HOW TO BEAUTIFY THE COMPLEXION.

To have a soft, smooth skin, free from eruptions and pimples, the blood must be healthy and pure. Ferrozone invigorates enfeebled blood, and cleanses it of all impurities and poisons; it brings color to the lips and cheeks, brilliancy to the eyes, whiteness to the teeth and sweetens the breath.

THE P. E. I. WOMAN SLAIN BY LOVER

Full Particulars of the Awful Tragedy

The following are additional particulars regarding the shooting of a Prince Edward Island woman in Boston.

BOSTON, Jan. 6.—Disappointed because the woman with whom he was in love had decided not to encourage his attentions any further, Ray C. Johnson, of Burlington (Vt.), a well dressed, fine appearing young man, aged twenty-one, was arrested by the police shortly after midnight, a self-confessed murderer.

In a fit of anger Johnson fired four shots from a thirty-eight calibre revolver at Mrs. Sadie Peters, a waitress in a Washington street restaurant, causing her instant death. Johnson made no attempt to escape, and when the police entered the room where the tragedy occurred they found the young man sitting with his face in his hands, and repeating incessantly: "I done it, I done it."

Mrs. Peters, the victim of the tragedy, was a native of P. E. Island. She was twenty-four years of age, very pretty and is said to have a husband living somewhere in Nova Scotia. She was employed as a waitress in a restaurant at 1287 Washington street. She was the mother of two young children.

The police claim that Johnson and the Peters woman had been living together in Roxbury for more than a year, part of the time at 75 Circuit street, and lately at 20 Dana street.

Today Mrs. Peters told Johnson that he could no longer put up with existing conditions, and that she had decided to leave him. Thereupon she went to the room of her friend, Jennie McLeod, a waitress in the same restaurant where she herself was employed, and told her that she intended to live there for a while.

Early this evening Johnson went to Miss McLeod's room at 1285 Washington street, to see Mrs. Peters. He and the two women spent the evening in the parlor conversing pleasantly. During the evening Johnson dropped no hint that he contemplated any violence.

Shortly before midnight Mrs. Peters told Johnson that he would have to excuse her, as she was going to retire, and asking her action to the word, went upstairs to her room. Johnson, it is claimed, insisted upon following her. A few minutes later four revolver shots were heard. When the lodgers in the house rushed out of their rooms to see what was the matter, Johnson came staggering down the stairs, holding in each hand a smoking revolver of .38 calibre.

Throwing his weapons at the feet of Miss McLeod, Johnson said in a broken voice: "I have shot Sadie." After announcing what he had done, he returned upstairs to the room where Mrs. Peters lay dead upon the floor.

The police were immediately notified and when Sergeant Manning, of Station 5, accompanied by a couple of patrolmen,

A special meeting of the Charlottetown Golf Club was held last evening in the office of Peters & Ings to decide whether the proprietary members of the Club should have the privilege of using the Club house to entertain friends at will. There was a large attendance and the above question was decided in the affirmative. The cup which had been presented to the Club by F. W. Hyndman on behalf of the Standard Life Assurance Company, to be played for year after year by the men members, and which was won during the past season by Major Weeks, was presented to him by the Chairman, Judge Fitzgerald in a happy and humorous speech to which the gallant Major replied in very pleasant vein. After discussion as to the advisability of forming a ski club, and also a toboggan slide on the club grounds, in regard to which no definite decision was arrived at, W. K. Rogers on behalf of the Canada Life offered to present a trophy for the lady members to compete for next season, which offer was gratefully accepted.

Kidneys and Liver Affected by Colds

Backache and Pains in the Legs the Common Symptoms - Cure Comes With the Use of

DR. CHASE'S KIDNEY-LIVER PILLS

Exposure to damp, cold weather is a frequent cause of kidney disease. Sitting in a draught so as to chill the feet and legs is frequently enough to bring on congestion of the liver.

Colds settle on the liver and kidneys as well as the lungs. The results are diseases of the most dreadfully painful and fatal sort.

As yet there has never been discovered a preparation equal to Dr. Chase's Kidney-Liver Pills as a prompt and thorough cure for derangements of these great filtering organs.

Pains in the back, headache, urinary disorders, biliousness, liver complaint, dyspepsia and constipation soon disappear when Dr. Chase's Kidney-Liver Pills are used.

Mr. Arthur Walden, Ferryville, Carlton County, N. B., writes: "My wife was a great sufferer from kidney diseases for several years. She was troubled with pains in the small of the back and in the side, was gradually losing flesh and growing weaker. She got into a very bad state, suffered dreadful pains and her ankles would swell up so that we were afraid of dropsy. We had a book of Dr. Chase's Kidney-Liver Pills, decided to try them. Relief soon came with this treatment. My wife has been entirely cured, and says she would not be without Dr. Chase's Kidney-Liver Pills for ten times the price."

"I am using Dr. Chase's Nerve Food myself, and it is building me up wonderfully."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, at all dealers, or Edmondson, Bates & Co., Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.
