Start Saving Now

Some time in the life of a man, an urge comes to him that he must make a big effort to save. He may have been paying house rent for ten, yes twenty years, and it never dawned upon him that he has paid enough in rent to build a splendid house for himself. Did it ever occur to you that $40.00 a month rent for twenty years amounts to $9,600. You paid that much and what have you got for it? If you build a house, you have your home, and you can always make improvements, they are yours, but you pay rent indefinitely and what have you. Why not stop this, buy a building lot, that is the first start to make. If you cannot build this year convert your lot into a vegetable garden. It will pay you good dividends. The undersigned has a number of desirable building lots, some situated Upper School Street and Upper Prince St. and Allen Street.—Others in the city, and a splendid new street is under construction by the city

DIES IN PHILIPPINES— Miss Harriet Raymond a Baptist Missionary who was held prisoner of the Japanese for four years, died Thursday in Luzon. Miss Raymond, who served in the work of foreign missions in the Philippines for 30 years, was well known in Nova Scotia and P. E. Island. She had spent four years in the Bilibid Prison, Manila, and had been released when the American troops captured the town. Daughter of the late Rev. G. P. Raymond, well-known Nova Scotia Baptist clergyman, she had been serving as a missionary in the northern section of Luzon. When the Japanese invaded the town she was taken prisoner and interned until her release when Manila was recaptured. After her release Miss Raymond returned to the Maritimes on furlough and visited relatives and friends. She returned to her mission work only two years ago. Miss Raymond died suddenly Thursday and news of her death was a shock to her many friends and relatives in the Maritimes. Miss Raymond grew up in Charlottetown when her father the late Rev. G. P. Raymond was pastor of the Baptist Church. She is survived by two brothers, Harold of Halifax and Charles of Rosseau, Ontario.

WEDDING BELLS —Amid a setting of snow-white plum blossoms, King St., United Church, Trenton, Ontario, was the scene of a double ring ceremony on Friday, May 7, when Rev. J. D. Martin, united in marriage Dorothy Isobel, only daughter of Mr. and Mrs. R. Harry Crews and Robert Harrison Cairns, son of Mr. and Mrs. Frank L. Cairns, Summerside, P. E. I. The bride, given in marriage by her father, wore a handsome gown of white corded taffeta made with fitted bodice, long sleeves pointed over the hand, and full skirt forming a small train. Her finger-tip veil was gathered to a taffeta petal headdress and she carried an all white cascade bouquet of carnations, gardenias and sweet peas. She wore a strand of pearls, the gift of the groom. The matron of honor, Mrs. R. H. Browne, cousin of the bride, was attired in yellow nylon marquisette over gold taffeta. The two bridesmaids, Miss Norma Crockford and Miss Gratia Foster, were gowned alike in aquamarine faille. The head dresses were of pink carnations and tiny pink and yellow rose-buds. They carried matching bouquets. The groom was attended by George Binnington, and the ushers were Ronald Crews, brother of the bride and George Miluck. Before the service Mrs. Kenneth Crews sang "The Lord's Prayer" and during the singing of the register "O Promise Me" accompanied by Mr. George Downs at the organ. Following the wedding a reception was held at the home of the bride's parents, the bride's mother receiving in a gown of powder blue, with black accessories and a corsage of deep red roses. The bride's classmates, graduate nurses of Kingston General Hospital, assisted in the serving of the guests. The couple left for a short honeymoon in Toronto, the bride travelling in a light grey wool suit with pink sheer blouse and black accessories. Upon their return they will reside in Kingston.

Junior League Of Ch'Town Hospital

Following is the text of the report of the President, Mrs. J. A. MacMillan, submitted at the annual meeting recently of the Junior League of the Charlottetown Hospital:

This evening's annual meeting marks the end of a busy and eventful year for the Junior League of the Charlottetown Hospital. Formerly composed of a group of fourteen members, meeting weekly in each other's homes, the Junior League last year enlarged its membership to thirty-eight members, the weekly meetings being held in the Nurses' Residence. The Sisters of St. Martha were kind enough to give us the use of two rooms and the kitchenette every Tuesday evening, as well as allowing us storage space for our sewing and knitting supplies and our sewing machine. It has proved to be a most satisfactory arrangement and we appreciate the generosity of the nurses in foregoing the use of these rooms one night a week.

A chronological account of our year's work indicates that the past twelve months have produced some activity with every turn of the calendar. Following the reorganization on April 29th, 1947, we helped celebrate the graduation of a very excellent group of nurses by sponsoring a reception for their relatives and friends at the Sisters' Residence. We were delighted to see our efforts rewarded by having two hundred and fifty guests visit our tea table, which was beautifully decorated with the class colors. The members assisted Reverend Mother Paula in receiving the guests and serving in the Dining Room.

