

J. Mac O'Brien, South Nelson, N.B., telegraphed us the following yesterday. "Races Chatham, N.B. Labor Day, September 1st. Big purses for Free for All and two other fast classes. Also County Race for non-record horses. This is the second meeting for the revamped, renovated Chatham track this year and no doubt it will be favored with a big attendance and plenty of horses. Chatham is situated in a splendid section of New Brunswick with good roads in many directions. The track is under excellent management and we bespeak the patronage of all horsemen and horsemen friends for it."

S. Thane Belyea writes us from Charlottetown, N.B., that he had a letter from Harry Jewett, Vancouver, a few days ago. Harry is real homesick to see the races at Charlottetown. Old Home Week and wants to tell all the boys he was asking for them and sorry he cannot track near Vancouver and Harry and an old friend of his went to see the opening day's races at one of the tracks. They started racing June 28th and continued for 42 days. Harry says any horse can run but it takes skill and patience to make a good trotter or pacer, and it takes a lot more than the runners to give a thrill like many we got at Old Home Week last year at Charlottetown. He received a copy of the program for Old Home Week this year and it made him more homesick than ever.

Dr. Dave McKenzie, noted Montreal specialist, whose friends are legion in this province, is relaxing with a holiday trip to Flat River. On Tuesday he was up behind Dr. Sman's Frisco Budlong for a few trips around the track. Dr. Dave is an accomplished horseman and for many years went horseback riding every morning to keep fit.

June Evans 2:10-1-2 has changed hands and this good trotter is now owned by Willard MacDonald, who has made such a success with Dodge motor cars. We hope June Evans will make good for him too and give him plenty of pleasure.

David W. Griffiths writes us from Fredericton, N.B., that he hopes to spend at least a couple of days here Old Home Week. Dave was formerly secretary of the Fredericton Exhibition races and is well and favorably known to hundreds of horsemen. We are sure they will be glad to see him.

Hal B., who writes a column on the harness horse in the Toronto Star, has the following regarding the good Peter McKillop 2:15-1-2, owned by Herbert Hatch of Toronto. We quote: "Peter McKillop is, we believe, the last living son in Canada of the wonder sire Peter the Great, and has proved himself a much better sire than is usually credited to him." We correct our worthy contemporary—Kalmuck 2:07-1-2 son of Peter the Great 2:07-1-2 is still living and going strong at Willard Kelly's farm, Southport. Several of the get of Kalmuck have raced to fast records and more are on the way.

Things are getting quite lively at the Charlottetown race track with new horses moving in every few hours. Last night there was a big contingent and tonight will probably see all or almost all of the entries headed down in their stalls contentedly looking forward to the contests of next week. It is interesting to go around and renew friendships of many years and we are sure our horsemen friends enjoy this too, as everywhere you look, knots of them are in conversation, recalling battles of the past or incidents, humorous or otherwise.

Number one raconteur is Professor S. A. Rockford, who has shaken it up many years and appears as agile and full of vim as a boy now that he is manager of the Merrytime Stables, Halifax. By the way, he showed up a good pacer on Thursday in Gratton Queen 2:16-1-4. She stepped the last quarter of a 225 mile in 32 seconds in company with Watchin 2:11-1-2. We liked her.

Below will be found the race program for Old Home Week, giving the order of racing. There will be 14 or more classes as the Three Year Old Futurity is being divided into a Trot and Pace and the 2:22 class is made into two divisions. Tuesday's program with the Three Year Old Pacing and Trotting Futurities, the 2:13 Trot and Pace and the 2:22 Trot, will be as good as any of the four. Many are predicting a terrific battle in the pace between Raymond Budlong 2:15, Hilda Budlong 2:20 1-4 and Bonnie Budlong.

