Roll of schools was then called, eleven being represented out of thirteen. Rev J. B. S. and Canada and further resolved that a copy of the above be sent to Sir Frederick Borden minister of militia. Moved by Rev Geo Steel, Sec.—by Rev Wm McLeod. Second resolution. Whereas the C. P. R. began on the first Sunday in July to run passenger trains in the province of N. B. thereby disturbing the quiet of the Lord's Day in many communities and depriving many employees of rest on that day, therefore resolved that we express our strong disapproval of the conduct of the C. P. R. in running trains as above believing it to be opposed to the material and moral interest of the people and meeting of the people and meeting of the people. # CANADA'S RECORD UPHELD

BISLEY CAMP, July 23.—There will be sixteen Canadians in the second stage of the King's Prize. Bayless was the only Canadian who failed to qualify. Last year twelve Canadians fired in the second stage and seven got into the finals. Out of sixteen competitors in which the colonials took part this year the Mother Country won 8, Canada 7, and Australia 1. When it is considered that there are only 26 Canadians shooting against more than 3000 of the Mother country this is a good record. These 25 are picked shots but they are picked from less than 500 shooters in the D. R. A., so that a huge advantage is still with the Mother country.

# SUNDAY SCHOOL CONVENTION AT CLIFTON

CLIFTON, July 21.—The Fifteenth Semi-annual Sabbath School Convention of the Kensington District, met in Clifton Presbyterian church, Tuesday afternoon July 13th. First session opened at 2.30 and was very well attended, much interest being taken by all present. In the absence of Rev H. Pierce, the meeting was opened by Rev A. D. Stirling, President for the District. After devotional exercises, and reading of minutes, very encouraging reports were given from the various Sabbath Schools.

A. J. McLeod gave a most instructive address on "The Preparation of the Lesson," which called forth a lively discussion. Rev J. C. Stirling spoke very interestingly on "The Home Department." He gave very convincing reasons why every Sabbath School should have a Home Department, and considered it one of the most important branches of Sabbath School work, bringing the parents to a fuller realization of their responsibilities in regard to the spiritual training of their children.

Rev J. B. Ganong, Field Secretary, gave an excellent address on "Adult class and Teacher Training." He alluded to the absence of Jas. Carruthers, of Bedoué, and expressed the sympathy of the convention for Mr Carruthers and family in their late bereavement. The evening session was attended by a very large congregation. Devotional exercises were led by Rev A. D. Stirling. Nominating committee reported as follows:— Pres.—Rev A. D. Stirling, re-elected.

Sec Treas.—T. W. Bentley. Supt. Teacher Training—Mrs J. B. Gough, re-elected. Supt. Home Department—Thos Moysse, re-elected. A very helpful paper was read by Miss Annie Sharpe, on "Individual Responsibility." Every church seems to have in it two separate classes, the workers, and those who look on—the spectators. Why should this be? Why do we not put into our religious life as much of energy, ambition, and enthusiasm as we put into our worldly pursuits?

Rev J. B. Gough spoke on a subject worthy of much consideration—"Social Life in the Sabbath School" and was followed by Rev J. T. Ganong who spoke of the old fashioned idea of Christian work being a duty or obligation. But we should look upon it as a great opportunity—a God-given privilege. In Heaven, our opportunities may be over. This life is a life of service. The thanks of the Convention were tendered to Miss Murray, for her kindness in taking charge of the music, which was such a help to all present, and also for the great enjoyment afforded by her beautiful rendering of the solo—"My sin Country." Convention was brought to a close by the Benediction, pronounced by Rev J. B. Ganong.
