

Special Train with Low Return Excursion Fares from Charlottetown to HOLMAN'S On Wednesday December 8th,

Eastern Shopping Day

R. T. Holman, Limited made arrangements with the railway—put up the necessary cash in order to secure the lowest excursion return fares from Charlottetown or any intermediate station to Summerside.

This will be the only excursion train that we will run from the East this year, and we are doing this in order to give our Eastern customers the same consideration as we gave our Western customers.

Parcel Room

Use the Parcel Room at the office door. There will be a person here to tie your parcels into one bundle—to check your parcels for delivery at the railway station, or to keep track of your parcels until you are ready to take charge of them.

GUIDES

A staff of Boy Guides will be employed for Wednesday to direct people to any department of the store that they wish to reach. Watch for them.

This will be the first, last and only Holman Special Train from Charlottetown this year. It will run storm or shine, leaving Charlottetown at 8 o'clock a. m. next Wednesday, Dec. 8th, returning will leave Summerside at 5.30 p. m., which will bring everybody home in good time from an enjoyable day's shopping.

There will also be reduced fares on the regular morning train from Tignish on the same day. The lowest possible excursion return tickets will be issued from all stations between Charlottetown and Holman's on Wednesday.

The day—the event—the inducements are of compelling significance. Every price—reduction offered will be for the one day—Wednesday, Dec 8th. Note the time in each case that the articles go on sale.

There will be no reservations—no goods sold on approbation—no mail orders accepted for goods advertised at the EASTERN DAY prices. Employees or anyone connected with this store cannot secure the goods advertised at the prices named. You must come to the store if you want to share in the phenomenal savings. It will pay you handsomely to come.
