It is a real treat to the proud owner of these grand prizes. We pay all delivery charges. **THE FAIRY BERRY CO., Dept. P 19 TORONTO, ONT.**

No one flour suits every body alike. It may be that the flour you are now using doesn't altogether please you; in that case you would be wise to make a change. In suggesting **DIAMOND FLOUR** as your next choice, we wish to emphasize that it is a blend of selected Ontario soft wheat and Manitoba hard wheat, and for that reason is very probably the most ideal kind of flour for pastry, biscuits and bread—or, in other words, for general baking use—that can be had.

Your grocer will be glad to supply it.

HUNT BROS., Limited LONDON ONTARIO

Wincarnis gives New Health to all who are Weak, Anaemic, Nervous, Run-down

THE wonderful results of Wincarnis in cases of Weakness, Anaemia, Nerve Troubles and that Run-down condition, are due to the four-fold power that Wincarnis possesses. Wincarnis is not merely a tonic—it is a Tonic, a Restorative, a Blood-maker, and Nerve Food—all in one. Therefore, when you take Wincarnis you derive new strength—and at the same time new rich blood—and at the same time new nerve force—and at the same time new vitality. Thus the whole system is invigorated, and re-vitalised, and becomes recharged with a feeling of new life. That is why over 10,000 Doctors recommend Wincarnis.

A very important feature about Wincarnis is that you derive a definite amount of good from even the first dose. And every additional dose gives you more strength than you had before—more rich red blood than you had before—stronger nerves than you had before—and more vitality than you had before. Thus Wincarnis is not a luxury, but a positive necessity to all who are Weak, Anaemic, Nervous, Run-down—to martyrs to Indigestion—to all afflicted by Old Age—and to invalids striving to regain strength after an exhausting illness. Remember that the health Wincarnis creates is lasting health—not a mere "flash-in-the-pan"—not a temporary "whipping-up" of the vitality—but real vigorous health that makes you feel it good to be alive. Take advantage of the new and lasting health Wincarnis offers you. Don't suffer needlessly. Remember that Wincarnis has an unrivalled reputation of 30 years' standing. Don't accept substitutes.

Fire Insurance A Necessity

Then insure in good strong stock companies, which never contest an honest claim such as is represented by **E. R. BROW**

Charlottetown

MONDAY
THE WAR LOAN.—It is understood that The Eastern Trust Company, Halifax, has put in subscriptions for the New War Loan for themselves and clients amounting in the aggregate to \$475,000.00.

ACCIDENT AT KENSINGTON.—Mr. John Warren had the misfortune to get caught in some manner in the plaining machinery of his mill on Wednesday, getting his knee cap knocked off and otherwise injured.—K.

FIRST OF SEASON.—The first bicycle to appear on the streets of Charlottetown this spring was seen on Saturday afternoon. This is generally a sure sign that King Winter's reign is completely ended. In this case, however, some doubt might arise as to which season the youthful rider belonged, for he had a pair of skates slung over his shoulders and held a firm grasp on a hockey stick.

SOME HEN, SOME EGG.—The New Glasgow Chronicle says: "Harry Atwater, West Side, New Glasgow, has a hen that laid an egg this week that tipped the scale at 4 1/2 ounces. Some egg and a smart hen, we should say, for Mr. Atwater tells us it is her habit to lay these huge eggs. Asked as to her breed, Mr. Atwater tells she is of P. E. Island breed and has only one foot. Harry is not sure that the missing foot is accountable for the egg monstrosity."

TO CROSS ATLANTIC.—An attempt to cross the Atlantic from Halifax is soon to be made by the fifteen year old 90 ton schooner Alhambra, which came off the marine railway, Halifax last week and towed back to Central wharf where she spent the winter before going to Dartmouth for an overhauling and painting. Captain Beattie, of Pictou, who is in Halifax, purchased the Alhambra last fall after she arrived from P. E. Island with a cargo of potatoes for Joseph Wood, Captain Beattie has sold her to parties at Preston, England and for that port she is to load a cargo of deals at Pier 3. The Alhambra was built at Mahone Bay.

HOUSEHOLD SCIENCE SHORT COURSES.—The following students are in attendance at the Short Course in Household Science: Miss Macdonald, Pinette; Miss Olive Robertson, Mt. Hope; Miss Lizzie McGuigan, Kelly's Cross; Mrs. William Kennedy, O'Leary; Miss Carrie Pigott, Savage Harbour; Miss Mary McGuigan, Hunter River; Miss Mary M. Walsh, Mt. Stewart; Miss Ruth Rodgers, Hunter River; Miss Bertie M. Feehan, Savage Harbour; Miss Sadie Gibson, Marshfield; Miss Elizabeth Gibson, Marshfield; Miss Katie Lannan, Montague; Miss Minnie Fiske, Tracadie Cross; Miss Doretta Griffin, Newton Cross; Miss Florence McPhee, Pinette; Miss Mary Degan, Cape Traverse; Miss Kate McDonald, Grand Tracadie.

