The Chauffeur's Song.

No. 271.

CHANGE IN WOMAN'S LIFE

Made Safe by Lydia E. Pinkham's Vegetable Compound.

Graniteville, Vt. - "I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing woman's ills such as inflammation, ulceration, fibroid tumors, irregularities, periodic pains and nervous prostration. And it is unequalled for carrying women safely through the period of change of life.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

Farm For Sale

William Laird of Cavendish offers for sale his valuable farm. It contains 100 acres of land with buildings. The residence is a comfortable house. The barns are roomy and have lately been remodelled. The land runs down to the shore, and there is situated on it an up-to-date lobster factory which may or may not be purchased with the farm as desired. From it and from kelp which gathers on the shore there is a large supply of valuable fertilizer. There is a cranberry bog which yields largely. The farm is in excellent heart. It is about 1/2 mile from church and school. This is a rare opportunity for anyone wishing to purchase a splendid property in a most desirable locality. 10-20dfm6pfd.

Let The IDEAL Do Your Work

Would you like to have all your work done promptly and efficiently at minimum cost? Would you like to have sure satisfactory protection in time of fire?
