California Defeats Duke 7-3 In Rose Bowl Classic

(By The Associated Press)

Five football teams whose performances during the 1938 season earned them the privileges of playing in "bow" games proved their claims to greatness by scoring clean-cut victories Monday before banner crowds of new year fans. Five others were, as the saying goes, defeated but not disgraced.

In addition, "All-Star" squads played right up to that designation as the west conquered the east at San Francisco and the North defeated the south at Montgomery, Ala.

Southern California's Trojans, Pacific Coast Champions, took the place at the head of the winners' parade when they defeated the Blue Devils of Duke, 7-3, before 91,000 fans in the Pasadena Rose Bowl classic, oldest of the new year's games.

Briefly the day's other games were:

Davey O'Brien and Connie Sparks led Texas Christian to a 15-7 triumph over Carnegie Tech in the Sugar Bowl at New Orleans before more than 50,000, the largest crowd ever assembled there.

"Bullet Bill" patterson of Baylor threw the passes that enabled the west to upset the east 14-0 as 60,000 fans gave the annual charity game its first capacity crowd in 14 years.

Tennessee overpowered and outroughed Oklahoma's Sooners, 17-0 as an overflow throng of 32,191 looked on in Miami's Orange Bowl.

St. Mary's smothered Texas Tech's passing attack for three periods and led 20-0, then barely pulled out a 20-13 decision as the Red Raiders thrilled 40,000 fans, another record crowd, with their aerial tricks in the last quarter of the Cotton Bowl game at Dallas.

Utah proved all too strong for New Mexico and swamped the Lobos 26-0 before 13,500 in the Sun Bowl at El Pasco.

One 83-yard drive, featuring Tony Ippolito of Purdue and Mike Kabealo of Ohio State enabled the northern all-star team to defeat the southern aggregation 7-0 before 8,000 in the blue gray game at Montgomery.

Williams Gets First Goal As Miners Win

GLACE BAY, N. S. Jan. 2—(CP)—Glace Bay Miners celebrated opening of the $85,000 Miners Forum here tonight and the first time they played on "home" ice in 10 years by scoring a 5—4 victory over Sydney in a Cape Breton Hockey League game.

After Mayor D. W. Morrison of Glace Bay performed the opening ceremony Tick Williams, leading scorer and playmaker of the Sydney squad scored the first goal in the new rink. The tally came about four minutes after Mayor Morrison tossed in the puck to start the game.

Less than a minute later Jackie Kane of Glace Bay, playing his first game since a broken rib forced him to the side-lines more than a week ago, tied the count. Jack Fritz and McGibbon of Sydney tallied to make the count 3—1 at the end of the first period.

Linklater of Glace Bay ran wild in the middle frame to net four goals. Bun McLenahan, formed Fredericton player, got Sydney's final tally.

Harry Currie Going Strong With Barons

Harry Currie, Charlottetown's contribution to the Inter-American League, has hit his stride with the Barons according to reports emanating from Cleveland.

Contrary to first reports Currie has not been sold by Pittsburgh but is on loan to the Cleveland club. He has apparently captured the fancy of his new "home" fans in short order as the report below bears out.

The newest sensation of the Cleveland Hockey Club is a young man of short stature, but well muscled and fast on the hoof. He wears spectacles when not on duty and has been nicknamed "The Gunner" by his fellow Barons.

This is Harry Currie, right wing and center from the Maritime Provinces. Oddly, he isn't even the property of the Cleveland club.

Currie is here on loan from Pittsburgh Hornets, it was learned yesterday. He is the only player on the roster not owned by Cleveland, and he was brought here on Dec. 2 as a protective measure during the convalescence of Bud Cook and Ossie Asmundsen, injured Baron forwards.

Currie played nine games on the third line. Then, last Saturday, he was dropped in as center on the first line between Lorne Duguid and Peg O'Neil when Les Cunningham, regular centre, was waylaid by an attack of sinus trouble.

Placed with these two able crack shots, Currie has become rather colossal. He scored one goal on a hair-trigger play and helped in two other scores by Duguid and O'Neil as the Barons crushed Hershey 5-1, at the Arena Saturday night.

