROADS FOR MOTORING—Mr. and Mrs. George Lockhart, Kensington, passed through the city yesterday, having motored from Heatherdale and reported the roads in splendid condition for this time of year.

Wading through ninety minutes of brilliant and heart-breaking hockey Abbles and Moncton Hawks, league leaders in the "Big Three Loop" skated off the ice last night dead-locked at 2 all. All the scoring was done in the regular playing time, with the extra sessions producing plenty good hockey, but no scoring.

RECEIVED GOOD NEWS—Mr. and Mrs. Roger Westaway, Lower Montague, P. E. Island, have received the news of the birth of a great grand daughter, born at the Mass Memorial Hospital Boston, Mass. to Mr. and Mrs. Carl E. Lawson. Mrs. Lawson was formerly Miss Daisy MacDougall. Mr. Westaway will celebrate his 80th birthday Christmas Eve.

MEMORIAL SERVICE—In the account of the memorial service held in Montague on November 11, part of the service was unfortunately omitted. At the close of the service a picture was unveiled in the memorial school by Miss Sarah Ann McKay, sister of Major Atwood McKay, who was killed in France at the close of the war. The picture showed the cemetery in which Major McKay was buried. A fitting address was given by Mr. J. W. Murdock, H.

FUNERAL SERVICES—The funeral services for Mr. Rufus Heckbert were held on Saturday afternoon at the home of his son, Mr. Earle Heckbert on Harvard Street, Summerside, and were very largely attended. Rev. L. B. Campbell officiated. During the service Mr. Archie Sharp sang very feelingly "Will the Circle be Unbroken." The pallbearers were Messrs. James Morrison, Benjamin Cairns, R. C. Lee, Frank McEwen and Artemas Wright. Interment was in the family plot in the People's Cemetery, S.

COUNTY COURT—The December sittings of the County Court at New Glasgow were held on Friday, December 16th. His Honour Justice Duffy presiding. The only contested case was that of Harry McCoubrey vs. John L. MacGuigan which occupied the attention of the Court during the whole of the day. This was an action for damages for the value of a horse of the plaintiff which had suffered a broken leg as a result of a collision with the defendant's automobile. Ten witnesses were examined on behalf of the plaintiff and seven on behalf of the defendant. Judgment was given for the defendant with costs. Mr. J. J. Johnston, K. C., appeared for the plaintiff and Mr. C. St. Clair Trainor for the defendant.

DEATH OF MRS. JAMES RAYNER—The community of Greenmount were grieved to learn of the sudden death last Wednesday at her home there of Mrs. James Rayner, who was quite unexpected. Mrs. Rayner was a member of the Christian Church and most highly esteemed by a wide circle of friends. She leaves to mourn, besides her husband, several sons and daughters, namely, Mrs. Wm. Getson, Kildare Capes; Mrs. Willett Read, Coleman; Mrs. Benj. Thomas, Cascumpec; Mrs. Ephraim Read, in Saskatchewan; Russell and Marshal of Greenmount and Wallace and Miss Helen at home; also two sisters, one in the States and Mrs. E. I. Rayner and one brother, Edward Baker, in South Dakota, to all of whom much sympathy is extended. The funeral took place on Saturday from her late residence to the Christian Church burial ground at Greenmount. Rev. W. H. Harding, of Summerside, conducted the service, which was largely attended.—S.

CITY SCHOOL CLINICS—That the number of children who turned out to be immunized against diphtheria at the clinics held last week at Rochford Square and West Kent Schools was quite encouraging, is reported by the Department of Health. At West Kent, twenty-two school children and thirteen preschools received their first inoculation and at Rochford Square the splendid number of ninety-six pupils and eleven preschools. At the latter clinic two pupils attending Prince Street school and one from Queen Square also reported, and to show how anxious some of the parents and children were to be protected against diphtheria one small girl at the Clinic herself hurried home to return with a brother and sister aged one and

two years. As three inoculations are necessary, the second one will be given at West Kent the first Friday in January and at Rochford Square the second Friday. It is expected that a clinic also will be started in Queen Square School in January.

STEAMER EXPECTED—The S. S. Certo is expected to arrive this afternoon or tomorrow to load between 25,000 and 30,000 bags of turnips and a quantity of potatoes for the Boston market. The steamer is being loaded by Mr. F. R. Newson.

IN PORT—The S. S. Magnhild arrived in port early yesterday morning and at 7 o'clock the work of loading a large general cargo was commenced. It is expected the work will be completed this afternoon, when the steamer will sail for St. Pierre, Miq., St. John's, and other ports in Newfoundland.

