Ball Game At A. A. A. Grounds This Evening

The baseball fixture this evening between the Madisons and Abogweits is creating considerable interest among the local fans. Considering the fact that the former have not lost a game so far this season and the Abogweits fully strengthened, a good brand of baseball is due to result.

Mr. George Prowse of the Togo- rary has made a generous offer of a suit of Society Brand clothes to the ball player who succeeds in hitting the Society Brand Sign posted on the left field fence. He also donates a silk shirt to the players who hit a home run during the game.

This is certainly a generous and sporty offer on Mr. Prowse's part and no doubt his good intentions of boosting the game in this city is fully appreciated not only by the players but by the athletic fraternity at large.

CHAUTAQUA

This year provides a most interesting program not only for the grown-ups but for the juniors. The events in which the children will participate are such as to make their experience in every way enjoyable. Among the features will be a kite-flying competition which will be a decided novelty here and will interest more than the youngsters. Miss Berna Heustes is the Superintendent of the Juniors this year and the attractive program to be put on by the children will surpass all previous efforts. See local in another column giving list of Stores where program and season tickets may be obtained—4f.

CAR ACCIDENT LAST NIGHT.—Mr. Jack McEachern, the well known local athlete, was very painfully injured last night in a motor car accident. When in passing a wagon on the Park Roadway which it is claimed was the wrong side of the road the car he was driving upset and Mr. McEachern and the other occupants were thrown out. The others though badly shaken up were not slightly hurt. The wagon wheels were smashed but the occupants uninjured. Mr. McEachern's injuries in his wrist and shoulder were dressed by Dr. Ledwell and though painful are not considered dangerous.

NEWPORT NEWS.—A concert held in St. George's Hall in aid of the church was a complete success both socially and financially. The program was made entirely from local talent and the applause given each number was sufficient to show that it was thoroughly enjoyed. Ladies, auctioneers, cashiers, ushers, Scottish dancers, Scottish comedians, vocalists and all who helped to make the concert a success have received the praise and gratitude of our pastor, Rev. J. C. McDonald.

Miss Peggie McIntyre and Kathleen Moran also Mr. Lewis Campbell have returned after having tried the matriculation exams for entrance to Prince of Wales College.—Miss Clair McCormack of Charlottetown and her little brother Dunstan are visiting Mr. McIntyre in Newport.—Master Hugh Steel is recovering from a severe cut on his right foot, but is not yet able to work. This little lad of seven years is a general favorite in the community and his unfortunate accident is regretted by all.—Miss Emma McCormack of Georgetown, is visiting Miss Gerlie Campbell.—Miss Helen Stewart, Florrie McCormack, Mae Fitzgerald and Mr. J. Fitzgerald of New York are spending a week fishing at Woodville Mills and say that this is the best place that they have yet struck and when they return home will tell their friends of the many attractive features Prince Edward Island has for Tourists.—Mr. Jos. Fay, student Grand Seminary, Quebec, is spending a vacation at his home.—Mr. Geo. A. Campbell of Halifax spent a few days with his mother and sister in Newport having motored from Halifax. He intends to make a business trip over the Island before he returns to Nova Scotia.—St. Georges High School has had another successful closing under the management of its capable Principal Miss Lee McIntyre. The opportunity offered by this school for a higher and better education seems to be fully appreciated by every one in the district it serves.

FIRST MEETINGS.—The first shots in the Provincial political fight were fired last night when

rounding meetings were held in two of the three Counties. At Winsloe the Conservative candidates, Messrs. Leonard Wood and J. A. McDonald received a splendid reception and made very effective speeches. Hon. David McDonald was the first speaker of the evening. Mr. R. C. Clark, the other Liberal candidate, gave his time to Mr. J. J. Hughes, M. P. Other speakers were Messrs. Peter Brodie, D. E. Shaw and Donald McKinnon. The meeting was largely attended and perfect order prevailed. At Granville (1st Queens) Rustico Bank, (2nd Queens) and Travellers Rest (4th Prince) good meetings were also held. More extended reports will appear later.

BASEBALL

A friendly game of baseball was played on the ground of the Glenfanning sporting club on Dominion Day between the Cardigan team and the Glen Rovers the game was a very interesting one and well played despite the fact that it was the first for this season and so that many of the old players were missing on both teams, nevertheless their places were filled by promising material much as we may miss the absent ones including Mr. Francis Ryan the genial pitcher for Cardigan of last year also Mr. E. Foley and Mr. L. Foley of the same team and Mr. David McPherson, Mr. Charlie Miller the Glen's catcher and Mr. Malcolm McDonald 2nd baseman and Mr. John Smith, Short stop. Still we are confident their place is ably filled by younger players although not so well experienced. Mr. P. McPherson the pitcher manager of the Glen Rovers for the past two years was on the grounds but on account of poor health was unable to play, nevertheless he helped out by umpiring the game and judging bases in a very satisfactory manner to both teams.

