PROFESSOR PIGEON LECTURES ON CRISPNESS

THE TURTLE GOES snap!

THE FIRE GOES crackle!

THE PISTOL GOES pop!

BUT RICE KRISPIES GO snap! crackle! pop! ALL AT ONCE

THAT'S RIGHT! The minute you pour milk or cream on Kellogg's Rice Krispies, they start to crackle out loud! How children love that crisp, crunchy sound! And how quickly they eat up every one of those toasted rice bubbles!

This delicious, ready-to-serve cereal is extra good with fruit or honey added. Light, wholesome, and easy to digest. Just the thing for breakfast, lunch, or a bedtime snack. And grown-ups like Rice Krispies just as much as children do!

Sold by grocers everywhere. An amusing Mother Goose story is printed on the back of every package. The WAXTITE inner bag keeps Rice Krispies oven-fresh. Served by hotels and restaurants. Made by Kellogg in London, Ontario.

DEPARTURE REGRET—Doctor R. F. Sullivan, who with his wife and family were on a two weeks' visit at the home of Mrs. Sullivan's parents in Kensington, were obliged to return on Monday owing to the sudden illness of the Doctor's father in Melrose. This was his first visit to this province, and when leaving the Doctor spoke in glowing terms of the hospitality of the people, the delightful climate, the beautiful beaches for bathing, and where you can forget for awhile the heat and daily grind of city life.

CRIPPLED CHILDREN'S HOLIDAY—Ten Red Cross crippled children ranging from 3 years to teen age, are going to the shore this week in a nicely located cottage loaned to them through the kindness of Mr. Alfred Pickard. The children, mostly bed cases in plaster, braces, etc., will be looked after by a competent nurse, Miss Jean Thomson and Miss Catherine McLeod, who will prepare their general health besides providing them with useful entertainment for fingers and brains. In this work interested citizens could help materially by sending to the Red Cross office fresh vegetables, fruit, toys, etc., or odd bits of colored wool from which the children will be taught to crochet, knit or weave something they can take home with them.

A WELCOME VISITOR—Mr. William Bernard, grand old centennial of Hunter River, while in Charlottetown yesterday paid a visit to Bonnahinley, the home of Mr. and Mrs. W. Chester S. McLure. Mr. Bernard, 105 years "young", enjoyed his luncheon and entered zestfully into conversation, describing vividly his first impressions of Charlottetown ninety years ago. On being shown over the grounds at Bonnahinley, he greatly admired the large trees, remarking, "These giants were here long before I came to this country." Mr. Bernard, who was a wheelwright by trade and is a native of Devonshire, England, enjoys vigorous health and might easily pass for a mere "youngster" of eighty. He was accompanied on his visit to Charlottetown yesterday by his nephew, Mr. Peter Craig.

WALSH-DRISCOLL NUPTIALS—A very pretty wedding was solemnized at St. Patrick's Church, Fort Augustus, on Wednesday morning, June 30th, at 7.30 o'clock when Katherine, only, youngest daughter of Mr. and Mrs. Daniel Driscoll, Johnston's River, became the bride of Patrick Joseph Walsh, son of the late Joseph Walsh and Mrs. Walsh (now) Mrs. J. J. Murphy, South Shore. The ceremony was performed by Rev. D.P. Croken, who also celebrated the nuptial mass. Mr. Martin Power played the wedding march and during the ceremony rendered soft music. The church was tastefully decorated by girl friends of the bride. The bride was dressed in white satin with tulle veil, and carried a bouquet of orange blossoms and lilies of the valley. She was attended by her sister Miss May, who wore pink figured chiffon with white accessories and carried a bouquet of roses and maiden hair fern. Mr. Russel Driscoll, cousin of the groom, acted as best man. After the ceremony breakfast was served to the immediate relatives and friends at the home of the bride's parents, after which the happy couple motored to Borden on a trip through the Maritime Provinces, accompanied by the groom's sister Mrs. William D. Sherry, and Mr. Sherry, Fernwood, the bride travelling in a powder blue ensemble with white accessories. On their return they will reside in South Shore where Mr. Walsh is a prosperous farmer. Lift Censorship On Trinidad Press

PORT OF SPAIN, July 13—(CP Cable)—Presses whirled in Trinidad tonight, free for the first time in some weeks from the censorship imposed upon them when Trinidad's general strikes which started June 19, became complicated with violent rioting. Correspondents, while not greatly hampered by the rigid supervision of the news matter, were not allowed to report such sordid instances as the cremation of a police constable after his still-living body had been soaked in gas-

Belgian Minister Resigns In Crisis

(A. P. by Guardian's Special Wire)

BRUSSELS, July 13—A month-old Cabinet crisis today led Premier Paul Van Zeeland to present his resignation to King Leopold who refused it.

The monarch, however, accepted the resignation of Minister of Justice De La Veleye as a result of Liberal opposition to his participation in the Van Zeeland Government.

Observers declared the youthful Premier, who returned from the United States last week after exploratory talks with President Roosevelt on the possibilities of a broad international agreement to stimulate world trade, would not have survived the crisis except for the prestige of his trade mission.

Liberals repudiated De La Veleye, contending he was a traitor to the party for entering the Cabinet without consulting other Liberals.