## Golf tourney To open here This afternoon

The first round of the Provincial Men's Golf Championship is definitely on for this afternoon, it was announced here yesterday. The play today will be at the Belvedere Golf Course here and will start at 2:15 o'clock Daylight Time. Summerize spokesmen say that golfers are bringing down as many golfers as possible and Charlottetown golfers are asked to turn out in as large numbers as possible. Due to the difference in time between Charlottetown and Summerside the committee have decided to start some of the Charlottetown players off first, and Charlottetown golfers are asked to be on hand early.

The draw will be made at the clubhouse here and no eligible player will be barred.

## Victory of Bill Gallon in the Hambleton Stake, richest trotting purse of the year, in which the winner received \$20,365, the result of hundreds of nominations in the Futurity, was not exactly a sure thing as Bill Gallon had been beaten twice previously this season. The fastest heat was 2:05 1-2.

At New Glasgow, N.S., last Wednesday, four races were staged before a very appreciative audience of 2,500, the largest gathering to grace a race meet at New Glasgow in years. The 2:28 Trot and Pace was won in straight heats by Johnny MacMillan's Little Fox, who lowered his record from 2:18 to 2:16 1-2 in the first heat. Joe O'Brien's improved pacer Peter Reamore was 2-3-3 and the trotter Shirley L. 3-3-4. June Peters, a New Glasgow owned mare, was 5-4-2.

The 2:23 Trot and Pace was won by Oakhurst Queen 2:11 driven by Billy Hood, in straight heats. Peter at-Court 2:12 1-4 with Johnny Conroy up, was 3-2-4. Silent Joe 2:12 1-4, 4-5-3, and D'nah G., driven by Mike Jabblee, 6-3-2. The trotter Peter Pin 2:14 1-2 was 5-4-5 and Tom Ebers' free-legged pacer Skipplady, 2-6-5. Time 2:15 1-4, 2:14, 2:17.

The 2:16 Trot and Pace resulted in considerable of a surprise when USCita Britton 2:09 won every heat from a class field. She was ably handled by E. Semple, son of Tyrndal Semple, San Ton 2:08, driven by Johnny Conroy, was 6-2-2, and Albert E. Gratton 2:12 with Pat McKenna handling the ribbons, was 2-4-4. Major Bowes 2:10 1-4, driven by Joe O'Brien, was 3-3-3. Hal Britton 2:09 3-4 was 4-5-5. Calmet Duds 5-8 dr. Time 2:13 2:10 1-2 2:10.

Two-ten miles are quite common for USCita Britton this season as she paced one in that notch at Montague and another in 2:09, which is her record. She looks like the best of the Great Britton's foaled in the Maritimes.

If the 2:16 Trot and Pace was a surprise the Free for All was a bigger one, which the supposed outsider, Volrida 2:08 1-2 won with a summary of 3-1-1. Jane Azoff or Sully was expected to win. Jane won the first heat in 2:10 flat, two seconds slower than the record by Jane over the same track last year. Volrida won the next two heats in 2:11 1-4 and 2:10 1-4. Aaron L. went an excellent race with a summary of 2-2-3, Joe Direct 4-4-4, Sully 6-5-5, and Tracey Hanover 2:03, 5-6-6. The above concluded an excellent meeting. Most of the horses shipped for Charlottetown yesterday.

## Bobby Gray Of Toronto Shoots Torrid 65 To Take Lead In Canadian Open

By Jim Coleman  
Canadian Press Staff Writer  
TORONTO, Aug. 8.—(CP)—Handsome Bobby Gray, Jr., hard-hitting Toronto professional, shot a torrid five-under-par 65 over the tricky Lambton Golf and Country Club today to take a two-stroke lead at the midway post in the Canadian Open Championship.

His course-hatting 65, coupled with a 70 in the opening round yesterday, gave him a total of 135 and set Dominion goldom agog at the possibility of a Canadian winning the title for the first time in 27 years.

Sisganger along in Gray's wake, the top-flight United States contingent was led by Johnny (Boonoo) Bulla, the fellow who plays with drug-store golf ball. Bulla had a 69 today which he hitched to an opening round 68 for a 137-1-stal. Tom Draper, Jr., the St. Louis

## 48 entrants In N.B.-P.E.I. Junior tourney

SAINT JOHN, N.B., Aug. 8.—(CP)—Forty-eight golfers were entered tonight in the 1941 New Brunswick-Prince Edward Island Junior Golf Championship which will be staged on the course of the Riverside Golf and Country Club Monday.

