Mellish enlisted in the west in the 100th Battalion (Winnipeg Grenadiers) several months ago. The battalion is on the way to England to embark for England. This makes seven grandsons and one son of Mrs. D. Johnston of Montague, who have offered their services to their King and Country, one of them giving up his life.

MARITIME LADY HONORED.—The interesting announcement has been made by the London Times that the King has appointed Mrs. Agnes Dennis a Lady of Grace of the Order of St. John of Jerusalem. Mrs. Dennis is the wife of Senator Dennis, of Halifax. She has been president of the Halifax Local Council of Women for many years, and since the war broke out has been president of the Red Cross Societies in Nova Scotia besides being prominent in philanthropic work generally. She has been in Europe with her husband for several months.

A GREAT SHOWING.—It is doubtful if any commercial institution in Canada is able to make a showing equal to that of the Canadian Bank of Commerce in the number of its staff who responded to the call for men to go overseas in the great world war now in its third year. In all 1,150 men responded to the call, a whole battalion in themselves. All ready forty-nine of these have made the supreme sacrifice while the wounded run into the hundreds. The head office has issued a large card bearing the names of the killed and wounded, which is to be displayed in every branch.

RECEPTION TO SIEGE BATTERY.—The hall of Zion Church was the scene of a very enjoyable time last evening when the young people of the congregation tendered a reception to the members of No. 5 Siege Battery. The room was prettily decorated with flowers and the National Colors. About seventy-five of the soldiers were present and a large number of young people attended to welcome them. The programme was as follows: Chairman, P. J. Nash; Piano Solo, Miss Lillian McKenzie; Vocal Solo, Miss Ross; Solo Prof. Barlow; Reading, Mr. Edgar Shaw; Solo, Miss Sutherland. The games which included a spelling contest, dressing clothespin contest, musical chairs and others furnished much enjoyment. Light refreshments were served and the evening of pleasure ended with the National Anthem.

VISITING THE ISLAND.—Mrs. D. A. Sutherland and her daughter, Mrs. Thomas Taylor and little child who have been visiting friends in Montague, spent Sunday the guest of Mrs. D. Mackay, of Pleasant Street. Tuesday they went to Kingston where they formerly lived. Mr. Sutherland and family moved out to the west twelve years ago. Russell, their youngest son, is a Lieut. in training at Aldershot, where his battalion will leave shortly for England. The other son, Percy is visiting in Montague, the guest of his uncle, Wm. Sutherland. They leave for Winnipeg again the first week in October. Mr. Sutherland holds a responsible position there. Mrs. Sutherland sees a great many changes and misses a lot of her old friends who have either removed to other parts or passed away.

RECRUITING IN NEW BRUNSWICK.—The Frederickton Gazette says that Lieut.-Col. L. H. Beer, officer commanding the 140th Battalion, arrived here this morning from St. John and will be one of the speakers at the recruiting rally to be held in the Opera House tonight. Colonel Beer is on a tour of New Brunswick to secure the men to fill up this gap. Practically all the applicants have been rounded up and the battalion is ready to go overseas as soon as the present campaign is completed.

WELL DONE L. P. U.—Yesterday a messenger from the Labourers' Protective Union handed to Mr. J. M. Hughes, Honorary Treasurer of the British Sailors' Relief Fund the handsome sum of \$241.25 as a donation to the fund. The amount represented the proceeds from the Labour Day Sports held in Charlottetown. The donation was a very generous one and the Union deserves the utmost praise for its liberality. It may be noted incidentally that this makes a total contribution of \$700, from the Labourers' Protective Union to the various patriotic funds, an amount probably not exceeded by any other society in the province.

WORLD'S TROTTER RECORD SET.—At Syracuse, N. Y., the other day Lee Axworthy, the world's champion trotting stallion, lowered his own record by negotiating a mile in two minutes flat. Paced by two running horses the son of Guy Axworthy never faltered during the trial against time, trotting each of the four quarters in exactly thirty seconds. Axworthy's former record was 2:00 1/4. Under perfect weather and track conditions his driver, Ben White, essayed to break the track record of 2:01 1/4 held by The Harvester, and his feat in also shattering the world's record will go down in history as one of the greatest achievements of the sport.

