A.H.L. Goalie On Loan To Bruins Scores 3-0 Shutout Over Canadiens

BOSTON, Jan. 23 — (AP) — Gordon (Red) Henry, 22-year-old goaltender on 24-hour loan from the Hershey American Hockey League club, enabled the Boston Bruins to break their second-place National Hockey League tie with Montreal Canadiens by subjecting the Habitants to a 3-0 shutout tonight before a 13,900 crowd at the Boston Garden.

Young Henry was not called upon to make a stop until 19 minutes but then he turned back Montreal's blistering attack in skillful fashion.

Henry was brought up to fill in for Frankie Brimsek, called home to Eveleth, Minn., by the serious illness of his son. Last night in Montreal, Les Colvin, the Bruins' sub goalie, filled in and Canadiens gave the Bruins a 4-2 drubbing.

The Bruins wrapped up the game during the ninth minute when, with Canadiens playing short handed, Paul Ronty took a long pass from Pat Egan and blasted through goalie Bill Durnan from close range.

About four minutes later, Pete Babando, who is in a red hot scoring streak, notched his fifth tally in four games by converting a long pass from Murray Henderson.

The third Boston tally came in the third period when Johnny Peirson flipped in Little Kenny Smith's assist.

DETROIT 2, TORONTO 1

DETROIT, Jan. 23—(CP) —Gordon Howe tonight returned to the Detroit line-up after a 20-game layoff with a foot injury and scored the first goal as the Red Wings beat Toronto 2-1 to hold their wide first-place margin in the National Hockey League.

The same teams played a 2-2 draw in Toronto Saturday night. The loss spoilt Toronto's chance of breaking a fourth-place deadlock with Chicago Black Hawks.

A crowd of 14,448 saw Harry Watson of Toronto tie the score at 1-1 midway through the final period before Sid Abel bounced in a shot off Leaf goalie Walter (Turk) Broda's shin for the winning tally 2 1-2 minutes later.

It was the 101st goal in the National League for Abel, who served heroically as a penalty killer to carry the Red Wings through their seventh straight game without defeat.

The victory enabled Detroit to stay six points in front of Boston, which regained sole possession of second place by beating Montreal 3-0.

CHICAGO 2, NEW YORK 2

CHICAGO, Jan. 23 — (CP) — Chicago Black Hawks regained undisputed possession of fourth place in the National Hockey League tonight by playing New York Rangers to a 2-2 tie before 16,618 fans.

The effect of the tie, with Toronto's loss, was to put the Hawks one point up on the Leafs as the Rangers moved to within two points of fifth.

The Rangers led twice during the contest, remarkably clean despite the fast play. New York's Clint Albright hammered home a short one off an assist by Nick Mickoski.

Roy Conacher tied it up at 1-1 for the Hawks early in the second period. The Rangers pulled into a 2-1 lead at 7:27 of the heat, Mickoski counting an unassisted goal.

However, at 10:45, rookie Bert Olmstead and Jim Conacher of Chicago whizzed through New York's defence, the latter passing to Gus Bodnar, who though he broke his stick in half making the swipe at the puck, managed the tying goal.

TORONTO, Jan. 23 —(CP) — (CP)—Rookie Tod Sloan fired a third period goal Saturday night which lifted Toronto Maple Leafs into a fourth-place tie with Chicago Black Hawks in the National Hockey League race. His goal gave the Leafs a 2-2 tie with pace-setting Detroit Red Wings.

The 14,056 fans saw a game which produced flurries of spectacular play in the early stages but slipped almost to the realm of the ridiculous in the third when referee Ray Getliffe started a penalty parade which held up play almost 10 minutes.

Veteran Sid Abel of the Red Wings scored the 100th goal of his N.H.L. career in the final minute of the second period.

Getliffe got a tough ride from the fans. In the first two periods, when he penalized one Red Wing and two Leafs, they thought he was too lenient. When he cracked down in the third and gave Toronto five minor penalties and one 10-minute misconduct to one minor for Detroit they set up a deafening chorus of boos, hoots and whistles and littered the ice with debris.