BRIDE AND GROOM HONORED—Mr. and Mrs. Roy Tanton entertained last Friday at their spacious home in St. Eleanor's in honour of Mr. and Mrs. Harry S. Cannon, who were recently married and have taken up their residence in St. Eleanor's. The mail carriers of the surrounding districts were guests at the party and presented the happy couple with a lovely chair, a case of silver and a serving tray. Mr. Edward Lockhart was chairman and spoke a few words of congratulation before Dr. Hillard Clark read the address on behalf of the mail carriers and presented the gifts. Mr. Cannon acknowledged the gifts on behalf of himself and his bride. Other useful and dainty articles were received from other guests present. Bridge and music made the evening pass all too quickly until the hostess served a dainty lunch. Mr. Cannon is the very efficient mail carrier for Route R. 1 and he and his bride are very popular and are receiving a warm welcome from the St. Eleanor's people.—S.

HEROIC RESCUE—In the item of the Saturday Guardian concerning the near drowning accident in the Barbourville River, Clermont, some days ago, your correspondent was not apprised of the full details. Mr. Thomas Kelly, for no apparent reason—evidently one of the inscrutable acts of Providence, took a walk from his house near Mill's Point to the river; as he neared the bank he saw two men who were walking on the river ice break through into the deepest water in the river. He grabbed a long pole and ran as fast as he could to the spot, crawled on his stomach as near as he dared with the ice bending under him and passed the pole to Hoppog Raynor whom he got out fairly easily. In the case of Gordon Dalzell the task was much harder. Mr. Kelly by directions and encouragement prevailed on him to hold on. In the meanwhile Mr. Kelly had attracted the attention of several eel fishermen farther up the river by shouting and signalling. The men were too low in the water to be seen only at a short distance and too weak and benumbed to shout loud enough to be heard more than two hundred yards. The fishermen came as fast as they could and they assisted in dragging Mr. Dalzell out by getting an eel spear fastened in his clothing. Mr. Dalzell had been in the water close to fifteen minutes. Mr. Kelly had to go very carefully or they would have all been drowned. The rescued men say "only for Tom Kelly we wouldn't be here." The people of Clermont and vicinity are proud of his heroic act. His life was in danger every instant of the time he lay flat on the thin ice. He is a man of powerful physique, while he is 73 years old, he has yet great natural strength and a great store of nervous energy, which he can call into action in an emergency of the kind above mentioned. This is his second experience of saving human life. Many years ago, while residing at Lot 11, he saved a Mr. Ellis from drowning. He is one of the few men known to have taken a horse out of a hole in the ice single handed—

which he did one night at the narrows near Alberton, when a young man. K.

WEDNESDAY

SERIOUS FIRE—A very disastrous fire occurred at Point Prim on Monday, Dec. 19, when the barn and all out buildings belonging to Messrs. William and Martin MacRae were completely destroyed. The fire was caused by the upsetting of a lantern while doing up the evening chores and spread rapidly. With the aid of the rural telephone help was summoned from far and near and a large crowd gathered. All implements and machinery and stock were saved but a large quantity of hay, three hundred stooks of oats and three hundred bushels of oats were lost. By hard work the dwelling house was saved, water having to be hauled from a nearby well, it being impossible to get near the pump at the barn. There was no insurance and the loss of the MacRae brothers is a heavy one. H.

THURSDAY

FUNERAL SERVICES—Funeral services for the late Mrs. John D. Murray were conducted Tuesday evening at the home of her sister, Mrs. (Major) J. A. MacKenzie, Ambrose Street, Charlottetown, by Rev. Dr. E. H. Ramsay, immediate relatives and intimate friends being present. Yesterday morning the body left for Westville, N. S., where burial will take place.