OF LOCAL INTEREST.—The Halifax Herald says that the government steamer Lady Laurier sailed yesterday for Sable Island, the place from where the ponies come, the sand heaps that mark the last resting place of many a gallant ship. The Lady Laurier took a general cargo of supplies for the inhabitants of the island and will bring back a load of ponies for the exhibition. She had in her cargo a good number of empty barrels to be used for cranberry shipments. Cranberries abound on Sable Island. It is a twelve hour run for the Lady Laurier from Halifax to Sable Island. There is no wharf or shelter and cargo has to be landed in boats. It is no easy task to get on board the wild, airy ponies bred on the island, but it is expected the ship will be back in Halifax before Thursday morning.

WEDDING BELLS.—The wedding of Miss Lottie May Twombly and John Isaac Gillis took place at high noon Sunday at the home of the bride, 52m street, Newmarket, N. H. The service was performed by Rev. William Ramsden, pastor of the Federal church, of which the bride is the organist. The bride wore a beautiful gown of white liberty satin, embroidered with pearl trimming, and carried a shower bouquet of white sweet peas. The bridesmaid, Miss Edna Ellison, of Reading, Mass., a cousin of the bride, wore a gown of yellow Georgette crepe, braided with satin. Harry Gillis, of Boston, cousin of the groom, was best man. The bridal party included the pastor, the organist, and the wedding march from Lohengrin, played by the Newmarket Orchestra of five pieces. The double ring service was used. One corner of the parlor was a mass of green filled with golden glow blossoms, where the bride and groom stood. Mrs. Abbie Willey, the bride's grandmother, 85 years old, was the guest of honor. A small circle of the family's relatives and nearest intimate friends were present. Following the ceremony refreshments were served. There were numerous presents of cut glass, silverware, napery and a purse of gold. Mr. and Mrs. Gillis left by auto at 2 p. m. amid a shower of confetti and good wishes. On a brief tour, Mr. Gillis, who came from Prince Edward Island, is a carpenter, and at present is employed on the new houses being erected by the Newmarket Manufacturing Co. Their great host of friends wish for them a long and happy life.

Mrs. Dunning of Granville has received the following letter from the officer commanding the regiment in which her son was killed: Belgium, August 21. Dear Madam:—You have probably been already advised of the death of your son Claud on the field of honor, but I wish to pay a tribute to his sterling qualities and to his coolness and bravery. On the 12th of August we were subjected to a very severe bombardment and in the course of it your son was instantly killed. It will be some satisfaction to you to know he did not suffer. Although he came here from another Battalion he had been with us so long that we looked upon him as one of our own. It is this sort of chap that we miss and it always seems as though the best are taken. With the heartfelt sympathy of us who were his comrades. Yours truly, F. S. RALSTON.

TO MR AND MRS D. S. DUNNING AND FAMILY. Dear Friends:—We the officers and members of Pearly Stream Division, S. O. T. While we deeply regret his loss as a comrade and brother, and fully realize your loss to be irreplaceable we should not forget that he died a hero, and his memory shall long be cherished by us as one who shed his best blood for the flag. In your deep sorrow we commend you to the guidance of Him who can transform the darkest cloud into glorious sunlight. The deepest sorrow into a song of joy. Submitted in L. P. and F. Ethel J. Mallett, Myrtle C. Taylor, Gwen Joyn McLeod. Halifax, September 5th, 1916.

VALUABLE FIND.—Mrs. Harry Dawson of Sea Cow Pond was preparing a freshly caught codfish. On opening the fish she noticed a rather hard substance in the fish's stomach and upon examination, she discovered a beautiful gold ring finely set. The ring was accordingly sent to a jeweler who pronounced it a magnificent diamond ring valued at \$300.00. That "there is as good a fish in the sea as ever was caught" is often said, but "Mr. Cod" will have to go some to outstrip this one.—Y.

A SOLDIER REMEMBERED.—A large number of friends, neighbors, and chums, gathered at the home of Mr. and Mrs. MacEachern, Garfield, on Sept. 14th, where a farewell service was given to their son, Pte. Everett MacEachern, who had spent a short furlough here. Pte. MacEachern was given a surprise in being presented with a well-filled purse. The address was read by Miss Mabel McInnis and the purse was presented by Mr. William McWilliam. The gallant soldier expressed his surprise and thanked the donors for their generous gift. He remarked how delighted he was to see so many kind friends around him, and how this pleasant evening would always remain fresh in his memory, no matter where he might have to go. A hearty applause followed. Ice-cream, cake, and coffee was then served. A very delightful evening was spent in song and dance and was closed by all singing, "Keep the Home Fires Burning" and the National Anthem. Following is the address:—Dear Everett:—We your friends and neighbors gather here at your home tonight to try and show you to us all. We fully realize that this is your last night in our midst, before you depart for England to "do your bit" for King and country, and although we feel sad at parting, still we feel proud that you have so bravely left the home and friends so dear to you, to answer your country's call. We wish you a very happy birthday, and ask you to accept this purse, as a reminder of this our last evening together. We your friends hope and pray, that when this war has ceased, you will again return to us, "safe and sound" and that we may spend many more pleasant evenings together, that God may bless and keep you until then, and that you may have many more happy birthdays is the wish of all your friends.

