Mr. Edward J. Arsenault presided. An interesting discussion was delivered by the teacher who complimented the trustees and people of the district for their cooperation. He also congratulated the boys of his class for doing such a fine job with the school rink. This rink, said Mr. Arsenault, is an asset to the school because the boys of this community do not have many home chores to perform and the rink or some other clean amusement is necessary for the mental and physical welfare of our boys. In closing he made a very strong appeal to the parents to continue the good work and to support St. Thomas Aquinas Society. Messrs. Ben Pitre and Edward Arsenault, representing the School Board, supported Mr. Arsenault's appeal. They were pleased with all that had accomplished to improve the school and his methods were interesting to the children, who were anxious to attend class regularly. They also understood that a small rink was a boon to the school boys who spent all their recreation periods in clean, healthy sport. They were pleased to know that some of the senior

girls were receiving music lessons from one of the Sisters at the Tignish Convent. The meeting closed with the singing of O Canada.

ENTHRALLING 20TH CENTURY-FOX HIT HAILED AS ROMANTIC FILM TRIUMPH

Acclaimed as one of the most unusual and heart-warming screen entertainments ever filmed, "Sentimental Journey" the new 20th Century-Fox hit starring John Payne, Maureen O'Hara and William Bendix, and featuring the sensational nine-year-old Connie Marshall, opened yesterday at the Capitol.

The frank and dramatic story of a woman's secret heart and the passion of a man who loved her... but never really knew her... but journey is said to achieve unforgettable moments of tender and poignant entertainment. Called a story every woman will understand and every man will wish he could experience reaches a climax of tremendous emotional impact.

Exceptional Cast

Maureen O'Hara in the role of Julie plays a glamorous and successful Broadway star whose love for her husband supersedes everything else in her life. One of the screen's busiest actresses (two major studios share her contract), Miss O'Hara is seen in an especially challenging role, totally different from any in which she has yet appeared. Romantically teamed in this picture with John Payne, her stock is zooming to new heights through what is being called one of the outstanding dramatic portrayals of the year.

"Sentimental Journey" marks John Payne's second screen appearance since his release from the Air Corps less than a year ago. In his current film, he is seen as a modern young theatrical producer and director whose love for Julie can't stand the intrusion of a child into their lives.

ALBERTON

Mrs. John A. Wilson has gone to Charlottetown for the winter months.

Mrs. Merritt Callaghan was rushed to the Prince County Hospital with an attack of appendicitis Monday night.

Beautiful weather favoured a large attendance at midnight Mass in the Sacred Heart Church, Christmas Eve. The celebrant of the Mass was the Rev. W. E. Monaghan. The girl's choir sang carols for half an hour before Mass. The adult choir rendered the beautiful Leonard's Mass in B flat. Mrs. Frances Larter was choir director and organist.

The W. M. S. of the Fraser Memorial Church met at the home of Mrs. Percy Kinch for the January meeting. A dainty lunch was served by the hostess.

The Alberton Regals played their first game of hockey with the O'Leary team in the O'Leary Rink Tuesday evening. The score was 9-1 in favour of O'Leary. Mr. Jas. Keefe is coach for the Alberton team.

The January meeting of the W. M. S. of the Fraser Memorial Church was held at the home of Mrs. Percy Kinch the early part of the week. There was a fair number in attendance. The hostess served refreshments assisted by some of the ladies.

The Alberton Regals met defeat when they played their first game of the season with the O'Leary Maroons on the O'Leary Rink on Tuesday, January 14th. The final score read 9-1.

Mrs. L. B. Champion was hostess at her beautiful home for an enjoyable bridge on Thursday afternoon.

Doctor and Mrs. S. Bandler were visitors to Alberton on Tuesday.

Mrs. I. Rachmel returned home on Thursday, after a very pleasant ten day visit at the home of Mrs. Cyril Leard. Mrs. Rachmel was accompanied home by her husband, Doctor Rachmel who happily joined her two days previous to their departure. While in Alberton Doctor and Mrs. Rachmel were delightedly entertained at the home of Mrs. S. Bandler on Wednesday.

Mrs. A. H. Rayner left recently for Charlottetown where she intends spending the greater part of the winter months.

Her many friends heard with regret that Mrs. Herbert Clark had entered the Victoria General Hospital, Halifax, N. S. for treatment. Mrs. Eric Pound and Mrs. E. W. Champion of Charlottetown, accompanied Mrs. Clark.