The line-up of teams was as follows the score 6-6, (a tie) at end of game.

Letter Of Condolence

Mrs. F. S. MacPhail, Dear Mrs. MacPhail:—We, the members of Clifton and Mt. Heibert Women's Missionary Society, wish to convey to you a message of sympathy in the great loss you have sustained in the death of your dear, loved daughter, Catherine Wills. As a member of our W. M. S., we feel we have lost one who was always interested in the work of the Master. In the home her cheerful presence will be much missed, ever about 3520 containing a garage ready to help others, and of such a loving disposition, her death will make a vacant place in the home and hearts of parents, brothers and sisters. But while mourning for her who departed, we are glad to know that she has been so happily passed into the Heavenly home, a home to be forever with the Master, whom she loved so well. May God comfort your hearts, and we pray that you may all meet again in that home where there is no more sorrow. Please convey to Mrs. MacPhail and family our deep sympathy in this hour of trial. TWO NEW PARTIES IN U. S. POLITICS

CHICAGO, July 9.—The Federal Farmer-Labor Party and the Farmer-Labor Party of the United States with individual platform candidates are announced as parties to be formed at today's annual meeting of the Chicago Federation of Labor, sound the keynote of non-participation on the part of the Farmer-Labor organization.

"We want political betterment for the workers and farmers but we want control through the ballot in our own ranks and not from a dictatorship in Russia," Fitzpatrick asserted. "Union men and women will not subscribe to the limited platform of the Farmer-Labor organization." His leadership of Ruthenburg, William Z. Foster and Joseph Manley, being sufficient to describe its communistic principles.

Canadian Salmon Being Driven Out

ST. JOHN, N. B., July 8.—Hon. Dr. P. J. Veniot, interviewed over the long distance telephone at his home in Bathurst, this evening, emphatically denied the truth of a report emanating from Fredericton over the week-end that preparations were being made for a provincial election in September. "The story is manufactured out of whole cloth," said Mr. Veniot. "It is absolutely without foundation in fact. No action of this nature has ever been contemplated." Other prominent members of the government party were equally emphatic in their comment on the report.

Springhill Pits are Working Full Time

SPRINGHILL, N. S., July 9.—The only effect of the miners of Cape Breton going on strike in sympathy with the steel workers as far as Springhill is concerned has been steady production and shipment of coal. The Springhill local has refused to consider any stoppage of work, and having returned the strike ballots unmarked consider the incident closed.

The steamer Coburn, Capt. Coffee, engaged in carrying coal from Parrsboro to St. John is making forced trips with full capacity and the Coal Company's steamer Watulka 1900 tons, arrived in Parrsboro today to take coal cargo to be discharged at Halifax. Previous to the strike temporary congestion in the railway yards accounted for one to two days per week idleness of the pits. Now as soon as the train can be made up it is cleared either from Parrsboro to be shipped by water, or to Springhill Junction for rail shipment on Canadian National lines.

The miners have given the whole situation careful consideration. They find walking out but are open to criticism of the methods used after the strike was called. So far as their own organization was concerned they will take no further action excepting in the unexpected event of a sympathetic strike being authorized by the international officers.

The refusal of the men to enter into the strike is to be considered a re- pudiation of the District Executive rather than lack of sympathy with the steel workers, and at the termination of the present contract if a strike is required to enforce a settlement of rates in the mines they would be lined up in favor of authority from the International is forthcoming.

Canadian Ships Detained by Strike of London Dockers

LONDON, July 9.—Canadian ships which are held up by the dockers strike including the lead- ing, London Conqueror, Cardiff Vic- tor may not arrive tomorrow and while it may not be necessary for them to pay the dock dues they will have to delay, which will be a blow to the owners at the time when shipping is not making large profits. All the leaders of labor maintain the daily Herald Labor's own organ says the strike is to hell with labor movement and to hell with work- ers, as well as their chance for better wages, more leisure decent hours, decent opportunities for children. It also means to hell with a cooperative common- wealth. Despite every effort on both sides the strike is rapidly spreading and the temper of the men is becoming uglier. The new leaders oblivious to Bolshevik tendencies are springing up and are inflaming dockers to Hull for their annual meeting from Hull to London.

