OLD CITIZEN DEAD.—Mr. Patrick Brennan of Kensington died on March 27th, at the ripe age of 90 years. Mr. Brennan led an exemplary life, and enjoyed the love and respect of all. Mr. Brennan lived on his farms in Clermont earlier in life and amassed a comfortable fortune. He was a generous giver to church and worthy organizations. He enjoyed remarkably good health till three weeks before his death.—K.

FAREWELL PARTY.—An enjoyable evening was spent on Wednesday the 29th inst., at the home of Mr. and Mrs. J. M. Noonan, Summerside, by the Ladies Auxiliary of the A. O. H., the occasion being a farewell party to their former president, Mrs. John P. Gaudet on the eve of her departure to her new home in Richmond. About twenty-five ladies were present and the evening was spent in singing patriotic songs, the accompanying pianists being the Misses Noonan and Miss Annie Cameron. Mr. J. M. Noonan rendered a few choice selections on the violin which was highly appreciated. Lunch was served at 10 p. m., when singing and music were again indulged in. An address was read to Mrs. Gaudet by Miss Katie Doyle after which a presentation of a silver pudding dish was made by Miss Annie Cameron on behalf of the Auxiliary. The event was brought to a close by many good wishes for Mrs. Gaudet and the singing of Auld Lang Syne, She's a Jolly Good Fellow and God Save the King.—H.

WEDDING BELLS.—The home of Mr. and Mrs. Leslie Woodside, Clinton was the scene of a very pretty wedding Wednesday evening, March 22nd when their only daughter, Sadie Winnifred was united in marriage to Robert James Glover of Bickleigh, Saskatchewan son of Mr. and Mrs. George Glover, Norborough. Rev. H. R. Bell of Kensington officiating in the presence of one hundred and forty guests. The bride entered the parlor leaning on the arm of her father to the strains of the wedding march played by her cousin, Miss Rena Milligan, Summerside. The bride was beautifully attired in cream satin trimmed with silk embroidered net, with veil and orange blossoms and carried a snow bound of white carnations and maiden hair fern. After the ceremony and congratulations the wedding supper was served. The young couple were the recipients of many handsome presents, among them being a beautiful Bible from the Clinton Sunday School of which the bride was a valued member. Mr. and Mrs. Glover leave in a few days for their future home in Bickleigh, Saskatchewan, where Mr. Glover has resided for the past five years.

WEDDING BELLS.—Upwards of one hundred guests assembled at the commodious residence of Capt. Duncan and Mrs. MacDougall, Belfast, on March 8th, the occasion being the marriage of their only daughter, Marion to John H. MacDonald, formerly of Orwell Cove, but now of Calgary, Alta. The ceremony was performed at 8 p. m. by the Rev. J. W. MacKenzie, pastor of St. John Presbyterian Church. The bride who was given away by her father was charmingly attired in white attended by Miss Marion MacDonald, sister, with a bouquet to match and was of Charlottetown, who appeared in pink silk, while the groom was supported by Mr. Ernest MacLeod, Orwell Cove. After the ceremony the contracting parties including the guests, repaired to the dining room where an excellent wedding supper was served, after which dancing was indulged in to a great extent, the chief music being the bag-pipes, led by Capt. Angus MacDougall, Charlottetown, uncle of the bride, assisted by Mr. Norman Gillis of Ellon. The most notable part of the programme was the MacDougall—feet dance by the bride's father and his three brothers, viz. Capt. Angus, Alexander and Charles, all stalwart men over six feet in height. The presents were numerous and costly, being chiefly silver-ware and money, the most notable being a \$200 gold piece given to the bride by the groom's father, Mr. Alexander MacDonald, Orwell Cove. Mr. MacDonald's present to his bride was a set of valuable milk furs. After spending a few days visiting relatives and friends on the island, the happy couple left by the Prince Edward Island in route to their future home in Calgary. The Guardian joins with their many friends in wishing them a happy and prosperous journey through life.