Then, Monday night at Hershey the Gunner was all over the rink, helping Duguid to two goals in the first period. That Duguid again is scoring in his old time form brings joy to Cleveland fandom.

Whether or not Currie will stay with the first line when the league-leading Barons meet Syracuse at the Arena tonight depends upon the condition of Cunningham. It was uncertain yesterday when Les would be ready.

Currie has shown more than enough to make the Cleveland management want his contract very much. Whether the Barons will buy him from Pittsburgh depends on the price.

Currie comes from Charlottetown, Prince Edward Island. He became a pro last winter at Pittsburgh.

2 More Amerks On Casualty List

(C. P. by Guardian's Special Wire)

NEW YORK, Jan. 2—Art Chapman, star centre, and Eddie Wiseman, right winger, have been added to the casualty list of the New York Americans of the National Hockey League. Neither will see action tomorrow night in Boston. Defenceman Allan Murray is the other casualty.

Chapman, hurt Sunday night when Bucko McDonald fell on him, has injured ligaments on his left elbow and may be out for 10 days. Wiseman has a contusion of lower back muscles, but may be ready for the Detroit game Thursday night.

Murray will be operated on tomorrow to repair ligaments in his right shoulder.

North Shore Hockey Notes

Well folks here it is, and after reading it over, I'll bet my shirt you will agree with me that it will be a real league.

Jan. 26 Spring Valley vs Greyhounds.
Jan. 30 Silver Wings vs Indian River
Feb. 2 Greyhounds vs Clermont.

Playoffs: First and second team; and third and fourth team, best two of three total game series.

Winners of each play best three out of five total game series for the Baker Cup.

As you will see Spring Valley is once again with us. We hear they have several new faces on their line up, and your scribe advises other teams in the league not to do too much loafing when playing these boys. Good Luck Spring Valley.

The good old Silver Wings champions for the past two years, although having lost several good men, you may rest assured, are not to be taken too lightly; for if you will dig into that old memory box of yours you will remember they had and still have the high scoring ace of the league, namely Millar Waite, who is also perhaps the brainiest player in the league, and this boy flanked with that speed artist Everett Hughes along with the rest of them will make all the teams hustle to take a win from them.

Anyone watching Indian River and Clermont do their stuff in their practice sessions on Thursday evening, will vouch for what I said in this column sometime ago. These teams are good.

The rink directors, also Howard are to be congratulated on the excellent sheet of ice. It is as good as any we had last season.

And by the way boys, I see where those Intermediate Abbies are itching for a game out here. How about it? why not give them a try?

Budge Makes Pro Debut In N. Y. Tonight

NEW YORK, Jan. 2—(CP)—This town's biggest coming-out party since Brenda Diana Duff Frazier's spree left the stag line limp will be staged at Madison Square Garden tomorrow night, when Don Budge makes his professional tennis debut.

Budge's meeting with Elsworth Vines is a cinch to be the biggest event of the early winter sports season. Last-minute reports today from Promoter Jack Harris indicated the previous Garden tennis attendance record, set at 16,000 two years ago when Vines helped Fred Perry make his pro bow, is certain to be broken.

This first match in a series of 75-odd that will take the troupers from Boston to the Pacific coast and as far south as Florida, shapes up as the first real test of Budge's qualifications for rank with the best players in court history.

Some 17,000 spectators will pay as much as $7.70 to see how Budge stands up against Elly's bullet serves and blistering forehand placements. They are drawn, as well, by the prospect of seeing two of the biggest hitters tennis has known in action when each still was in his prime. Budge, after two years as the world's top-ranking amateur, is 23, and Vines, entering on his sixth season as a pro, is only four years older.

Record Crowd Sees Rangers Beat Celtic

GLASGOW, Jan. 2—(CP Cable)—Glasgow Rangers and Celtic made league football history today. Playing in their annual New Year's day battle, they attracted 120,000 persons—a record crowd in the United Kingdom. Previously high attendance was at their Jan. 1, 1937, contest at Ibrox Park when 94,811 persons saw the match.