JOINS THE NAVY.—Among passengers leaving by the Car-ferry today for Halifax was Mr. W. H. Palmer of this city, who has been accepted for service in the Navy. Mr. Palmer is a veteran of the United States army and went through the campaign against the Spanish in Cuba in 1898. When the present war broke out he volunteered and was accepted for the 26th Battalion. He was only with the unit for three months or a little more when he received his discharge as physically unfit, owing to being troubled with rheumatism. Nothing daunted, when the call for naval recruits was made he again volunteered, this time deciding to try his luck on the water in the Empire's behalf. He will take a position in the engine room on one of His Majesty's ships, a spot where he believes his rheumatism will not have the nerve to follow him.

WEDDING BELLS.—A quiet but very pretty wedding took place at the residence of the Rev. J. Douglas McKenzie, 247 Prince St., when Miss Margaret Irene, daughter of Malcolm and Mrs. McLennan, Reserve St. was united in marriage to Mr. Alexander A. McDonald of the P. E. I. R. The bride wore a handsome tailored suit of blue serge and carried a beautiful bouquet of pink roses and maiden hair fern, and was attended by her sister, Miss Christine, who wore a suit of brown and carried a bouquet of carnations. The groom was ably supported by Mr. Edley V. Foster of the P. E. I. R. After the ceremony the bridal party drove to the home of the bride where a sumptuous repast was served. Only the immediate relatives and friends of the contracting parties were present. The presents were numerous and costly testifying the high esteem in which the young couple are held. Mr. and Mrs. McDonald will reside in Charlottetown.

A BAD FIRE.—The firemen had a difficult task before them on Saturday forenoon, when fire broke out in the large double house on Water Street, adjoining the Hotel Lennox, owned by Mr. Frank Mutch. The fire broke out on the East side of the house, occupied by Mr. Mutch, Mr. S. A. McLeod occupying the other side. Citizens were made aware of the fire at 11.15 a. m., by the blowing of the railway whistle. It is reported that the reason why the whistle was blown was because it was found impossible to get "central" on the telephone. Hundreds were attracted to the scene of the fire by the blowing of the whistle and when at last an alarm was got in and the firemen arrived the flames had gained great headway. The fire broke out in the part of the house occupied by Mr. Mutch, starting from a spark from the kitchen flue between two wings at the rear. A strong south wind caused the fire to eat its way between the beams in the south gable and made it very difficult to get at. The firemen after nearly an hour's hard work finally eradicated the last visible sign of flame. The chemical engine was quickly on the scene after the alarm was received and by the use of five of the small size cylinders doubtless saved Mr. McLeod's end of the house from serious damage. On Mr. Mutch's side the damage from water was quite heavy. The alarm sounded a second time about 1 o'clock for another small outbreak in Mr. McLeod's side of the house. The firemen made a prompt response and quickly extinguished the fire.

A RUMOR.—There is a possibility that the steamer Avonmore may run between Charlottetown and Pictou on the opening of Navigation, but nothing definite is yet known.—Pictou Advocate.

WEDDED IN HALIFAX.—At the Grove Manse, Halifax, Monday, March 12th, Rev. C. J. Crowds officiated at the marriage of Quarter-Master Sergeant Ernest A. P. Carr, formerly of Charlottetown, now of Rockhead Military Hospital, Acting Sergeant-Major, Halifax, N. S., and Miss Elvira M. Stewart, also of Charlottetown. The couple were unattended. The wedding was a quiet one. Sergeant and Mrs. Carr will take rooms on Lockman Street.—Halifax Herald.

PASSES EXAMINATION.—Mr. Philip Fougere of Lower Montague recently passed a very successful examination and received a Fourth Class Engineer's certificate. He took the examination before Mr. Norman Currie, Inspector of steamboats, Halifax, Nov. 4. Mr. Fougere has had considerable experience of the sea having sailed out of Halifax for the past three years and previous to that on the Government steamship "Hilto." He leaves next week for Halifax to follow his chosen profession.

