Croup Comes Suddenly.

HENCE THE WISDOM OF KEEPING IN THE HOUSE THE MOST EFFECTIVE CURE.

Dr. CHASE'S SYRUP OF LINSEED and TURPENTINE.

Slight hoarseness in the evening is the only warning of croup. About midnight the child awakes coughing—that peculiar, metallic cough called croup, and which strikes terror to the mother's heart.

Then begins the struggle for breath, and if relief is to be obtained treatment must be prompt and effective.

Anyone who has tested Dr. Chase's Syrup of Linseed and Turpentine as a cure for croup will not hesitate to pronounce it an unqualified success.

It is wonderfully prompt in loosening the cough, clearing the air passages of the head, and soothing the excited nerves.

People who realize the suddenness with which croup comes on, and the danger which accompanies it, usually keep some of Dr. Chase's Syrup of Linseed and Turpentine in the house for use in case of emergency.

For bronchitis, whooping cough, asthma and every form of throat and bronchial trouble, this great family medicine is a quick and certain cure.

Mrs. Clarence Slaunwhite, Mahone Bay, N.S., writes: "My husband has been using Dr. Chase's Syrup of Linseed and Turpentine for bronchial trouble and finds that it has done him a great amount of good."

There are imitations of Dr. Chase's Syrup of Linseed and Turpentine. Be sure you see the portrait and signature of Dr. A. W. Chase, the famous receipt book author, on the bottle you buy.

Cured His Mother of Rheumatism. "My mother has been a sufferer for any years from rheumatism," says W. H. Howard of Husband, Pennsylvania.

"At times she was unable to move at all while at all times walking was painful I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk.

An occasional application of Pain Balm keeps away the pain that she was formerly troubled with. For sale by all druggists.