The Leafs, in the opening period, outshot the Red Wings, 13-7, but were unable to score. Joe Klukay tallied the first goal in the opening minute of the second period. Detroit's Jim McFadden evened it up about 10 minutes later and the Wings went in front on Abel's goal with 43 seconds of play remaining.

Sloan flicked in his goal just after the Leafs had finished one of their stints with two men in the penalty box. The Red Wings fired 32 shots at Turk Broda while Harry Lumley had 30 Toronto shots to handle.

MONTREAL 4, BOSTON 2

MONTREAL, Jan. 23 —(CP)— Montreal Canadiens celebrated goalie Bill Durnan's 34th birthday Saturday night by hanging a 4-2 defeat on Boston Bruins before a jubilant crowd of 11,125.

The win lifted Canadiens into a second-place National Hockey League tie with the Bruins, who were without their ace goalie, Frank Brimsek.

Brimsek was called to his home because of the illness of his little son and Les Colvin, 29-year-old sub-goalie who formerly played with Shawinigan Falls, went into action.

The Bruins close-checking in a game rugged at times kept Canadiens from having a shot on goal in the first seven minutes. When the Montrealers moved into a lead the Bruins were forced to open up and three of the goals against Colvin came on breakaways.

Canadiens outshot Boston 26-16, and of the ten penalties, all minors, despite a couple of threatening brawls, Montreal drew six.

Another big program of sporting activity is scheduled for both Charlottetown and Summerside this week as far as present plans are concerned, with hockey and basketball being the feature attractions.

• • • •

Hockey activities will get underway at the Summerside Crystal arena on Tuesday night when the second scheduled City League encounter to be held there this season will see the second place P. W. C. Welshmen tangle with the Summerside All Stars.

• • • •

On Wednesday night the Charlottetown Forum will be the scene of a first class exhibition hockey encounter when the Saint John Beavers, recent leaders of the Maritime Big Four Hockey League, oppose the Charlottetown Abegweits, at the Y Grads Club annual hockey night. In connection with the hockey night program, Grads officials announced last night that the sale of tickets for Wednesday night's game is meeting with wide response from the general public and everything points to it being a sell-out affair, so all you fans who have not already obtained your tickets for the big event better get them soon if you want to be on hand to see the boys in action.

• • • •

Another big feature on the hockey roster for this week will be the Central Section Hockey League encounter between the Saint Joseph Blue Eagles and the Abbies at the Forum Thursday night. The game will give the local team the opportunity of forging ahead of the Amherst Ramblers for sole possession of the league leadership. Both teams are tied for first place at the present time with six points apiece as the result of the Abbies two week-end victories on the mainland against Springhill and Saint Joseph.

• • • •

Friday night's activities at the Forum will be the Prince Street School annual ice sports which will present a full program of speed skating competitions and other novelty events as well as an exhibition hockey match between the P. S. S. school team and the Midget Abbies.

• • • •

Basketball highlights this week in Island Physical Fitness League competition will get underway with a double header feature at the Summerside airport on Wednesday night when Ray's Millionaires tangle with the Western R. C. A. F. squad, while the second game will see the P. W. C. hoopsters pitted against the Summerside Schurman's. At the P. W. C. Auditorium the same night the S. D. U. quintette will meet the Recce hoopsters in a regular league fixture.

• • • •

The second twin bill basketball feature for the week will be held on Saturday night at the P. W. C. Auditorium with S. D. U. meeting P. W. C. in the first half of the card while Ray's Millionaires and the Recce hoopsters will make up the second half of the double feature.

• • • •

In hockey, there is also a possibility of a second City League fixture being held at the Forum Saturday night between Navy and S. D. U. but plans for this game are not definite at the moment.

• • • •

With the approach of the Confederation Bonspiel and the playdowns for the Consols Trophy which will determine the rink to represent the Province in the Dominion Tankard play at Hamilton, there is stepped-up interest in the mid-season curling program.

