CHARLOTTETOWN'S BIG DEP. — WINTER STORE

Your New Overcoat

You want your overcoat to have FIT, STYLE and COMFORT all combined with highest quality of materials and you want it at a PRICE that will be to you a paying investment.

You throw your money away when you pay \$15.00 for an overcoat because an overcoat at \$15.00 is NO GOOD, it cannot possibly be any good, and hundreds of men have learned by actual experience, that money invested in cheap clothes, is money wasted.

We've been making overcoats for fifteen years, and we've had men come into our store this fall to order a new overcoat, and when we asked them about the coat they were wearing, they say—"You made this coat for me seven years ago" and the owner was well satisfied with his investment.

Now here is the point we want to impress on you.—Come here, order your overcoat, pay anywhere from \$22.00 to \$28.00 and your investment will pay you big dividends in STYLE, FIT and COMFORT.
