WANTS THE GUARDIAN.

"Please send the Guardian sure" is the interesting postscript to a soldier's letter sent by the family to this paper today. Many hundreds of soldiers have written similarly. Better send The Guardian along to YOUR boy.

The Central Guardian

IT PAYS to buy in this Province.

POWNAL CIRCUIT.—Services Aug. 27th. Clifton (in church), at 11. Mt. Herbert (in Hall) at Pownal at 7.

IMPROVEMENTS.—The Bank of Nova Scotia, Victoria, is having the electric lights installed. It is expected that they will soon be installed in the Methodist church. Mr. William Brander of Summerside is the contractor.

MUSIC BY THE PIPERS.—The pipers who have been in town since the Scottish Gathering, have entertained large gatherings of citizens in Queen Square gardens nearly every night since with their selections. They will give a special concert in the Gardens on Friday night.

WESTERN COMMENT.—The Calgary Herald of the 14th inst., contains the following reference to Lieut. Joseph L. Macpherson of West Royalty, P.E.I., accompanied by an excellent half-tone portrait: "Lieut. Macpherson was formerly accountant of the Canadian Bank of Commerce in this city, and is well known throughout the west in financial circles. He left here as lance-corporal and was promoted to lieutenant while on active service in France. He was recently reported wounded."

OUTWARD PASSENGERS.—The S. S. Halifax, sailing from Charlottetown on Tuesday night, had the following passengers: R. E. Johnston, Mr. Lilly, Miss M. S. Murray, Misses Leach, Dr. L. J. Lawton, G. J. Hewson, Margaret McAulay, Miss Walsh, Miss W. McDonald, Mrs. Broderick, G. A. Gould, Mr. Thomson, Mrs. M. Ware, Mrs. Henderson, E. S. Cooper, W. W. Collins, E. Smith, Miss Maud Marshall, Miss Isabel Hewson, Miss A. Cummings, J. P. Goshlyx, F. W. Morris, Howard Grey.

JUST WANTS THE CHANCE.—Referring to the honor recently conferred by the Pope upon Hon. Charles Dalton, the editor of the Truro News says: "Hon. Charles Dalton made his money in the breeding and raising of silver foxes; and when we make a haul, half as big as did Mr. Dalton, in our Gold Mine Black Fox Company, we will give our genial friend, Monsignor Kennedy such a contribution for church purposes that His Holiness will be in trouble to find a little big enough with which to reward our generous liberality."

THE CAR FERRY.—The Sackville Tribune says: "The Minister of Railways, Hon. Mr. Cochrane, passed through Sackville on Thursday to inspect an inspection of the car ferry works at Tormentine and Carleton Point. Nothing official in the shape of an announcement concerning these works has been made but it is understood that the pier and works at Cape Tormentine will be ready somewhere about the middle of November. The Island side is not so far advanced, but practical men who are familiar with the situation estimate that traffic will probably commence somewhere toward the latter part of December."

CORNWALL SERVICES.—The services at Cornwall circuit next Sunday will be as follows: Wiltshire 11 o'clock; Kingston, 3; Cornwall, 7. Rev. J. Heaney. Cornwall 11; Mr. George Rackham. Hampshire, 7 p.m., Mr. W. H. Boyle.

READY TO FIGHT AGAIN.—Private William Delaney, of Kensington, who was invalided home from France some months ago on account of a wounded leg is all right again and left yesterday for Fredericton to join the 284th Battalion which will leave shortly for the front. Private Delaney is a good example of the stuff of which heroes are made.

BLACK FOX INDUSTRY.—The Star-John Telegraph says:—Robert L. Todd of Milltown, ranch manager for the New England Karakule Sheep and Fur Company, was in the city for a short time yesterday while en route to Moncton. Mr. Todd is to bring back from Moncton a pair of pure black foxes, which after a short rest at the ranch in Milltown, will be shipped to Boston. The demand for pelts, this year, will be far in excess of the supply. Mr. Todd says, and he believes that the fox raising industry in this section has still a bright future.

JOIN THE COLORS.—The teachers of this province are no doubt doing their share in the present great conflict. More young men have enlisted from the teaching profession than any other profession on the Island. On Friday Mr. Roy Dunn left the province for Halifax to "don the khaki" and "do his bit for King and Country." Mr. Dunn was a teacher of more than ordinary ability who achieved a marked measure of success in his chosen profession, and although enjoying a lucrative position, cheerfully gave it up to begin a more honorable and nobler one. Another brother, Wm. F., is in the Siege Battery, stationed at Charlottetown. Both young men are well known in this city, where they attended Prince of Wales College. Their many friends wish them good luck in their noble undertaking.

SUCCESSFUL PICNIC.—The picnic held by the people of the Episcopal church, Crapaud, on the Rectory grounds, Saturday afternoon last, was a decided success from every point of view. Financially it exceeded all expectations, as nearly three hundred dollars were realized. Among the features worthy of special mention were the grab woman, the two peanut vendors, and last but not least the little field clown, all of whom amused and delighted the large crowd present. The tables, as usual, were all that could be desired, and the "inner man" feasted until he was satisfied. The swing, always a source of amusement to old and young, was in "full swing." The day was perfect, the evening glorious, and each and every one left the grounds realizing that they had had one of the most enjoyable outings of the season.