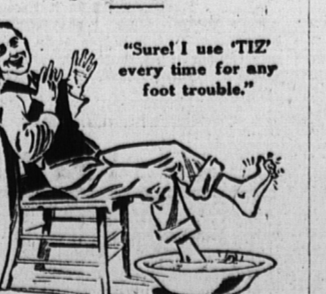

EGG CIRCLE MEETING.—A special meeting of the Fairville Egg Circle was held in the Lake Verde School House, on Tuesday, March 20th, at 7.30 p. m. Mr. Joseph D. Hughes occupied the chair and in opening the meeting impressed upon the audience the great benefits derived as a result of the Egg Circle Movement, after which he introduced Mr. A. F. Curran, representing the Live Stock Branch, who addressed the meeting at considerable length. Mr. Chas. Kelly and Mr. Owen Wood, and others, on behalf of the Egg Circle Members expressed their appreciation, after which a vote of thanks was tendered the Speaker for his instructive address.

CERTIFICATE OF DEATH.—Mr. George Buxton, Cape Traverse, has received the following from the town of Hopedale, Ontario, which speaks for itself: "Certified that No. A1113 Private Charlie Benjamin Buxton, Princess Patricia's Canadian Light Infantry, Canadian Expeditionary Force, has been officially reported as wounded and missing between the 2nd and 4th of June, 1916, and that, after full enquiry made, no information has come to hand which would indicate that he is not dead. For official purposes, therefore, his death is presumed to have occurred on or since the last named date. On attestations he gave the name and address of his next of kin as George Buxton (father), Cape Traverse, P. E. I. Sgd. W. Hodgins, Major General and Adj. General."

The annual meeting of the Hope River Egg Circle was held at Hope River Hall, on the evening of February 27th. The night being fine the Hall was well filled, the ladies being well represented. The Manager's and Secretary's reports showed the circle to be in a flourishing condition. Mr. Poirier of the Agricultural Department was present and gave a very instructive address, which was much appreciated by the patrons. The following Directors were re-elected: President—James Simpson, Bay View; Vice-Pres.—Wm. H. Hogan, Hope River; Sec'y-Treas.—J. Simpson Bell, Hope River. Directors—H. T. Pickering, Stanley Bridge; Clarence Reid, Hope River; John Gullen, Bay View; Edward McIsaac, St. Annes. The Hope River Egg Circle seems to have a bright future before it.

PARLOR SOCIAL SUCCESSFUL.—Of the many enjoyable entertainments held in Cornwall and vicinity this winter, the parlor social, Wednesday March 14, held at Miss K. Macdonald's, West River, under the auspices of the Cornwall, York Women's Institute, was voted the best. A pleasing program by talented artists from the city and country an excellent luncheon served by the members of the Institute, combined with games and other amusements made a pleasant evening pass all too quickly. Upwards of thirty dollars was realized which will be applied to Red Cross work. The ladies of the Institute take so kindly assisted in the entertainment. Following is the program:—Opening Chorus "O Canada"; Solo—Mr. Rowe; Reading—Mrs. W. W. Crosby; Solo—Miss Bessie Crosby; Solo—Mrs. Gordon McMillan; Solo—Mrs. S. Henderson; Solo—Frank McArthur; Solo—Mrs. Marie Crosby; Solo—Mr. Charles Earl.

"TIZ" FIXES ACHING SWOLLEN, SORE FEET
HOW "TIZ" DOES COMFORT TIRED BURNING, CALLOUSED FEET AND CORNS.

"Sure! I use 'TIZ' every time for any foot trouble."

Good-bye, sore feet, burning feet, swollen feet, tender feet, tired feet. Good-bye, corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. 'Tiz' is magical, acts right off. 'Tiz' draws out all the poisonous exudations which puff up the feet. Use 'Tiz' and wear smaller shoes. Use 'Tiz' and forget your foot misery. Ah! how comfortable your feet feel. Get a 25-cent box of 'Tiz' now at any drugstore or department store. Don't suffer. Have good feet, glad feet—that never swell, never hurt, never of Toronto, Ont., recounts the experience or money refunded.

On March 1st, Daniel Lourie one of St. Catherine's most highly respected citizens passed to his eternal reward. He leaves to mourn a widow and four sons; John and Willie at home, David and Lester in France, serving their King and Country. Mr. Lourie will be much missed in the community in which he resided as he was of a very charitable disposition, kind and inoffensive. Funeral services were conducted by his pastor (Rev.) D. McLean. The pall bearers were James Lamont, Angus McFadyen, Alex. McLean, John Cameron, Thomas Henderson and John Cameron. To those bereaved sincere sympathy is extended.

