Synopsis of Canadian Northwest Land Regulations

THE sole head of a family or any male over eighteen years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the District. Entry by proxy may be made at any Dominion Lands Agency but not Sub-Agency on certain conditions. Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity. In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price \$300 per acre. Duties—Six months residence in each of three years after earning homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions. A settler who has exhausted his homestead right may take a purchased homestead in certain districts. Price \$300 per acre. Duties—Must reside six months in each of three years, cultivate 50 acres and erect a house with five rooms. The area of cultivation is subject to reduction in case of rough, scrubby or stony land. Live stock may be substituted for cultivation under certain conditions. W. W. CORY, C. M. G. Deputy Minister of the Interior N.B.—Unauthorized publication of this advertisement will not be paid for. 849-8-15thstue3wks.

SAILORS WEEK

SAILORS WEEK The attention of every man, woman and child in P. E. Island is called to the appeal in this issue of the Navy League for Sailors Relief, commencing 1st September.

In Charlottetown the Daughters of the Empire, who are cooperating with the Navy League will distribute envelopes in all houses.

The Clergymen throughout the Province are being asked to assist in bringing the appeal to the attention of their congregations and make arrangement for collection of Funds through the medium of envelopes or otherwise as they think best.

Remember it costs lives to get your produce to market. Wheat is high, beef and pork are high, all the food you produce is high because the 300,000 men of the Merchant Marine brave the perils of the submarine to carry your produce to market.

In a great measure we owe the sailor our liberties as free citizens. With out his sacrifice we would not be enjoying national prosperity undreamed of at the advent of the war.

There is no Pension or Patriotic Fund for Sailors of the Mercantile Marine.

Now is your opportunity to lend a helping hand by subscribing generously to the Sailors' Relief Fund. 1164-8-31-m Sat Tu 21

Chalmers MADE IN CANADA. THERE is only one way to satisfy a keen motorist on anything new in automobile engineering. That is, to drive the car, to see how the new features affect performance. The Chalmers motor is waiting to give you this satisfaction. You are invited to judge how great an advance has been made by today's Chalmers. The Chalmers "Hot Spot" and "Ramhorn" manifold bring about a wonderful smoothness of action. They overcome the handicap of lowest gasoline. They add power and efficiency. They "warm up" the motor instantly, even in cold weather. This, and more, in a sensibly priced car. If you admire a car with smoothly fitted controls, a car that "handles" well if you have set a standard of your own for performance, let the Chalmers tell you its story. A demonstration will be arranged for to suit your convenience. CHALMERS MOTOR COMPANY of Canada, Limited - Walkerville, Ont.
