ARE YOU LIABLE

to accidents while at work? If so, you should carry a box of Zam-Buk. In the workshop or factory, when an accident occurs, an immediate application of Zam-Buk will save much suffering and consequent loss of time. There is nothing like Zam-Buk for stopping pain, and being a strong antiseptic it destroys all germs and prevents wounds from festering.
Mr. J. Benson, an iron-worker, of Sheridan St., Brantford, Ont., says: "I am always getting bits of metal in my hands, which invariably begin to fester unless I apply Zam-Buk. Needless to say, I am never without a box of Zam-Buk."
Mr. Austin Finlayson, of Oak, Sask., writes: "While at work I cut my hand with a saw. Not thinking it serious, I neglected the cut until it became very sore and festered. I then applied Zam-Buk, which soon drew out the inflammation and healed the cut. Had I only applied Zam-Buk in the first place, I would have been saved much pain and inconvenience."
Zam-Buk is also best for eczema, ring-worm, ulcers, old sores, blood-poisoning, boils, abscesses, piles and burns. All druggists 50c. box, or Zam-Buk Co., Toronto. Send 1c. stamp for postage and we will send free trial box.

MOST WOMEN NEED THIS

Ferrozone Brings Good Health. It Brings Good Looks, and is Counted An Invaluable Friend By Millions of Women on This Account.
Many women look old and lose their beauty, not only through age, but through disease, ill health and suffering. If you don't feel your best, of course you won't look your best; and as long as your blood remains impure, your nerves unsteady, don't expect to feel tip-top.
If you have no appetite, poor digestion, are bilious and constipated, your skin will be sallow and pimply, with an unnatural pallor about the cheeks.
Women without number who have suffered the mortifications of this run down condition, have made themselves healthy and well by taking Ferrozone. It is a wonderful remedy for the blood and nerves, and brings good looks because it brings good health.
Take Ferrozone for your beauty. It is a wonderful restorative, and strengthens for weak women, purifies and enriches the blood, and sends it circulating to all parts of the body. Thus it builds up muscle and tissue, puts on fat and makes the action of the heart regular and strong.
Nothing can possibly do you so much lasting good as Ferrozone. It will enable you to go through life with pleasure and assurance, free from sickness and worry. We are quite sure you need Ferrozone, and know it will do you immeasurable good.
Three weeks treatment costs 50c., or three times that much for \$1.25. At all druggists.

OSTERMOOR MATTRESS
is as good today as when I bought it thirty years ago."

"The whole family has enjoyed years of restful, refreshing sleep on our OSTERMOOR MATTRESSES—and I have not spent one penny in fixing them up.
"They have never needed renovating, and have never matted nor become lumpy in all the 30 years we have been sleeping on them.
"Except for an occasional sunbath, my OSTERMOORS get practically no attention. Yet they have retained their even softness and their elasticity throughout all these years.
"Is it any wonder that I am enthusiastic over the OSTERMOOR, and recommend it to everyone who wants the luxury of restful sleep?"
"The OSTERMOOR MATTRESS is made of "a thousand sheets of down." It is built—not stuffed—in layers of finest selected, long fibre cotton felt, pressed into casing of the highest grade artistic ticking.
THE PRICE IS \$15
in Canada as well as in the United States. And every OSTERMOOR is readily distinguished by the binding around the edges, bearing the name "OSTERMOOR" (as shown around this advertisement). You cannot be too particular in looking for this distinguishing mark.
"Ask your dealer for it or write to us for the name of your nearest agent. Buy a Banner Spring (Patented July 1908) at the same time and thus secure the best combination for sleep comfort.

NEW YORK, April 22.—Detectives visited West Point yesterday and investigated the story told by Octave Charles Glennorris, a convict in a Rhode Island prison, that he aided in the burial there of a young woman resembling in description the missing Dorothy Arnold, of New York. Inspector Fauriol, in charge of the detectives, who returned at a late hour last night, was reticent as to the result of the trip. "We have furthered our investigation and are satisfied with the result," was all he would say.
From others it was learned that a house which Glennorris gave to the Rhode Island officials and the detectives went to a deserted house several miles from the town. It corresponded with the description of a house which Glennorris gave to the Rhode Island officials and the detectives went to a deserted house several miles from the town. It corresponded with the description of
