Last evening in the church of the Epiphany, in Elmwood, Miss Gretchen Kohlbagen, a teacher in the Rhode Island School of Design, was married to Russell W. Wright. Over 500 guests were present including friends and relatives of the couple from this city, New York and Manchester, N. H. There were a large number of members of the German Club present, who occupied seats which had been reserved for them. The bridal procession consisted of the four ushers, the four bridesmaids, the maid of honor and the bride, leaning on the arm of her father, Friedrich Kohlhagen. The ceremony was performed by Rev. Henry Bassett, rector of the church. The maid of honor was Miss Erika Kohlhagen, a sister of the bride; Louise Green, Laura Albans and Olive Fulton. The best man was Wesley Crawford, and the ushers were Alfred J. Moss, George L. Russell, George Thompson and William C. Chambers. The costumes of the bride and the bridesmaids were unusually attractive, the bride being attired in white crepe de chene, with silk point de Venise lace, embroidered in French knots, and a girde of white crepe de chene. She wore a tulle veil fastened with orange blossoms, and carried a shower bouquet of lilies of the valley. The maid of honor wore a gown of pale blue imperial crepe, with a collar embroidered with tear drop pearls and carried white roses. The bridesmaids wore white peau de l'yrano silk, trimmed with point de Venise lace and a bodice of blue crepe de chene. The groom's gifts to the ushers were stick pins set with pearls and sapphires, and the bride gave to her maids rose gold brooches, set with pearls. Following the ceremony there was a reception at the home of the bride's parents, 236 Atlantic avenue. After a brief wedding tour Mr. and Mrs. Wright will reside at 12 Hammond street. (The above is taken from the Evening Bulletin, Providence, R. I. The groom, Russell W. Wright, formerly belonged to Victoria P. E. I. where his grandmother Mrs. Boswell resides and is a nephew of E. Boswell of that place. Mr. Wright holds a position as book-keeper in the largest departmental store in Providence R. I. where 500 hands are employed.)

 By Rebuilding His Wasted Frame With Ferrozone  
 If it is Health, Renewed Vigor, Well Balanced Nerves You Want, Try The Food Tonic Ferrozone.

No stronger evidence than the case of Jno. M. Ainslee is needed to prove that Ferrozone is unsurpassed as a tonic and restorer of strength from his home in Bartonville, Mr. Ainslee says: "I had typhoid fever two years ago, and for a long time couldn't get strong. I carefully followed my doctor's orders and for months took his medicine regularly but no matter what I did I couldn't get up enough strength to take up active employment again. Like most weak people I was also nervous and finally had to give up the doctor. I read of Ferrozone and decided to try it. I took the first box with fair results. I felt stronger. The second box astonished me and my strength returned very rapidly. I kept on using Ferrozone and my friends then noticed how quickly I was improving. This encouraged me to take more Ferrozone and my strength all returned in two months. When I started Ferrozone I gave up all other medicines and can say that it alone recovered me. For weak nervous people, Ferrozone will do more good than any thing else."

Ferrozone is both a food and a medicine. It builds up the wasted tissue and strengthens the weakened nerves by giving the system a plentiful supply of pure nourishing blood. It puts new vigor into every organ of the body, dispels nerve sickness and lassitude. The person that uses Ferrozone will have a good appetite, healthy complexion, good digestion and a reserve strength that will enable you to resist pneumonia and weakening fevers.

Ferrozone is not a nauseous cod liver oil mix ure, but a chocolate coated tablet, combining the most strengthening elements in condensed form. Very easy to take. Its sale has multiplied year by year and no remedy to-day holds a higher place in the esteem of the public. The success of Ferrozone is due to its ability to give strength to the weak, and cure the sick of their troubles. Insist on getting Ferrozone when you ask for it, and refuse to deal with any druggist who tries to induce you to accept a less substitute affording him more profit. Price 50 cents per box, or six boxes for \$2.50, at all druggists or by mail from N. G. Fulton & Co., Kingston, Ont., and Hartford, Conn., U. S. A.