Government House, Sept. 14th, 1916. To the women of Prince Edward Island. The following telegram has been sent to me by Lady Borden: Three months ago Her Royal Highness the Duchess of Connaught was informed of the desire of the women of Canada to present to her on the occasion of her departure some token of their deep appreciation of her active and unflinching interest in all that concerns the welfare of this country. Her Royal Highness decided she could not accept a personal gift under present conditions. The suggestion was also made to Her Royal Highness that in memory of her association with Canada a fund might be raised for some patriotic purpose connected with the war. Her Royal Highness thought it would be unwise to add another to the numerous funds now being raised. The earnest wish of Canadian womanhood to commemorate the occasion in some worthy manner, having again been brought to the attention of Her Royal Highness she has graciously consented to let us have the appointment of "Prisoners of War Fund". As the time for making the appeal is limited, will you kindly place it before the women of your Province as early as possible as worthy of their sympathy and co-operation. (Signed) LAURA BORDEN. In appealing to the women of Prince Edward Island I feel assured they will do all they can to help the great, charitable work "The Prisoners of War Fund" in honour of Her Royal Highness the Duchess of Connaught and to show their appreciation of all the good patriotic work done by Her Royal Highness during her stay in Canada which to the regret of all will soon be at an end.

Sincerely yours, MARY E. MACDONALD. Mr. G. W. Harrison of the Canadian Bank of Commerce in Charlottetown has kindly consented to receive any donations to this fund or the same may be sent to Mrs. MacDonald at Government House and they will be acknowledged from time to time through the press.

THE AMELIA.—A St. John despatch says—The little steamer "Amelia," which plies between Pictou and Prince Edward Island, has fallen into a tidy fortune for salvaging the Belgian steamer "Industrious," realising possibly as high as \$100,000. The steamer was abandoned when it threatened to go on rocks at Magdalen Islands. Eventually it was wrecked, but drifted clear about a week ago, and was picked up by the Amelia and towed to Port Mulgrave, N. S. She has a lumber cargo shipped at Campbellton for across Atlantic.

ISLANDERS MEET.—The regular meeting of the Prince Edward Island Club was held in the O'Brien Hall, Vancouver B. C. on Friday evening. Each number was well received, but Mrs. McLeman's "Peppermints" won especial applause.

(Canadian Press Despatch) OTTAWA, Ont., Sept. 14.—The arrival of several cars of New Brunswick potatoes in Ottawa to-day was a Godsend to the householders. It broke the price of that important foodstuff. Last week dealers refused \$2.50 per bag, but to-day they were glad to sell at \$2.00. More New Brunswick potatoes are expected in the next week or two, and no doubt they will have the effect of making the local price more reasonable. The quality of the eastern potatoes is first class and they were brought in owing to the heavy price charged by producers in this vicinity.

(Canadian Press Despatch) COPENHAGEN, Sept. 14.—The new efforts toward solving the question of the sale of the Danish West Indies to the United States, by the formation of a coalition cabinet have failed. The collapse of the latest attempt to reach an agreement was brought about by the demand of the radical party that the general elections be postponed until May, 1918. The left and conservative parties were ready to postpone the elections until the close of the war. They would not agree, however to the enactment of the law postponing the elections, until 1918 as they want them held as soon as the war is over. It seems now that the sale question can be solved only by general elections.

(Canadian Press Despatch) AMSTERDAM, via London, Sept. 14.—The German newspapers attach staff Field Marshal Von Hindenburg profound importance to the confer- and first quarter-master General Von once now taking place at the Ger- Ludendorff, representing Germany, and eastern headquarters. Those in Archduke Charles, representing attendance include the German Em- Austria-Hungary; King Ferdinand and the Crown Prince, represented by the imperial chancellor, Dr. Pascha, who it asserts is endowed with Napoleonic genius. The Dutch papers suggest that the conference is considering new and drastic strategic changes in the nature of sacrifices, on one or both an enthusiastic tribute to Enver fighting fronts.
