## GREAT

# CLEARING OUT SALE

## Continues From Day to Day

This is a clean sweep sale from attic to cellar, from corner to corner of our big store, everything must be sold, only six more weeks in which to do it as the contractors take charge of the interior on January 15th, take out the old ceilings, put in new stairway, shelving, etc. So rather than pack away any of our stock we are going to clear it all out at from 25 to 50 per cent discount. Our stock is now so well known that it is unnecessary for us to enumerate the different lines we carry, but everything goes. This is a rare opportunity of securing high class goods at nearly one half their value. As we have been requested from time to time during the past two weeks by the working men of this city to keep our store open until 8 o'clock to enable them to do their buying at night, we have conceded to their request and will keep our store open till 8 o'clock for the next few weeks and would ask them to call as early as possible to enable us to close at the above time.

# S. A. McDonald

P. S. We have been asked from time to time during this big sale if it is our intention to retire from business permanently. We might here state that it is not. We will retire from business for a few weeks only last of January and first of February and will be open for business in the new store but the same old stand March 1st next, and will open up on a much larger scale. An important announcement in this connection will be made public shortly, but in the meantime we are too busy with our big sale.

Sincerely Yours  
S. A. McDONALD.

## REVOLUTION IN PORTUGAL IS REPORTED

PARIS, Nov. 30.—Reports representing that Portugal is on the eve of a revolution are received here with caution, for dispatches coming directly from that country have been censored and those indirectly across the frontier are held more or less under suspicion. Both the report of the banishment of the Crown Prince and the mutiny of the fleet are denied by the Portuguese embassy here; nevertheless arrests, the suspension of a newspaper and other repressive measures taken by what Premier Joseph Franco terms an administrative dictatorship, seem conclusive that matters in Portugal have entered upon a critical phase.

Nothing cures more quickly so get it today two sizes, 25c and \$1.00 at all dealers.

## PROSECUTING BOROUGH BANK MISMANAGERS

The Former Cashier to Appear as a Witness In Coming Trial

NEW YORK, Nov. 30.—It was stated tonight by one person interested in the prosecution that former cashier Artur D. Campbell, of the Borough Bank of Brooklyn would appear as a witness for the state when cases against other bankers who have had dealings with the Borough Bank were brought to trial. Campbell, himself, is under indictment on two charges of grand larceny and one of forgery, and though these charges will be pressed, it was said that he would maintain that his questionable acts were committed at the dictation of his superiors and that he was only technically guilty.

The grand jury of Kings county, which indicted certain Borough Bank and Jenkins Trust Company officials, completed its work today and will be discharged Friday. The bank investigation, however is not ended and the work begun by the present jury will be taken up by the December jury on Monday. This body will devote some time to the Borough Bank and the Jenkins Trust Company and then it is expected to look into the affairs of the Williamsburg Trust Company. Frank Jenkins, who, with his brothers, John G. Jr., and Fred., is under indictment in connection with the management of the Jenkins Trust Company, is president of the Williamsburg Trust Company. That company, it is said, made several loans that will be scrutinized.

### DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is no one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Halls Catarrh Cure. Send for circulars free.
