

Going for Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Don't put yourself in this man's place, but keep a bottle of this remedy in your home. There is nothing so good for Colic, Cholera, Malaria, Dysentery, and Diarrhoea. It is equally valuable for Summer Complaint and Cholera Infantum and has saved the lives of more children than any other medicine in use.

NOW IS THE TIME

for summer suits. Something light in weight and pretty in design is what you want. We have in stock a very nice assortment of these, and ask you to call and see them as they are just the things you are looking for.

THIRTY FOUR DROWNED

KINGSTON, Jamaica, June 23.—Thirty four men were drowned, and seventeen are missing as the result of the accidental flooding of a large pipe leading from the electric power house at Bogwalk yesterday. Sixty seven men were engaged in cleaning the pipe, when, through some accident, water was turned into it and the men were washed into the river.

BE IN EARNEST.

Be in earnest about your health. Do not suppose that the headaches, backaches and other symptoms from which you suffer will pass away of their own accord instead of developing into serious and chronic disease. If you are subject to kidney, liver and bowel derangements there is no preparation which will be so helpful to you as Dr. Chase's Kidney-Liver Pills. One pill a dose.