The month of June saw us carry out successfully in rapid succession the annual Tag Day and a rummage sale. A little later in the month we sponsored a well attended dance in the Holy Name Hall.

At the annual convention of the Maritime Hospital Association held at St. Andrew's, N.B., during the early part of June we were represented at the Women's Auxiliary sessions by Mrs. William McDougall, who read a report of our year's activities. On her return she gave us an interesting and instructive outline of the meetings. We found it very helpful to learn what the various hospital aids were doing throughout the Maritimes.

Regular weekly meetings were suspended during the summer months. In August Mrs. Simon Paoli graciously offered the use of her summer cottage for a very enjoyable corn boil.

Our first regular meeting of the fall season took place on September 16th. During this month the Junior League sponsored a very successful dance at the Whalen Memorial Hall.

Our share in the Charlottetown Hospital Annual Bazaar held in October is the supplying and maintaining of the popular Baby Booth. The members are responsible for the beautiful display of babies' and children's wear, and each year this booth has met with a fine response from the public.

Mrs. Coughlan's Departure

In October we said farewell to two of our most active members at a dinner at the Charlottetown Hotel—Mrs. John Coughlan, who was taking up residence in Amherst, and Mrs. Lynn Farrish, who was leaving on an extended trip to California.

During November another dance was sponsored at the Whalen Memorial Hall.

At Christmas four complete layettes were made and presented to the Social Service Department of the Charlottetown Hospital.

In February at the request of the students of St. Dunstan's the Junior League catered for the lunch at the St. Dunstan's Senior Prom held in the Holy Name Hall. The members supplied and served the refreshments during the dance. Later in the month our energetic Ways and Means Committee held a dance at the Whalen Hall. On February 28th about eighty student nurses and St. Dunstan's students were entertained by the Junior League at a card party at the Nurses' Residence.

The April 17th Spring Tea and Sale proved to be one of our most successful endeavors. Over three hundred attended, and the attractive tea table and gaily decorated candy and novelty booths drew many comments. This affair was quite an undertaking as it meant that all members contributed generously to the tea table as well as to the various booths. A great deal of credit is due to Mrs. Jack McEachern, convenor of the tea, and to all the members whose fine cooperation and hard work made the tea a decided financial success.

Other Activities

Besides these varied activities our Tuesday evenings have been busily spent making articles for the nursery of the Charlottetown Hospital. Special mention should be made of the untiring efforts of Mrs. Bernard Hughes and her work committee who planned the year's work and did all the cutting of articles to be completed by the members. Due to the committee's activity and enthusiasm, and the co-operation of the members who did a great deal of work at home, the hospital nursery was supplied with nine hundred and sixty-three (963) articles. This is indeed something of which we are very proud in as much as this is the original primary object of our organization. I feel justified, therefore, as your President, in congratulating you on this effort, particularly when all members contributed so well to the booths at the Hospital Bazaar and the Spring Tea. I might also remark in passing that this does not include the many articles mended and repaired for the nursery during the year.

This work could not have been accomplished too without the able financing of Mrs. John Connolly and her Ways and Means Committee. Due to the success of their many activities we were able to purchase large quantities of sewing materials such as flannelette, sheeting, etc., and wool for the articles for the booths at the bazaar and Spring Tea.

As an adjunct to the Rescussitator which we were able to provide for the nursery some years ago, we purchased an Infant Oxygen Tent adaptable to cribs and incubators. As your Treasurer will report, we also purchased several government bonds to be used in the near future to furnish a room or rooms in the new Maternity Wing.

In conclusion, May I say how much I have enjoyed working with you as President this year The wonderful co-operation the executive received and the enthusiasm with which the members tackled each new project made the past year a truly memorable one for me. The members have worked untiringly each week at our regular meetings and have participated in our various projects with the greatest interest.

To the new President and executive I wish the best of luck. To the members I would say only that as the new wing of the Charlottetown Hospital becomes a reality our efforts will be needed more than ever. A larger Maternity Department and Nursery will necessitate a great deal in the way of additional supplies. It may be that our membership should be enlarged to provide additional workers so that we can continue to meet the requirements of our expanding institution. However, looking back on the past year's success, I feel confident that the members will be equal to the demands of the coming year.

I would suggest to the incoming executive that in view of the fact that our membership is increasing year by year, they should study carefully the possibility of setting up a definite constitution and by-laws. I would suggest also the formation of a somewhat larger executive, the formation of permanent standing committees, and a definite set of regulations for the election of officers.

As your retiring President I could not complete this report without congratulating on your behalf the Board of Management of the Charlottetown Hospital for their courage and foresight in meeting the demands for increased accommodation by providing the magnificent new pavilion which we all hope to see in service before our next annual meeting. I feel that I can assure them that the Junior League will be proud indeed to associate itself with them in providing for our public all the facilities for a modern well equipped hospital.

D. Eileen McMillan,
Retiring President.
