Indian Economy

MANY careful people have found that Red Rose Tea is very economical—that it yields more cups to the pound. That is because it consists largely of Assam-Indian teas, which are famous for their full-bodied richness and strength. They make Red Rose Tea go farther.

DEPORTATION OF BELGIAN MEN LEAVES WOMEN AND CHILDREN MORE HELPLESS THAN EVER - - - -

Neutral protests do not prevent the Germans from continuing the deportation and enslavement of the able-bodied men who were left in unhappy Belgium—and we are powerless to stop it until we have won the war.

Meanwhile the Neutral Commission for Relief in Belgium, administered without pay by great-hearted Americans, is saving the women and children from starvation. Here we CAN help promptly and effectively, by giving generously to the Belgian Relief Fund.

More contributions than ever are needed, because the higher prices of foodstuffs, particularly wheat, have seriously increased the cost of feeding these millions of dependent Belgians. How much can you spare the victims of one of the blackest, most cold-blooded crimes?

—MUSSEL MUD.— There is much activity at present in the mussel mud business, the hauling is good, farmers are getting their supply by team as well as by rail. —H.

—60th ANNIVERSARY.— Mr. and Mrs. John Foley, Kildare, celebrated the 60th anniversary of their marriage on the 15th inst. The event was made the occasion of the assembling of many friends at the home of the happy couple to felicitate them upon the occasion. A presentation of gold pieces accompanied by a happily worded address was made to the happy couple. Mr. Foley, who has passed the four score and ten milestone on life's highway, is one of the pioneers of the district and strongest among all of the many features in his life, the following is certainly worthy of remark, he never signed a note of hand and never paid one cent of interest.

—RED CROSS SOCIAL.— A very sociable evening was spent at the home of Mr. J. M. Laird, Kelvin Grove, on Wednesday the 14th inst. Over fifty people gathered together and the evening was spent in playing games, and in music. Everyone greatly enjoyed the old-time "Heart Songs." Lunch was served and a collection taken, which, with the sale of home made candy, amounted to the neat sum of fourteen dollars. The proceeds have been spent in buying knitting yarn, and the enthusiastic ladies of Kelvin Grove hope to have many a pleasant evening knitting for the aid and comfort of our boys at the front. The social was closed by singing the National Anthem.

—KELVIN GROVE.— The enterenterprising farmers in this vicinity of South West River, Mussel Beds are doing a rushing business hauling mud, taking advantage of the good roads which the thaw of February 10th left us. Miss Greta Clark has been visiting in Clinton and returned to her home in Summerside on Saturday. While there, she was the guest of Mrs. James Pickering Jr. Miss Lila Whitehead has returned home from the Prince County Hospital, having undergone an operation for appendicitis. Her friends hope to see her out soon again. A very successful entertainment and candy social was held in Clinton, Wednesday, February 7th. The hall was well filled and the best of order prevailed throughout the evening. The programme consisted of dialogues, recitations, quartettes, instrumental music, solos by Messrs Profit, Bentley and Campbell, and a duet by Mrs. George Riley and Harold MacLeod. At the close of the programme boxes of candy were auctioned. The proceeds for the evening amounted to over fifty dollars, which will be given in aid of Red Cross work.

—TWO CENTS per word each insertion for advetising in this column. Cash must accompany order. Minimum charge twenty-five cents.

—BAGPIPES PURCHASED.—The anomaly of an Acadian playing the Scottish national music may be witnessed in the Tignish district in a short time. Mr. Ben (Maxim) Perry, of Leoville, has bought a set of "pipes" from Mr. Joseph Gillis, piper, of Howlan Road. Ben (Maxim) is an artist at "Ye olde time Highlande airs," on the violin, and no doubt will make good at the "pibroch."— K

—A. O. H. DANCE.— The last of the series of the A. O. H. dances and whist, for the season, was held on Monday evening, a fairly large crowd was present. The special ladies' prize for whist, was awarded to Miss Nettie Arsenault, Summerside, while the men's prize, was won by Mr. J. J. McNally, Summerside. Dancing continued till after midnight. —H.

—POLICE COURT.— Chief of Police Oakes, in the discharge of his official duties was, on Monday morning obliged to board the early train for Charlottetown. He, however, secured his prisoner before reaching Kensington, where engaging a team he drove back to town and lodged his man in jail, it being still in the early hours of the morning. The citizens have every confidence in Chief Oakes as an official. —H.

—EXPERT CABALLERIENNE.—One of the finest exhibitions of skill in handling a fractious horse was furnished by Miss Mae Mill, of Springfield, on last Wednesday evening after the finish of the races on Long River ice. The crowd were getting to their homes quickly after the races were over. Miss Mill had her friend, Miss Lawless, of Graham's Road, in the rig with her. In rounding Fitzsimmons' Point, Miss Mill's horse was touched on the hocks by the sleigh, and started to run away. It looked to the spectators like the beginning of a bad accident, but Miss Mill's nerve never faltered. Standing up in the sleigh, she used the whip freely, and headed the horse for the uplands, and soon had him under control. The spectators breathed a sigh of relief when they saw that the danger was passed, and marvelled at the dexterity and nerve displayed by the young lady.—K

—KENSINGTON HIGH SCHOOL EXAMINATION.—The regular Christmas examination of Kensington High School which was postponed on account of the illness of the principal, Miss Dora Squarebriggs, was held a short time ago in the C.M.B.A. Hall. It was an innovation in examinations of Kensington High School. On account of the large number of pupils, and the limited space in the class-rooms of the school, it was suggested by the principal and her assistants, viz., Miss Hughes, Miss Graham and Miss Smith, that the examination be held in the C.M.B.A. Hall, which was almost filled by pupils and parents. The examination was conducted, according to program, and the toute ensemble of the whole affair reflected the skill and executive ability of the teaching staff of the school. The pupils marched to and from class recitals to piano music played by Miss Ella McMahon. The predominance of the military spirit was evidenced by flag drills and patriotic recitations. The pupils were examined by Mayor Jardine, James F. Profitt, James Pendergast and James A. Ready, B.A. Trustees and parents expressed themselves well pleased with the recitals of the different classes and grades. Special mention was made of the discipline and general deportment. The management of the "Strand" Theatre merit the thanks of the school district for their donation of the use of the hall for the event. The singing of "God Save the King" ended a pleasant afternoon for parents, pupils and teachers.

There is more Catarrh in this section of the country than all other diseases put together and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.
