ADDRESSED CLUB—Mr. Fred Bishop, Sydney, N. S., District Governor for the Y's Men's Club, arrived in the City yesterday in connection with the interests of the club. At 7 o'clock last evening when the local organization held its weekly dinner at the Y. M. C. A. Mr. Bishop was the speaker. He addressed the Y's Men on the work of the Club.

STOLEN CAR FOUND DITCHED ON ROADSIDE—A car, parked in front of the Casino dance hall on Wednesday night, was stolen and was found two hours later by the City Police on the roadside at the P.A.A.A. grounds and in a damaged condition. Car drivers should take this lesson to heart, and not leave their cars unlocked on the street late at night. The police are endeavoring to trace the offenders.

Canada Doing Well In The Davis Cup Sets

(Canadian Press)

MONTREAL, Que., May 21.—Marcel Rainville, Montreal, today won the fifth and deciding set of a gruelling match with Sydney B. Wood, 19 year old New Yorker, to give Canada an ever break in the opening singles matches of the North American zone finals of the Davis Cup. Frank X. Shields, who ranked second only to Johnny Doeg in match in straight sets from Dr. Jack Wright, ranking Canadian player, after the first set had gone to 14 games. Rainville triumphed over Shields defeated Wright 8-6; 6-2, 6-2. Her first victory over the United States in the opening matches to a Davis cup tie.

The teams enter the double match tomorrow or even terms although the United States are still favored to take the zone finals. The other two singles matches will be played on Saturday and for the first time in the history of a Canada-United States series, these matches will decide the outcome of the series.

After dropping the first set, Rainville came back to take the next two from the spirited United States No. 4 player. The crowd loudly applauded the little -French Canadian star as he went into the lead and Rainville, through over anxiety lost the set 6-2 to tie the match at two all. He swept into a 5-1 lead in the deciding set and then scored his victory at 6-4 after being matchpoint on four other occasions.

MONTREAL, Que., May 21.—Canada tied the Davis Cup series here this evening at one match all when Marcel Rainville, Montreal, rallied strongly to defeat Sydney B. Wood, 6-4 in the fifth and deciding set of the match. United States had captured the first match when Frank Shields, New York, defeated Dr. Jack Wright, Montreal, 8-6, 6-2, 6-2. The scores of the Rainville-Wood match were: 4-6, 6-4, 6-3, 2-6, 6-4.

Free-For-Aller For P. E. Island

Colonel D. A. MacKinnon Purchases Well Known Volo Rico, 2.031-4, Also Another Trotter Golden, Eligible To Any Class.

Colonel D. A. MacKinnon returned last evening from a ten days visit to the Maritimes and the eastern United States, where he visited various race tracks and saw a large number of horses in training. From among those he selected Volo Rico, 2.03 1/4 for the free-for-all classes. This horse by the way, established a world's record as a three-year-old over a half mile track last year. He slipped considerably, due to it is understood, to being in poor condition. He is now, however, in grand shape and is a magnificent looking horse, having wintered at Longwood, Florida, where he won a race in 2.06 on a mile track from a standing start. He also won over a half mile track in 2.08 1/4. After buying Volo Rico, the Colonel learned that Sydney, Cape Breton parties were after him, but he had already completed the deal before their wire arrived.

Volo Rico should put up a good contest with the great free-for-allers now in Cape Breton, namely, Trampmut, 2.02 1/4; Jeanette Royal, 2.04 1/4, and Ruby P., 2.06 1/4, the latter two having made their records over half mile tracks. The Colonel felt that it is due to this Province to have a free-for-aller and for that reason made the purchase referred to above. He also bought the trotter Golden, eligible to any class. This horse is one of the most beautiful in the country and is a high-class saddle horse. He has only started in one race, but did not get in the money. He is supposed to be able to trot a half mile track in the vicinity of 2:15.

Another purchase that may possibly be made very shortly is Calumet Bernice, a three-year-old pacer by Truax, 2.03 1/4. This mare is splendidly bred and showed a lot of speed as a two-year-old, but broke down in training. She may not make any starts this year, the intention being to give her every chance to get sound, and if so, she will no doubt be a real one.

The horses were shipped on Tuesday and should arrive here the end of the week. It is the Colonel's intention to dispose of two of the horses he now owns to make room for the new ones.

Ronald Colman Scores In "The Devil To Pay"

LAUREL AND HARDY ALSO FEATURED IN "OUR WIFE"

Ronald Colman fans turned out en masse yesterday for the opening performance of his latest talking picture, "The Devil To Pay," at the Prince Edward Theatre, and were more than well rewarded.

The story was especially written for Colman by Frederick Lonsdale. Amusing and surprising situations, continuous fun, and roars of laughter, punctuated the progress of the novel plot which provides its leading players with one of his most engaging roles.

Ronald Colman plays the Hon. Willie Hale, wayward son of the British Lord Leeland, who has sent the young man to South Africa to "make a man of himself." Bankrupt, he auctions off his belongings, and arrives home "broke." He humors his irate father into an agreeable mood, and finds himself one hundred pounds to the good. Colman meets and falls in love with a young society beauty. The girl's ambitious father has contrived to get her engaged to a Grand Duke. The girl risks being disowned for Colman, but only on condition that he never again see an actress with whom he has been keeping company. By a planned "accident" Colman does see her again and complications follow rapidly.

