

Leaves No Streaks

With ordinary soap you wash—then spend nine-tenths of your time rubbing and polishing—that is if you are extra particular and can take the time.

When you wash your windows, for instance, little streaks of "dirt" seem so hard to get off—it's really the soap—not the dirt—that's the trouble. With Taylor's Borax Soap you wash and rinse, dry once and your glassware sparkles like crystal.

It's all in the borax—the way Taylor blends it in

Taylor's Borax Soap

The soap removes the grease—the borax removes the soap—and there you are!

It's fine for woollens, too. It positively will not shrink them. It brings them out of the wash as soft and fresh as new. Thousands of Canadian women are using Taylor's Borax Soap today. Try a cake at once and know the reasons why.

THE MORNING PAPER.

Some Reasons Why it Makes the Best Advertising Medium.

A woman's curiosity to know about society, marriages, births, deaths, forces her to read it. The Morning Paper is before her all day long, and it is she who is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no more opportune time for a dealer to tell about the new goods, the new styles and the bargains offered, for the day or week.

The Morning paper is read at the breakfast table, again at home at noon, on the trains, in the restaurants. It is read in doctor's offices,