A clamoring mob of 30,000, unable to gain admission, tried to rush the gates. Mounted policemen held them back.

Many spectators collapsed while three men were rushed to hospital suffering chest injuries caused when they were crushed against terraces. Hundreds of "fortunate" seat-holders demanded their money returned when they claimed they couldn't see the game.

Victorious 3-1 last year on the same date, Rangers again ran off the field on the top side of the score-sheet. Today's game ended in their favor 2-1.

The victory stretched Rangers' lead over the Celts and Hearts to eight points. Hearts, engaged in an Edinburgh derby with Hibernians, bowed 1-0 to the surprising Hibs.

A five-team fourth-position tie was smashed when Aberdeen, Queen of South and Kilmarnock won their matches, while Motherwell and Partick Thistle were humbled. Aberdeen blanked Arbroath 4-0, Queen of South swamped Ayr United 6-1 and the Killies edged out St. Mirren 3-2. Motherwell lost 2-1 to Hamilton Academicals and Partick went under 4-1 to Clyde.

Highest scoring game was played at Raith where the Rovers were beaten 6-5 by St. Johnstone. In other first-division matches Falkirk shut out Albion Rovers 3-0 and third Lanark pulled out a 4-1 decision over Queen's Park.

Top standings in the second group remained unchanged when the leading Cowdenbeath eleven and East Fife, runner-up, chalked up two-point contests. The former walloped Dunfermline 4-1 and the cupholders made it 5-2 over Dundee United.

Eight games were played in the English League—two in the first division five in the second and one in the third division, northern section. Leadership in all three circuits was not at stake.

Situated well down in championship standing, Stoke City and Middlesbrough improved first-league status with clear-cut verdicts. Stoke defeated Bolton 3-1 and the northerners whipped Liverpool 3-0.

Newcastle United, runner-up to Blackburn Rovers in the second group, missed an opportunity to cut the lead with the leading eleven lost 4-2 to Sheffield Wednesday. Newcastle disappointed a home-town crowd, losing 1-0 to Chesterfield. Sheffield United drew into the second spot with one point gained from their 1-1 stalemate with Burnley.

REMEMBER WHEN

(By The Canadian Press)

Charlie Conacher, star Maple Leaf left-winger in the National Hockey League, injured his knee in practice at Toronto, one year ago today. The 28-year-old Bomber who led the circuit's goal scorers in 1934 and 1935 retired from the game 16 days later on medical advice. After his return to competition last fall he was sold to Detroit Red Wings.

Rangers Within One Game Of League Lead Blanking Detroit Red Wings 3-0

NEW YORK, Jan. 2—(CP)—Rangers climbed within a game of the National Hockey League leadership tonight by blanking Detroit's sixth-place Red Wings 3-0. George Allen and Alex Shibicky registered in the opening frame, and Dutch Hiller came through with a last period goal after a scoreless middle session.

The Red Wings were obviously weary after their game in Boston last night. A crowd of 8,500 in Madison Square Garden watched the Ranger forwards break through the Red Wing defence time and again and only great goaltending by Tiny Thompson kept the score to reasonable proportions.

The Red Wings could not get their attack clicking. Throughout the game they tried hard and if Dave Kerr had not been in good form in the Ranger goal they doubtless would have tallied.

Allen put the Rangers ahead early in the first period and Shibicky added another goal just before the frame ended. Hiller counted in the third period.

The victory gave the Rangers full possession of second place in the league standing, which before the game they had shared with the New York Americans, who were idle tonight. The Rangers are now only two points behind the leading Boston Bruins and have played a game less than Boston.

Canadian Plays With English Football Team

WOLVERHAMPTON, England, Jan. 2 —(CP Cable)—Douglas McMahon, 20-year-old Winnipeg footballer who was placed on Wolverhampton Wanderers first-division English League team Saturday, was "a bit nervous" he told interviewers today on his return from Blackpool. The Wolves lost 1-0 to the Lancastrians at the year's end.