MOTHER! YOUR CHILD IS CROSS, FEVERISH FROM CONSTIPATION

BAD, STOMACH SOUR, CLEAN LIVER AND BOWELS

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, ...

Try this Test

Place an aluminum utensil, empty, over a fire and when utensil has become heated throughout, throw into it a pint of ice-water. You will find the utensil unaffected.

THAT'S one reason why "Wear-Ever" ware lasts a generation. And there are other reasons.

"Wear-Ever" Aluminum Utensils

Are made from thick, hard sheet aluminum, 99 per cent. pure, without joints, seams or soldered parts. No coating to peel, crack or blister. Cannot rust, cannot form poisonous compounds with fruit acids or foods.

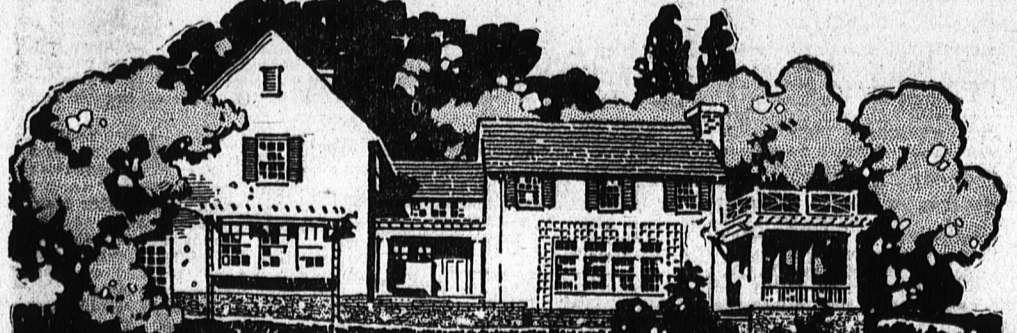

"Wear-Ever" ware saves you food too. Aluminum utensils are less liable to scorch food than others. And even if you let them boil dry "Wear-Ever" utensils can be cleaned without difficulty and will be found uninjured.

Replace utensils that wear out with utensils that "Wear-Ever"

Move In When the House is Done

No waiting for plasterers and cleaning up after them; no waiting for plaster to set and wallpaper and mouldings to be put up. You can move in when the house is done if you use Beaver Board for the walls and ceilings.

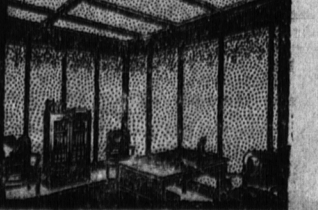

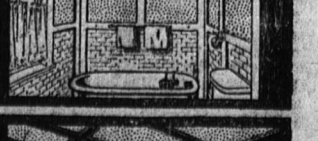

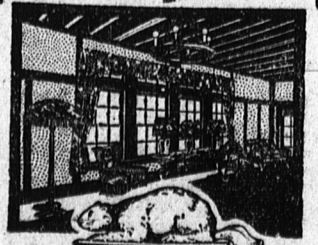

BEAVER BOARD

Those who get acquainted with Beaver Board for the first time think it strange that this most durable of all wall and ceiling materials can be put up and finished so quickly. One man finished a dining room in a day, including decoration.

Beaver Board is painted—not papered—and gives beautiful decorative effects. It is warmer in winter, cooler in summer and lasts as long as the house does. It is the most sanitary of all wall materials. It is the only thing for summer cottages because it stands up in all weathers. Cheaper and better for stores and offices than steel ceilings.

If you are planning any building or remodeling—from a fine home to an attic bedroom—call us up and let us tell you about Beaver Board and The Beaver Board Companies' free Design and Decoration Service.

There is Money in Poultry Keeping

There is every indication that there will be a big demand for eggs and poultry—in fact, the markets are bare a great part of the time. There is no department of the farm that pays better dividends for the amount of labor expended, but to get the biggest profits from Poultry Farming, you must be equipped with the most modern methods.