DOUBLE BEREAVEMENT—Mr. and Mrs. Joseph Murphy of Summerside have the sympathy of their friends in the double bereavement which they have called upon to bear each having lost a brother within the last few days. After an illness of nine months, Mr. Francis McCarville, Mrs. Murphy's brother, passed away at his home in Emerald on Dec. 8th at the age of 72. He was the son of Francis McCarville of Preetown, and was most highly esteemed in the district. He was a very prosperous farmer and had the satisfaction of seeing his family, five boys and two girls comfortably settled around him. He was kind and charitable and a devoted member of St. James Church, Summerside. There are left to cherish his memory his widow, formerly Miss Bridget Johnson of Preetown, five sons, Ollie and Russell of Preetown; Earle and Wilber of Emerald and Ray on the home-stead; two daughters, Mrs. Bennett DeGhan of Bradabane and Mrs. Leo McQuigan of Springfield; also one brother, John of Preetown and the following sisters, Mrs. Joseph Murphy of Summerside; Mrs. Agnes Hogan, Everett, Mass.; Mrs. Eliza Morgan of Charlottetown and Miss Frances McCarville of Somerville, Mass. The funeral was held on Saturday, Dec. 10th from St. James Church, Summerside, Rev. Father McDonald officiating. The services were very largely attended. There were many Mass Cards from friends far and near. The pall bearers were Joseph Mathieson, Bennett DeGhan, Leo McQuigan, George Mayne, Thomas Hughes and William DeGhan. Mr. Murphy's loss came as a great shock as his brother, James A. Murphy, had been in church on Thursday, Dec. 8th to attend the services for the Feast of the Immaculate Conception. He took a week spell and passed away on Monday, Dec. 12th. Mr. Murphy was born at Lot 11 and was the son of the late Hon. Joseph Murphy who represented the 2nd District in the local House some years ago. His father was also the first registrar at the Court House, Summerside, after it was built. Mr. Murphy was a well known business man in Alberton, having lived there for a number of years. He was also the vendor until the last Government was returned to power. He was most highly esteemed in the district and his demise will be a distinct loss to the community. He was Liberal in politics and worked with zeal for his party. He was the same age as Mrs. Murphy's brother, who only predeceased him by four days. Mr. Murphy was married twice, his first wife was a Miss Read and his second, who survives him was Mrs. Joseph O'Connor. There were no children. There are left to mourn four brothers and one sister, namely Thomas and Bernard of Conway, Joseph of Summerside; Jasper in Worcester, Mass. and Mrs. James Kibbe, Portland, Maine. The funeral was held on Wednesday, Dec. 14th from his late residence to the Sacred Heart Church at Alberton. The services were conducted by Rev. Terrence Campbell, D. D. P. P., and were attended by many friends throughout the district. Interment was in the R. C. Cemetery.—S.

The second fur auction sale, to be held on Prince Edward Island took place yesterday at Rayner's fur auction rooms. There were no outstanding furs at the sale, but the offering was 40 percent larger than at the previous one. The quality was not up to the standard of the first sale, but there was keen the good quality skins. Black and extra dark were not in demand. \$54 was the top price paid. The average has not yet been figured up. Between 50 and 55 percent of the offering was sold. The balance will be shipped to the Paris sales. Buyers were present from Paris, Leipzig, Italy and Montreal.

BEREAVEMENT—Mr. William MacEwen was shocked and grieved to receive the sad news of the death of his sister Hannah, Mrs. (Rev. Dr.) A. A. MacKenzie at Beaumont, Texas, on December 5th, 1932. Mrs. MacKenzie since the death of her husband six years ago resided with her only son Maurice at Riverside, California. In June she and her son went to Beaumont to visit her only daughter Helen (Mrs. English). Maurice later went to London, England, but returned in time to take up his work of teaching at Riverside, California. His mother remained with her daughter till after Thanksgiving, and was ready to leave for her home, when she became critically ill. When the extreme seriousness became apparent, Maurice was notified, and arrived to see his mother before the end came after a brief illness of eleven days. She was laid beside her husband at Thibodeaux where they laboured so long. The remaining sisters are: Mrs. E. M. Bennett of Los Angeles, Calif.; Mrs. D. H. Murchison, York Pt., P.E.I., and one brother William on the old home at West River.

CHILD INJURED—Little Miss Glen McArthur, aged four years old, daughter of Mr. and Mrs. Gordon McArthur of Arlington, was brought to the Prince County Hospital on Wednesday morning suffering from severe injuries to her face and nose. The little child was playing near one of her father's horses when it struck out and kicked her in the face. The little girl is quite ill from the effects of the accident but has been made as comfortable as possible by the nurses and doctors. S.

DWELLING DESTROYED—A large dwelling house, the property of Mr. Roy E. MacLean, Lot 16, was completely destroyed by fire last evening. The fire which was discovered about 7.30, apparently originated in the attic from the fire. There was nobody home at the time. The building was heavily insured. The barn also caught fire, but was saved.

Advise Gently

Our advice must not fall like a violent storm, bearing down and those to drop whom it is meant to cherish and refresh. It must descend as the dew upon the tender herb, or like melting flakes of snow; the softer it falls, the longer it dwells upon and the deeper it sinks into the mind. If there are few who have the humility to receive advice as they ought, it is often because there are few who have the discretion to convey it by a proper vehicle, and to qualify the harshness and bitterness of reproof, against which wise nature is apt to revolt, by a mixture of sweetening and agreeable ingredients.

TESTS

What we can do for another is the test of powers; what we can suffer for another is the test of love.—Westcott.