"I was a bit nervous at first for it is a big honor to play for the Wolves, but soon felt this was just like any other football match," he said.

Veterans of the club said the youthful centre-forward played with assurance.

Simmerings Around The Sport Front

(By Alan Randal, Canadian Press Staff Writer)

NEW YORK, Jan. 2—Les Patrick of New York Rangers goes Manager Red Dutton of New York Americans one better. Where Dutton named Rangers and Boston to tangle for the Stanley Cup at the end of National Hockey League play, Lester called Boston to win. "The Rangers are two years away," added Lester. But they didn't look like it Saturday night beating the Bruins so perhaps Lester's prophecy shouldn't be taken too seriously.

Pit Lepine, grey-haired hockey veteran, is playing 40 to 50 minutes a game in addition to coaching New Haven Eagles of the International-American Hockey League. Frankie Brimsek, who has been doing such sensational goal work for Boston Bruins, tells scribes here he'd like to own a night club. Says he started playing goal in Minnesota because when he was a youngster most of his pals were better skaters.

Cleveland Indians have decided to pay sore-armed Johnny Allen $20,000 for 1939 even if treatment fails to cure his ailing elbow. Allen won 12 straight games last season before his arm went sore. In 1937 he won 15 straight. Johnny traced the ailment to a curve ball thrown in the all-star game at Cincinnati last July. Tomorrow he goes under the knife in the hope of curing it.

Hank Greenberg, Detroit's slugging first baseman, calls Buck Newsom of St. Louis Browns, baseball's toughest pitcher to hit. Now that Al Simmons moves on to Boston Bees from Washington, the Bees should have a little more sting come the dog days. Al is 35 but he can still ride that old ball. New York baseball smarties claim Detroit Tigers are putting too much emphasis on young Freddie Hutchinson, their new hurler. New Yorkers call Boston Red Sox as the team the Yanks will have to beat out.

Don Lash, Noted Miler, Captures Sullivan Award

NEW YORK, Jan. 2—(AP)—Don Lash, king of United States distance runners, captured the Sullivan Memorial Award today.

The award, given annually to the amateur athlete adjudged to have contributed most to the advance of the cause of American sportsmanship, went to the fleet University of Indiana alumnus by a comfortable margin over Katherine Rawls Thompson, swimming star from Fort Lauderdal, Fla., and Joe Burk, Penn athletic club carman whose sensational campaign during 1938 included victory in the Diamond Sculls event of the Royal Henley Regatta.

Six Hundred United States sports leaders participated in the balloting Twenty-seven athletes originally were nominated by this tribunal whose members were asked to take into consideration acts of sportsmanship, qualities of leadership, excellence of performance, strength of character, force of personality and high ideals of amateurism before naming the candidates.

The final tabulation found Lash an easy winner with 459 points. Mrs. Thompson finished with 371 and Burk with 318.

A member of the 1936 United States Olympic team, Lash is the world record holder for two miles, has been a member of three world record relay teams and has won the United States Amateur Athletic Union cross-country championship five times.

Lash joins a distinguished band of Sullivan award winners. Bobby Jones was the first winner, in 1930 and was followed by Barney Berlinger, Jim Bausch, Glenn Morris and Don Budge in that order.

Record Score By England In Test Match

CAPE TOWN, Jan. 2 —(CP Cable)—England brought its heavy artillery into action when play was resumed in the second cricket test match against South Africa today and when stumps were drawn had compiled 553 runs for eight wickets. The score was a record for Anglo-South African tests, beating England's 534 for six at London in 1935.

Wally Hammond, Leslie Ames and Basil Valentine scored centuries as the tourists flogged the Springbok Bowling after obtaining 131 for two wickets in two hours play Saturday.

Two other records were broken Eleven thousand spectators passed through the turnstiles—a high mark for Cape Town—and the fourth-wicket partnership between Hammond and Ames yielded 197 runs. The previous fourth-wicket record stand for England against South Africa was made in 1935 when Hammond and Maurice Leyland put on 151.