Mr. Vernon England and daughter Verna motored to Summerside on Thursday.

Miss Mary McIntyre and Mrs. Carroll arrived from Montreal recently, called home by the illness of their father Mr. Anthony McIntyre.

January 14th brought sorrow to the family and friends of Mrs. Frank Barbour, when it was learned that she had passed away at her home in Alma. Mrs. Barbour will be remembered for her warm friendship, personality and Christian character. The sympathy of the community is extended to her family and friends in their great loss.

The O'Leary Maroons met defeat, when they clashed at Alberton with the Regals, a much lighter team. This was Alberton Rink's opening game of the season, and viewing the number of spectators, one would deem it almost innumerable. The encounter ended 6-4.

The funeral of the late Mr. Michael Murphy was held from the home of relatives in Lot 7, to the Sacred Heart Church, Alberton, Sunday, January 12th at 4 P. M. Reverend Father W. Monaghan conducted the service at the church also at the grave. Mr. Murphy a blacksmith by trade spent the greater part of his life in Greenmount, where he was formerly known as "Mick". He is survived by three daughters and one son to whom much sympathy is extended.

Friends of Mrs. Merritt Callaghan are glad to know that she is home, and able to be about again, after her recent slight illness in the Prince County Hospital.

A social evening sponsored by the Union Community Club was much enjoyed at the home of Mr. and Mrs. James Wilkie on January 14th. The guests of honor Mr. and Mrs. Sterling Wilkie were presented with a large number of gifts. A lunch was served by the committee in charge. Before departing to their homes all joined in singing "For They're Two Jolly Good Fellows" followed with every best wish for Mrs. and Mr. Wilkie's future happiness.

His friends here will be pleased to know that Mr. Percy A. Rayner has successfully completed a training course in Plumbing and Heating and is now employed with the firm of Bevan Bros., Charlottetown. Mr. Rayner is a son of Mr. Joseph Rayner of this town.

The three members of the executive are as follows: 1st vice-president, Wilfred Gaudet; 2nd vice president, Lester Jenkins; secretary treasurer, Arthur Wainwright; executive, Harry Bishop, Dr. O. Stewart, Francis McNeill, Dr. J. A. McPhee, N. P. Titus, Ernest Moore, Earl Cannon, W. A. Arnett.

Bedouque-South Shore Hockey

The Summerside Crystals defeated the Freetown Royals 10-7 on Monday night, to go into a first place tie with Middleton Bombers for the League leadership. The Royals, weakened by the absence of some key-men, went behind 3-0 in the first four minutes of the game, but made a great comeback to make the score 7-5 in their favour at the end of the middle period. However they wilted in the final heat as the Crystals led by "Mooney" Gallant poured five goals behind Curley in the Freetown goal.

Gallant, Bernard and MacFarlane shone for the winners while Campbell, Stavert and McCarville carried the mail for Freetown.

The three stars of the encounter were: Gallant, Campbell, Bernard.

Juvenile Hockey

Art Larkin's Juveniles made their first start of the season against the Junior Legionaires from Summerside and by their play show they are fast rounding into shape to give other juvenile teams plenty of worries. Coach Larkin is to be commended upon in the way he has brought these boys along, and the surrounding districts should support this team to the fullest.

The final score of the game was Summerside 2, Kensington 1.

The first period produced plenty of nice passing plays by both teams, together with some fine goal tending. At the eighteen minute mark goal beating Kennedy from about twenty feet. This evaded the score for the period.

The second period was only two minutes old when H. Perry scored on a long shot that was deflected past Kennedy. Then the Kensington boys began to show the stuff that they are made of. They really stormed the Summerside end and were rewarded at the nine minute mark when Mill scored on a pass from Bernard. Play roughened considerably and Kelly was chased but Summerside kept the Kensington team at bay until he returned. During this period Kensington outshot Summerside by a wide margin. Period ended Summerside 2, Kensington 1.

The third period produced no further scoring as the goalies and defences worked in unison to cheat the forwards when they did break away from their checks. At the nineteen minute mark Mill skated in alone on the Summerside cage but Arsenault was unbeatatable.

The fans who witnessed the game saw some hockey which some of the senior teams might profit by seeing Stars of the game, Jackie Bernard, Wendell Mills, R. Arsenault.