• • • •

At the Charlottetown Club two important competitions get underway this evening. Junior curlers (those with not more than four years experience) will be playing off to select a rink to represent the club in the Provincial junior playdowns in Alberton February 9th. In another bracket senior curlers will form strong rinks to playoff for the Sentner Trophy.

• • • •

On February 2nd rinks from Alberton, Montague, Summerside and Charlottetown will meet at the city rink to compete in a series for the Island championship. Thus far the only club to name rinks in the competition has been the Charlottetown Club. An inter-rink competition saw veteran curlers knock-off stiff opposition from younger players to emerge into the Provincial series.

• • • •

Two other important trophies yet to be competed for are the Gaboury and McArthur cups. Charlottetown holds the McArthur Challenge Trophy and Montague the Gaboury. It is reported that Summerside has a challenge in for the McArthur silverware. A number of teams may represent clubs in these competitions and the winner is decided on a total score basis.

DETROIT, Jan. 23—(AP)—Boston Bruins' National Hockey League game with league-leading Detroit here Feb. 20 will be played Feb. 21 instead. The Detroit club announced the switch Saturday to clear the way for a Sunday appearance of Sonja Henie's ice show.

Recce And Ray's Win Week-end Hoop Games

The Charlottetown Recce hoop squad notched up their fifth straight victory by defeating the Saint Dunstan's University quintette by a score of 51-43 in the first game of a double header feature in the Island Physical Fitness Basketball League at the Prince of Wales College Auditorium Saturday night. The win places Recce well out in front for undisputed league leadership and was the cause of the Saint's first defeat in three starts this season.

The game was a closely contested, fast moving affair which exhibited plenty of smart ball handling and accurate basketshooting which saw the winners only holding a 32-31 advantage at the end of the first half. Recce held the edge on the play during the second half and by continually breaking up the Saints passing attacks outshot them 19-12 to take the match by an eight-point margin.

Big Len Michaelson, sharpshooting Recce centre was the top point-getter during the match with a total of 22 points, while his forward teammate MacLean ran him a close second with 18 points. Buckless was high scorer for the S.D.U. quintette by notching up 15 points.

The Collegians, outpointing their opponents 19-15 in the first half, met stronger and more determined opposition from Ray's in the second and although the battle was a nip and tuck affair all the way, Ray's led by sharpshooting Earle Nicholson, in a last four-minute scoring spree topped them out by a three-point margin. Nicholson was the high scorer in the encounter, garnering a total of 20 points, while the two P.W.C. forwards, Pierce and Crockett shared second and third place honors with 15 and 14 points respectively.

P.S.S. Teams Win At Montague

The boys' and girls' teams from Prince Street School won both decisions over the Montague High School boys' and girls' squads in the double hockey feature at Montague rink on Saturday night.

The games were evenly contested affairs which produced plenty of action, with the City School teams only winning out by a one-goal margin in both instances.

In the boys' game, the P. S. S. squad won out by the score of 8-7 over their Montague rivals, who held a definite edge on the play for the first two periods with the score reading 6-2 for Montague at the end of that time. It was in a terrific third period scoring spree that the P. S. S. boys showed their ability by banging in six goals to their opponents' one, to win out by a slim one-goal margin.

The girls' game was also a well played nip and tuck encounter, with little to choose between either team in playing ability, but the P. S. S. team had just enough of that extra scoring punch to put them out in front by one goal to win by a score of 2-1.

Bob Feller Expects $10,000 Salary Cut

NEW YORK, Jan. 23 — (AP)— Bob Feller expects to take a $10,000 cut in salary next season but he will still be baseball's highest-paid pitcher.

The fireball right-hander of the world-champion Cleveland Indians is slated to meet with Tribe owner Bill Veeck early this week to discuss his contract.

Although hardly discouraged by his failure to notch 20 victories last season for the fist time in six complete seasons, Feller agrees with Veeck that a cut is forthcoming. Bob earned $82,500 in 1948.