Thirty-six holes of medal play, 18 in the morning and 18 in the afternoon will decide this year's champion. George Steele of the Riverside Golf and Country Club is the defending champion. He won last year's tournament with a 39-hole total of 162.

Fifteen players are entered from the Riverside Club, 10 from Westfield, seven from Woodstock, six from Portland Place, (Saint John), three from Riverview, (Moncton), Two from Ridgewood (Saint John), two from Algonquin, (St. Andrews), two from St. Croix (Calais, Me.), and one from Antigonish.

Entrants are expected also from the Fredericton Golf Club, Armstrong Club of Perth, N.B., Amherst and Charlottetown Golf Clubs before entries close Sunday afternoon.

## Brooks Regain Top; Cub Rookie Hurls One-hitter

BROOKLYN, Aug. 8.—(AP)—The hustling Brooklyn Dodgers regained first place in the National League today by bullying Boston Braves 6-2 as Whitlow Wyatt rolled to his 15th triumph with a six-hit performance.

This gave the Dodgers a .647 percentage compared to .644 for the idle St. Louis Cardinals, although the two rivals are tied in won-lost computation.

It was Brooklyn's seventh straight victory and the Dodgers made it decisive with a dozen hits off Jim Tobin.

For three straight games Norman (Babe) Young hit a home run while the New York Giants lost, but he connected for his fourth in a row and brought the Giants a 3-2 league victory over the Phillies in the 11th inning at New York.

## Boston's jinx Over Senators Still intact

BOSTON, Aug. 8.—(AP)—Washington Senators, who haven't won a game this season in Boston, never had a chance today to break that spell as the Red Sox let loose with a six-run barrage in the first inning and coasted to a 15-8 victory.

In chalking up their sixth straight home victory over the Senators, the Red Sox chased Steve Sundra from the box in the opening inning and then registered another six-run rally in the seventh off reliever Arnold Anderson, with the help of three Washington errors.

Jimmy Poxe led the 16-hit Boston assault with four-for-five. Manager Joe Carrin, in his only official time at bat, blasted his eighth home run of the year.

At St. Louis, the Browns may be able to beat the Yankees but they are meat for Chicago White Sox, who might be in first place in the league instead of fourth if they could play the Browns every day.

## P. E. I. Gunners

Leut. Horace Trites of Sackville, N.B., the gun position officer, shouted his orders through a megaphone or passed them on to the gunners by a loud-speaker system, operated by Gns. L. H. Sherman and P. P. Mahar, both of Charlottetown.

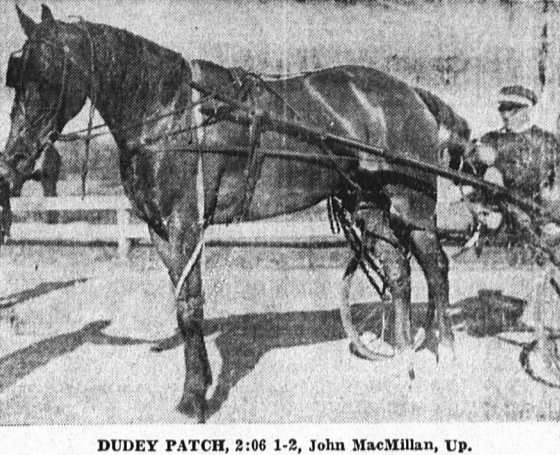

The tremendous piece of artillery jumped as it was fired, the shell could be seen for a second as it shot into the sky and the smell of burning cordite filled the air. The gunners reloaded rapidly and after another one got in unison with other guns of the battery.

The P.E.I. troop was commanded for this show by Leut. J. F. Wolfe of Toronto and worked with another troop under command of Leut. Herbert Morrison of Montreal.