COMING HOME.—Capt. John L. Read and the Canadian crew who took the ice breaker, Mikul Selianovitch (J. D. Hazen) to Russia, are now on their way home. Capt. Joseph Read, of Summerside received a cable from his son advising he was returning via Vladivostok and Yokohama to Vancouver. Any friends of the crew who wish to communicate with them should immediately wire to Vancouver, care of Ephraim Read, secretary of the British Columbia Engineering Association. It will be observed by looking at the map that Captain Read and crew will have made a trip around the world when they arrive at Vancouver. It was the intention of the Captain to have remained longer in Russia, but the recent upheaval in that country caused him to hasten his departure.

A LONG VOYAGE.—There arrived at Halifax last week a vessel which has been trying to reach Halifax from Prince Edward Island ever since December—the schooner Marina, Captain Melvin Greek who claims that he would have finished his voyage before Christmas had he not been held up four weeks at Georgetown, waiting to complete his cargo of 1,900 bushels potatoes and 900 bushels oats. The ice in the Strait of Canso first caught him at Hawkesbury, where he was forced to stay three weeks. Then the Marina managed to reach Canso where she was practically frozen in until two weeks ago and since then Captain Greek has been battling with ice floes and adverse winds along the coast, putting in at Whitehead and Isaac's Harbor en route. In spite of the delay and severe winter weather the Marina's potatoes were found to be in excellent condition when the hatches were opened upon arrival here. The potatoes were stowed beneath the oats. The Marina is at Central wharf. Joseph Wood is the consignee of the cargo.

Stomach Was Very Bad Much Dizziness and Pain

THE LIVER GOT OUT OF ORDER AND THE WHOLE SYSTEM WAS POISONED.

When the course of the food through the alimentary canal is impeded by sluggish action of the liver or bowels the food remains undigested, and as a result it ferments. This gives rise to poisonous gases which crowd about the heart, and cause dizziness and choking sensations, as well as irregular action of the heart. The liver struggles to remove the poisons from the blood, becomes enlarged, and finally fails, allowing the poisons to pass on to every part of the human system, complications arise, and there is Bright's disease, hardening of the arteries and apoplexy. The earlier derangements of the digestive system are such as are described by this letter from Mr. Rochon. He also points the way to cure by use of Dr. Chase's Kidney-Liver Pills.

Mr. Louis Rochon, R. R. No. 11, Ottawa, Ont., writes: "For about seven months my stomach was very bad. I was troubled with dizziness and had gas on the stomach and awful pains in the right side. The liver seemed to be out of order, so I began using Dr. Chase's Kidney-Liver Pills. This treatment seemed to be exactly what I needed, and before the first box was all used I was cured and feeling as well as ever. I also used Dr. Chase's Nerve Food when feeling weak and suffering from nervous headache, and was soon restored to good health. I am proud of Dr. Chase's medicines, and recommend them above any other doctor's medicines."

Dr. Chase's Kidney-Liver Pills, one pill a dose, twenty-five cents a box at all dealers or Edmondson, Bates & Co., Limited, Toronto.

"SUCCESSFUL ISLANDER."—Among the passengers crossing by the car ferry on Monday morning was Mr. Joseph McLaren of Goose River, King's County, returning to Valdez, Alaska where he has spent the past four years engaged in copper mining. Mr. McLaren first went west in 1908 and worked for several years in British Columbia. One of his brothers, John McLaren is also in Alaska engaged in copper mining in which there is quite a boom just now owing to the great quantity of copper required in shell making. Both young men have made good since going west, but think there is no place like P. E. Island. Mr. Joseph McLaren has recently purchased one of the finest farm properties in Kings County situated at Rollo Bay and as soon as he gets his business affairs in Alaska settled he intends returning to the island and settling down permanently. The great distance to be travelled between P. E. Island and Alaska is shown by the fact that a return ticket for the round trip costs \$3000 three hundred dollars. Mr. McLaren spent several weeks on the island visiting relatives and friends before returning west.—G.

In the passing away of Mrs. John A. Murray of Clyde River, March 7th the neighborhood has lost a much respected and beloved neighbor and friend. She was a faithful wife, devoted mother, a home-stayer and an ever ready helper to those needing her attention. Of recent years she had been much troubled with heart weakness and her passing, though expected at any time, was a surprise to most because we had become accustomed to her rallying after so many weak turns. She leaves to mourn her going her beloved partner in life, three sons one of which is with the Canadian Army in France, and four daughters. There was a very large attendance of mourners and sympathisers at the funeral which took place at the home and the interment at the Baptist grave yard. The Revs. Hurn, Calder and McLeod were present and Mr. Hurn gave an appropriate and comforting address on the keynote of the redeemed "Hallelujah." It is in the home that she will be most missed as her tender, loving, christian spirit made her an endearing spot. Her voice there no longer vibrates in tones of love excepting in memory which will long be cherished.