WESTERN MINERS THREATEN STRIKE IN SYMPATHY WITH CAPE BRETON MINERS

CALGARY, Alta., July 8.—"The situation is serious and anything may happen" declared William Sherman, president of District 18, United Mine Workers, describing the attitude of his organization toward the development and growth of Scotia coal and steel strike. Asked if a sympathetic strike were possible, he replied, "It certainly anything is possible." A general conference of all labor organizations in the west will be held when the situation will be discussed. The conference will be held either in Calgary or Winnipeg as soon as possible, it is claimed.

How the fire started is a mystery. Mr. and Mrs. Gray were attending church at the time of the blaze. They had only been absent from the house, which they had apparently left in perfect order, when the fire was discovered. A crowd gathering around, went to the rescue of and saved the furniture, but the house was a total loss.

Sacred Concert On Sunday Evening

Central Christian Church was filled to capacity on Sunday evening, with an appreciative audience who listened with wrapt attention, to the fine singing of this choir under the direction of Prof. H. A. Tanton, Organist and Choir Director. The Central Christian choir, has made rapid advancement, and their music is of a high standard, as was fully demonstrated by their efforts of Sunday evening, all numbers being among the best classics. "The Processional" was one of the features of the choir, the organ accompaniment and voices unaccompanied, growing clearer and louder as the chorists entered the stanzas in the choir stalls, was very effective. Mrs. W. G. Lewin, who sang publicly for the first time in Charlottetown, took for her selection Sullivan's "Lost Chord" which she rendered with fine effect. Mrs. Lewin's voice was admirably adapted to the composition and her solo proved to be one of the most enjoyable musical treats of the evening. We hope to have the pleasure of hearing their very talented singer again in the near future. The anthem "O Love Divine" and the quartette "Just As I Am" was well sung, the voices blending in perfect harmony. The soloists were Mrs. Stewart, Mrs. Bell, Mr. C. L. McKay and Mr. Ben Acorn, Miss Ethel Coombs, who made her second appearance as a soloist, sang the "Ave Maria," adapted to the celebrated Intermezzo from the Cavalleria Rusticana by Mascagni. Miss Coombs has a voice of exceptional quality and power, her high B's being taken with ease and flute like tones. We predict for Miss Coombs, a great future, with her beautiful voice, Mrs. Milton, Stewart, sang Millard's "Ave Maria" with fine expression, and perfect intonation. Mrs. Stewart has a beautiful voice, and is to be congratulated on her lovely singing both in solo and concerted number. Mr. Ben Acorn, sang "Campanella" and "Ninety and Nine" in fine style, and we never heard Mr. Acorn, to better advantage than in this song, as he sang it admirably. Mr. Acorn always welcome and he never fails to please. Prof. Tanton's organ selections were well executed and his reputation as an organist of ability is well established. He is to be congratulated on the fine sacred concert given by his choir on Sunday evening last.

QUEEN OF NEW ANNAN RACES.—Practically every festival has its "Queen"—from the corn belt of Kentucky (where the corn is full of kernels and the scoldens are full of corn), to the wheat belt of Canada. New Annan Race meet is a big event, therefore it will have a "Queen." All women appearing on the grounds are eligible for selection. There will be three in- cognito judges preferably from the mainland, so as to avoid all suspicion of Nepotism, who will be on watch for the best looking lady. When selected she will be immediately photographed by P. A. Bowness, Summerside. She will also be presented by the management with a beautiful wrist watch suitably inscribed as a souvenir of the occasion. 2437-7-11

SHOT WOMAN WHO ROBBED HER OF HER HUSBAND

CHICAGO, July 9.—Nine months ago Mrs. Minnie Bernatowicz, 38 years old, the mother of four children, is alleged to have threatened to slay Mrs. Annie Andraski, 39 years old, whom she accused of stealing her husband. Yesterday Mrs. Bernatowicz at a street corner awaited Mrs. Andraski and shot and killed her. In view of scores of persons Mrs. Bernatowicz rushed upon her victim as a street car to go to work, sized her by the hair and screamed her hatred. As the woman struggled and several men approached in vain, Bernatowicz shot her once twice, John Bernatowicz, 19 year old, son of the slaver, was with his mother and according to the police, pleaded with her to give him the revolver that he might kill Mrs. Andraski. He was arrested with his mother at the happiest moment of your life, I will kill the woman who has made you happy and brought this suffering on me," Bernatowicz is alleged to have told her husband, Joseph Bernatowicz, an organizer for the Brotherhood of Railway Carmen of America, from whom she was separated nine months ago.
