The Home Paper.

"Your paper tells you when to go to church, the county court and probate court," says an eminent clergyman, "and when to send your children to school. It tells you who is dead, who is married, who is sick, who is born and many other things you would not know. It calls attention to public enterprise, and advocates the best schools, of law and order in town. It records the marriage of your daughter, the death of your son and the illness of your wife, free of charge. It sets forth the advantages and attractions of your town, invites immigration and is the first to welcome newcomers. Yet, in spite of all these benefits, some people say the home paper is not half as good as some outside paper and that no interest in their business or success. The home paper, like the church, is too often neglected by those who are benefited by it."

PUMPKIN PIE AND TURKEY.

From Seed to Linen

"First the seed; then the pumpkin; then the pie."
"No seed no pumpkin; no pumpkin, no pie."
"And what is a Thanksgiving dinner without the pie?"
"But before the pie comes the turkey, and first of all comes the table linen."
"That's the point."
"Thanksgiving Table Linens" thus: "This is your seed time and the harvest you shall reap is phenomenal. The world's greatest values in quality and design are before you for your selection in our linen department. Do you want a harvest? If so do your part. Buy white aprons and give the dress a Puritan turn on this occasion which especially perpetuates Old New England memories and customs."
Some white linen at a thanksgiving price for to-day only.
Good wide unbleached linen, 15c, 20c, 27c, 33c, 40c, 45c, 50c, and 65c. This latter is a beauty.

THE BY-ELECTIONS

Nominations Dec. 7 and
Polling Dec. 14.

Six Seats Vacant, Five Elections On—The Late Members, Their Party Color and Majorities They Had—How the Vacancies Occurred.

OTTAWA, Nov. 22—[Special]—The dates of the by-elections for all vacancies but one are announced. Writs are out for simultaneous elections as follows:

Nominations, Dec. 7; elections, Dec. 14, in Bagot, Montmagny, West Lambton, North Simcoe and East Prince.

West Huron is not yet fixed.

In the general election of 1896 these electoral divisions returned members as follows:

Bagot, Que., Dupont, Conservative, by acclamation.

Montmagny, Que., Choquette, Liberal, 242 majority.

West Lambton, Ont., Lister, Liberal, 1,158 majority.

North Simcoe, Ont., McCarthy, Independent, 1,107 majority.

East Prince, P. E. I., Yeo, Liberal, 117 majority.

West Huron, Ont., Cameron, Liberal, 317 majority.

The vacancies occurred in North Simcoe and Bagot by the death of the sitting members, Messrs. Dalton McCarthy and Dupont, both of whom received accidental injuries from which they died.

Mr. McCarthy was injured by his horse running away and throwing him from a carriage. Mr. Dupont received fatal injuries in a railway accident.

The vacancy in Lambton arose by the appointment of the sitting member, Lister, to a judgeship. The same cause made the vacancy in Montmagny, Mr. Choquette being appointed a judge.

In West Huron, Cameron, since deceased, was made Governor of the North West. In Prince the elevation of Mr. Yeo to a senatorship causes the vacancy.

Sheriff Gaffney is appointed Returning Officer for East Prince.

TRADE AND SHIPPING

There was a slim attendance at the market yesterday owing no doubt to the disagreeable weather and extremely bad roads. There are no important changes in prices.

Reports from the creameries and cheese factories of Manitoba show that the production of the creamery butter for the year will be about 987,000 pounds and cheese about the same amount. The price realized has been about half a cent a pound higher than last season.

APPLE EXPORT TRADE.

There was a very fair crop of apples in certain Ontario districts this year, and the export trade in them was extended somewhat. Quite a lot were shipped to Winnipeg. A Toronto firm shipped a large lot to Finland, this being the first shipment of Canadian apples ever made to Russia, and it is thought that quite a large export trade can be maintained with points in Russia. There has been much complaint in Pacific coast cities about the manner in which fruits by steamer from California arrive there, and with favorable freight rates and refrigerator cars eastern Canadian fruit might be placed on the British Columbia markets with advantage to buyers and sellers. The export trade in apples with Great Britain, France and Belgium this season has been a good one and money has been made on good second fruit.

THE CHEESE MARKETS.

The statistical position of the cheese markets on this side of the Atlantic is more satisfactory now than it was a year ago. Most of the Ontario factories east of Toronto have sold their make and there is said to be much less held by factorymen in the west than at this time last year.—Ex.

DIDN'T WITHDRAW

But Will Decline the American Offer.

Spain's Proposal to Arbitrate Rejected—English Papers Praise American Generosity—Suffering in Japan.

PARIS, Nov. 22.—[Special]—Spain has not withdrawn from the peace conference.

The belief is that Spain will decline the twenty millions of money and will not cede the Philippine islands, but will bow to superior force, leaving the Americans in charge.

Spain's proposition to invoke the offices of a third power to construe the words "control, disposition and government of the Philippines" was rejected by the American commissioners on the ground that the dictation of the third article of the protocol, dealing with the Philippines, is so broad and clear as to afford no justification for arbitrations as between the parties to the agreement.

LONDON, Nov. 22.—[Special]—The English papers call the American peace offer at Paris a generous and particularly large monetary grant under the circumstances.

They also praise the open door policy of the Americans in regard to the Philippines. They think it will prevail in the West Indies also.

Mrs. Hayden of Elmsdale—Her Body Found in a Well—Inquest To-Day—George Finlay, St. John, Drowns Himself.

SUMMERSIDE, Nov. 22.—[Special]—A particularly sad case occurred this morning at Elmsdale. Mrs. Hayden, wife of Mr. Leamuel Hayden who has been suffering from nervous trouble for about a week past, ended her life by suicide.

Early this morning before the family were up she left the house in her night clothes and this forenoon her dead body was found in a well about three quarters of a mile from her home.

She was about fifty years of age and leaves a husband and family of five children, who have the sympathy of the entire community in their affliction. The inquest will be held to-morrow.

St. John, Nov. 22.—[Special]—George Finlay aged 21, brother of police officer Finlay, while ill at the Public Hospital, escaped and went to the Ballast Wharf, loaded his pockets with stones and jumped over. His dead body was recovered.