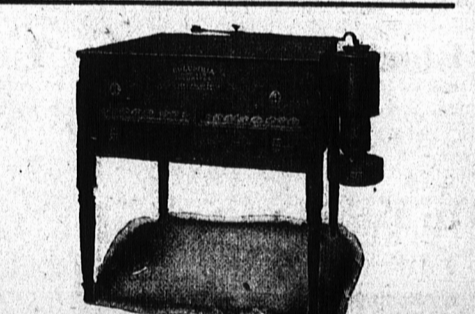

Cyphers Incubators, Hovers, Brooders, etc., are the most modern and improved that any manufacturer has yet placed on the market. Our sale for those goods is increasing every year. The most successful poultry farmers everywhere use Cyphers'. Order one today—begin now and have your chickens ready for the early markets' biggest prices and your young hens laying in the early fall.

The Surest Chick Producer. Guaranteed for 10 yrs.

Cyphers Portable Hover

Soon Pays for Itself. P84—Cypher's Adjustable Hovers self-regulating, self-ventilating, lined with asbestos, for use in home brooders, colony houses, etc. May be moved from one brooder or coop to another at will. Complete with a Standard Cyphers Regulator, tested Brooder Thermometer and bearing the label "Inspected Brooder." Guaranteed to satisfy every purchaser. Our special price \$10.50.

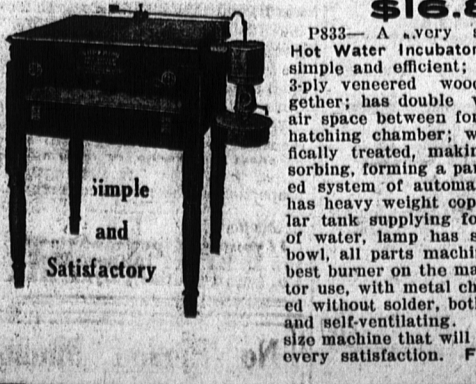

HOT AIR INCUBATOR

P85—Columbia Hot-Air Incubator, case made of three-ply specially selected veneered wood, finished with double walls, warm air space between which assists in maintaining a uniform temperature. The heater is made throughout without solder, fume proof, well protected by an asbestos jacket, is metal capped and metal banded; has seamless bottom lamp bowl. This machine is made by the Cyphers Company and includes their patented diffusing principle of heat mixture, uniform circulation and self-ventilating. Shipped complete as illustrated with book of instructions. 140-egg size. \$18.40.

GRIT, FEED BOX

F73—Cyphers Grit & Shell feed box made of galvanized iron with a slanting cover, prevents roosting, has 3 compartments for grit, oyster shell and charcoal, feeds gradually as used, will soon pay for itself in saving of waste; can also be used as dry food hopper for small flocks. Price 75c.

RELIABLE AND SIMPLE 130 EGG INCUBATOR \$16.50

P83—A very superior 130-Egg Hot Water Incubator is wonderfully simple and efficient; case is made of 3-ply veneered wood cemented together; has double walls with warm air space between for protection of hatching chamber; walls are scientifically treated, making them non-absorbing, forming a part of the improved system of automatic ventilations; has heavy weight copper boiler, tubular tank supplying forced circulation of water, top has seamless bottom bowl, all parts machine made; has best burner on the market for incubator use, with metal chimney constructed without solder, both self-regulating and self-ventilating. This is a good size machine that will be found to give every satisfaction. Freight Paid \$16.50.

DRY FOOD HOPPER

F74—Special Dry Food Hopper is a device that saves 25 to 50 per cent. of the food in daytime. It is made of galvanized iron with hanging hoods, and wire front, self-adjustable wire feed front, sizes 17x8x13 inches. Price \$1.20.

Cyphers Out-Door Brooders

STYLE "A" This is a combination of Outdoor Brooder and colony roosting coop. It is built throughout of 3/4 inch thick white pine, including the floor and has double doors for convenient cleaning, summer ventilation, and has wire mesh protection for night airing. It is equipped with Cyphers Fire proof Standard Adaptable Hover and rooster heater, self-regulating, self-ventilating and fitted with all latest features. Price, prepared \$18.40.
