**Looking Ahead** with Hal Bohaker

Everyone knows that the difficulty of saving between future security and insecurity depends not on what is earned but on what is saved.

Think what you will do when old age deprives you of the means of earning your own livelihood. Think what your family will do if by your untimely death they are left to carry on alone, without your income to feed, clothe, shelter and educate them.

Ordinarily it is difficult to save money but now, in keeping with the times, a new and easy way of saving has been arranged. Just as the Government has made it easier to pay our income tax at regular intervals from the salary cheque, so independence for old age and protection for wife and children can now be conveniently provided by small salary deductions.

What could be more sound than with the co-operation of your employer, saving a small part of your salary to assure an income for yourself or your family when your paydays are over. The programme is permanent and uninterrupted because the deposits are automatic. The savings dollar properly becomes the first item in the budget rather than the last. The plan to which I refer, the Sun Life Salary Savings Plan, is so flexible that a programme can be adapted to fit the needs of each wage-earner, single or married, man or woman, according to individual ability and ability to save. Such policies even guarantee the assured and in the event of entering the service of another employer it is a simple matter of continuing the savings arrangement intact.

Let me tell you more about this savings plan and show you how easily it can be adapted to your own requirements. Just call or write

**In Memoriam**

**RAYMOND RICHARD**  
 Flags were at half mast in Eorden on Monday in memory of the late Raymond Richard, teacher known to many in the community. He passed away at the Provincial Sanatorium.

Raymond, who was twenty-five years of age, was born at Moncton, N.B., and came with his parents to Borden eighteen years ago. He attended Borden School and was matriculated from High School and afterwards worked as a clerk in Sherbrooke. He had a health problem which eventually forced him to retire from active life. Later he entered the Sanatorium but did not recover his health and after an illness of over two years God called him to His heaven of rest. His quiet gentlemanly manner towards all with whom he came in contact, made friends for him everywhere and he will be sorely missed in the community as well as in the home.

The funeral service was held on Wednesday, August 11th at Sacred Heart Church, Borden, at 10:30 A.M. High Mass being sung by Rev. W. MacDonald. The pall bearers were Arthur Dorsey, John Dalziel, Kenneth MacAleer and James Dorsey. Interment was in Seven Mile Bay Cemetery.

Besides the sorrowing parents there were three sisters and two brothers, Gerald and John, N. B.; Pie Emery of Halifax; and Mrs. Allen and Allen at home. To all of these the sincere sympathy of the community of Borden is extended.

**Card of Thanks**

Mr. and Mrs. Edgar Richard and family wish to extend their heartfelt thanks and appreciation to all those who attended the funeral of their son, Raymond Richard, and to kind neighbors and friends who gave the use of their cars on August 11th. Their sincere appreciation is also extended in any way during their recent bereavement. 8-11-11.

**Scout News and Notices**

In the preface of "Scouting for Boys" the Chief Scout aims to teach the boys how to live, not merely how to make a living.

**CAMP BUCHAN**  
 Columns of facts and figures could be presented to show what has been accomplished at Camp Buchan during the 10 days of Scouting, but the best way to find out is to ask a Scout who was there.

On the last night in Camp, after the Council Fire, the Chief presented certificates for 40 Athlete's Badges, 8 Second Class Badges and 7 Scoutmaster's Badges. The Scoutmaster presented 9 certificates for Pioneer's Badges. These certificates can be turned in at Headquarters where Miss Hooper will give you the badge in return.

**SNAPSHOTS**  
 Anyone who has taken snaps of Scouts or events at Camp is invited to send in the negative and one developed snap, to be entered in a contest for the most interesting snaps of Scouts or Scouting at Camp Buchan. Both negative and snap will be returned.

Some boys left his socks at camp and he can get them if he call at Hqs.

**LONE SCOUTS**  
 The Lone Scouts attending camp were a credit to their Division. The boys agreed that they were a definite asset, not only to the Camp, but to the whole Boy Scout Movement.

It is hoped that more boys will join this division of the Boy Scouts and that next year, many more will be able to come to camp. The Lone Scouts attending camp this year were: Gerald Rogers, Don MacLellan, Albert Johnson, Robert Francis, Don Armstrong and Corday Armstrong.

**CAMP QUALLA-WALLA**  
 Just to remind you that the next meeting of Scouts going to Qualla-Walla will be held August 12th, 7:30 p.m., in the Wolf Patrol corner of the 3rd. Charlottetown (KIRK) Troop.

**CUB CAMP**  
 The winners of the various events of the Field Day at Cub Camp were as follows: 9 year olds: Willoughby, 2nd, Brian; 10 year olds: Willoughby, 2nd, Meredith; 11 year olds: Willoughby, 2nd, Meredith; 12 year olds: Willoughby, 2nd, Meredith; 13 year olds: Willoughby, 2nd, Meredith; 14 year olds: Willoughby, 2nd, Meredith.

The name of George Seabury of the 7th. Charlottetown Troop was regrettably omitted in the list of winners of the Athlete's Badge.

**COMPTON-MACISAAC WEDDING**

A wedding of much interest to their many relatives and friends in this Province took place in Toronto on Saturday, July 7, at 7 p.m. when Miss Tilly Compton, eldest daughter of Mr. and Mrs. Bonnie MacIsaac, Wellington, son of Mrs. Elizabeth Compton of Charlottetown (formerly of Charlottetown) were united in marriage at the Hope United Church. The bride looked very charming in a white street-length dress with matching accessories and wore a corsage of pink carnations, white and pink carnations, white and pink carnations, white and pink carnations.

Following the ceremony a wedding supper was served at the home of the groom's mother, 10 Thyra Ave. to the immediate family, after which the happy couple left on route to P.E.I.  The dried fleshy part of the fruit of the wild rose, besides being the richest source of Vitamin C, is also rich in Vitamin A. In addition it contains appreciable amounts of thiamin, riboflavin and niacin, according to Canadian Research Scientists.

Insects do not have a skeleton, the true sense of the word as the higher animals, but they have a tough outer covering of chitin known as an exo-skeleton. The muscles of the insect in general are attached to the exo-skeleton, run from it to the appendages—wings, antennae, mouth parts, etc. on.