Regul. P.E.I. troop commander is Capt. Walter Andrew of East Royalty, P.E.I., who was away on a course.

Firing another gun doing particularly accurate work was a crew commanded by Sgt. Bill Dennis of Charlottetown, brother of Ralph Dennis of the championship crew. The crew was: Bdr. Tom Matheson, Gns. Ted Morrison, J. R. Smith, Wined Gallant, brother of "Scull" Gallant, all of Charlottetown, N. F. McIntosh, Joe Lewis, both of Scuris, T. A. Murphy of St. Louis, P.E.I., Joe McMahon of St. Columbia, E.I., D. J. Bryan of St. Margarets.

## When The Bell Rings At Charlottetown

## Visitor To Exhibition Grounds Gets Big Thrill

Decked out in full holiday attire, with white and green colors predominating the Charlottetown Driving Park and Exhibition presents a pleasing sight as the opening day of Old Home Week nears. It is a beehive of activity as carpenters, painters, horsemen and others hurry about putting the finishing touches on the big plant that from Tuesday until Friday night next, August 12th to 15th, will be turned into a veritable fairland, as thousands upon thousands of Islanders and many visitors from the mainland flock here for Canada's outstanding summer show.

And it appears as if this year's show is going to surpass even the sensational ones that have preceded it. As one walks around the grounds the very air seems charged with a feeling of something big about to happen. It hits even the most casual visitor and you walk away with the strongest conviction that you just will have to take the show in.

In fact you feel you can't afford to miss it. On display will be the cream of the Island livestock, tributes to the efforts of Island farmers; gorgeous and beautifully costumed girls will entrance you. Lynch's big midway providing fun for young and old will chase your cares away; thrilling acts by world famous artists on high wires and trapezes will hold you spell-bound and then climaxing it all is the big four day race meet with close to a hundred horses entered.

And as you walk over to the stables where the trotters and pacers are comfortably quartered you suddenly realize why the province is called the "Kentucky of Canada." Sleek, well-groomed horses greet your eye in every stall as grooms scurry back and forth at various jobs; some are polishing harness; others are walking their charge after a stiff workout; others are applying bandages and all being done with the utmost care so that the horses will be fit and ready to answer the starters bell.

As you glance out to the smooth, lightning-like track you hear the pound of hoofs and suddenly you see three or four horses pounding up the back stretch in a workout. Dozens of eyes follow their progress and as they come back to the barns many and varied are the remarks you hear. Many watches have caught the mile and if it had been fast it is a dollar to a doughnut that it will be jogged down in memory for race day.

## Tennis ch'ships Regain form

RYE, N.Y., Aug. 8.—(AP)—Tennis form finally found its way back into the Eastern United States Grass Court Tennis Championships today as Don McNeill and Frank Kovacs won semi-final berths in the men's singles and Pauline Betz and Mrs. Sarah Palfrey Cooke advanced to the women's finals.

McNeill, United States Champion, and Kovacs, the country's third-ranking player, easily disposed of William Talbert of Cincinnati and Ted Schroeder of Glendale, Calif. Their semi-final opponents were Wayne Sabin and Bryan (Betsy) Grant, who advanced by the upset route over top-seeded Bobby Riggs and Frank Parker yesterday.

It looked bad for McNeill at one stage today, but after trailing 1-3 in the first set, he gained control of his shots, won three games in a row and went on to win 7-5, 6-3. After he had held his serve four times only to lose out, Talbert offered little opposition in the second set.

Kovacs won five games in a row before Schroeder broke through in the first set, then overcame stubborn resistance to beat the young Californian 6-2, 7-5.

Miss Betz, the top-seeded woman star from Los Angeles, escaped being upset as she eliminated third-ranked Dorothy Bundy of Santa Monica, Calif., 6-6, 6-3, 6-6.

Mrs. Cooke, seeded second, earned a 6-2, 6-3 victory over Mary Arnold of Los Angeles.
