My baby suffered from terrible Eczema. Doctor and every remedy tried, to no account. He cried all the time and his face was like raw meat. I had to carry him on a pillow, and was fairly discouraged. I used half a box of CUTICURA (ointment) and CUTICURA SOAP, and in one week my baby was entirely cured. To-day his skin is as smooth as silk. Mrs. J. C. FREESE, 260 S. 1st St., Brooklyn, N.Y.

Prof. E. J. O'Brien, Phrenologist

Milburn's Heart and Nerve Pills Cured Him of Nervous Troubles and Sleeplessness—He Recommends Them to Many of His Patrons.

There is no phrenologist in Ontario better known or more favorably spoken of by all classes of the community than E. J. O'Brien Professor of Phrenology and scientific Palmistry, 303 Jarvis street, Toronto, Ont.

The Professor is no fortune teller, but an enthusiastic investigator, who has made a scientific study of phrenology and palmistry during the past 25 years, and stands to day at the head of his profession with members of Parliament, doctors, lawyers, judges, etc., among patrons.

The close confinement and severe strain on the nervous system which has profession necessarily entails could not help but make inroads even on a constitution as naturally robust as his.

His nervous system became undermined. He could not sleep at night, and was troubled with restlessness and twitching of the muscles.

Milburn's Heart and Nerve Pills have completely cured him, he is in the best of health today, and wrote us the following letter, which he has kindly allowed to be published for the benefit of suffering humanity.

Messrs. Milburn & Co.

"Gentlemen.—I have nothing but good words for Milburn's Heart and Nerve Pills. Never before have I publicly endorsed a medicine, and the only reason I do so now is because both my wife and myself have been cured of nervous troubles, and I think it is the only right that I should give my experience for the benefit of others.

"My business causes a great strain on the nerve force; and for some time prior to February last I was so nervous that my muscles twitched, and I was so restless at night that I could hardly sleep. Two boxes of these valuable

pills cured me, removing every indication of nerve weakness—and, what is still more to the point, the cure has proved to be a lasting one!

My wife, who has suffered with weak action of the heart, nervousness and lack of strength for some time, knowing that Milburn's Heart and Nerve Pills have cured me, started taking them also. The effect was remarkable! She has had no heart trouble since; they have strengthened her nerves, built up her system and made her strong and well again.

"I have frequently recommended these pills to my patrons who were suffering from heart and nerve troubles. Many have used them, and in all cases they have been entirely satisfactory.

"I remain yours truly,
E. J. O'BRIEN."

We have proved it time and again through the published testimony of hundreds of reputable citizens of Canada, that Milburn's Heart and Nerve Pills not only cure such complaints as those with which Prof. O'Brien and his wife were afflicted, but, in addition, are indicated in such diseases as weak, palpitation, irregular beating hearts, neuralgia, St. Vitus' Dance, spinal troubles, twitching, starting, etc. They positively cure faint spells and dizziness, dyspepsia, anaemia, female troubles, after effects of la-grippe and general debility. They build up the health and strength after serious sickness, enrich the blood and infuse new nerve energy into weak, worn-out systems.

Milburn's Heart and Nerve Pills are sold by all druggists at 50c a box, or 3 boxes for \$1.25, or sent by mail on receipt of price. T. Milburn & Co., Toronto, Ont.