Ronald Colman captivates his audience in one of his happiest roles. The dialogue is brilliantly witty and exuberantly funny, and the fast pace of the star is followed by a very fine cast. Loretta Young, youthful and attractive, justifies Ronald's quick appreciation of her charms. Myrna Loy, as the actress, was well chosen, and plays convincingly. Frederick Kerr and David Torrence as the fathers, gave the finished performance to be expected from such veteran players. Paul Cavanaugh measured up to the Grand Duke's standard, while Florence Britton, Crawford Kent and Mary Forbes proved capable in minor roles.

"The Devil To Pay" is undoubtedly the season's most brilliant talkie, and one which you will not want to miss.

English Market Losses

Authentic causes of unrest in England included the decline of foreign markets under attacks of the United States, Germany and France; the more than 2,000,000 unemployed; and the fact that millions of dollars are needed to rejuvenate antiquated industries. But it is recognized that England must increasingly look to the dominions, and the throne must stand because a republican form of government would remove the most powerful connecting link with far-flung territories.

Unemployment was seen as an important problem in France, with disturbing factors being such as to make more for unity under the existing republic's form of government than for any variety of overturn. The Franco-Italian naval negotiations held the center of the stage and attention centered upon building up already extensive armament. It seemed clear that while political events might be attended with plenty of Gallic vocal fireworks there would be no storming of barricades because of Spain's example.

Extremes in Politics

In Germany it was recognized that there were more people than anywhere else in Europe sponsoring revolutionary ideas. At the recent elections in September of last year approximately one-third of the total electorate voted either for Adolf Hitler's national socialists or for the communists, both extremes being admittedly striving to overthrow the present regime, yet the government's position was considered solid with no prospects of revolutionary change. Chancellor Heinrich Bruening's cool-headed and firm post-election policy was given primary credit for the stability of the situation in spite of the precariousness of the economic situation. Business men professed optimism.

Fascism Stays Strong

Spain's change was without effect of symptomatic reaction in Italy. The republican party there has been of small account and like the communist and socialist parties, it has virtually disappeared. Mussolini's dictatorship was believed never to have shown itself so well established with the result that it was able to show itself less patently dictatorial. The growing strength of Fascism has had the effect of strengthening the

position of the reigning family. Business has not been good and there has been some friction with France and Yugoslavia, but on the whole no large clouds were sighted on the Italian horizon.

In Poland, the casual observer might have thought political conditions bore resemblance to those prevailing in Spain before the overthrow of Alfonso, but actual conditions differed widely.

Hungary Hard Hit

Hungary, one of the countries hardest hit by the economic depression, showed little sign of political change, and armed uprising was felt unlikely. The fall in the price of farm products amounted to national disaster for Hungary and the number of jobs was estimated at 85,000 or twelve per cent of industrial workers.

"Politically stable but economically almost on the point of starvation" was the description recently applied to Austria by a prominent political economist. The people were seen as traditionally opposed to change, but so hard put to it to sustain life that an element of doubt must remain in any forecast. Even the proposed Austro-German customs union lost support after France's objections, and the general attitude was against disturbance either internal or external.

Looking 'Em Over

BY TEC

Opening Ball Game

Tuesday, May 26 is the date set for the opening game of the City Baseball League. Rovers and Stars will be the teams to usher in the local ball season, which gives every promise of being a most successful one.

Riding Dates

The Saint John Driving Club have announced the dates for their summer race meet. These will be July 22nd and 23rd. There will be three classes raced each day. The track is being put in excellent condition. It is expected that there will be a large number of horses go over from this Province.

Milligan and Morrison have announced the classes for their opening day at the new race track, Northam, July 15th. They are as follows: 2.15 pace, 2.15 trot, 2.21 mixed and 2.28 mixed.

All Serene

The Maritime hockey clubs that went into the importing business in earnest this year are not likely to have any trouble, as was the case last season, during the 1931-2 campaign. The so-called discrimination on the part of the C. A. H. A. should be conspicuous by its absence next winter. The sudden change of residence on the part of hockey players in all parts of the Dominion leaves little leeway for the "powers" to pick out any particular section of Canada to manifest their authority. It appears, on the surface at least, that those clubs which rounded up their teams prior to May 15th are sitting pretty.

Of Course!

Speaking of importations, it was to be expected that President Schryer of the M. A. H. A. would move cautiously in connection with the Jackie Kane-Halifax Wolverines-Charlottetown Abble mix up. Neither the Wolves nor the Abbies had any strings on the former Hamilton star and it remained for him to say the final word as to where he wished to play next season. If he had stopped off at points along the line he could have squared things up. But Kane apparently left Hamilton with full intention of playing on the Island as he claims he secured his transfer for that particular centre. He might have "talked turkey" with Butler, but he ate his first meal on Prince Edward Island.

The "Heavy" Tangle

By the time summer is through the tangled skein of the heavy-weight situation should be fairly well unravelled, and a return to a more normal state is expected. By that time Carnera will either be analyzed in testing conflict or out of the picture altogether. For a menace he has eluded the appraisal of those who can gauge and classify fighters with a prescience that has defied the

best efforts to find his status. Carnera is either a ham or a champion, probably a slice of both. The question won't be answered till some one capable of flicking his chin and testing whether his beard covers durable territory is sent in against him. Schmeigel is billed to battle soon, and according to many he will promptly lose his title. His tenure of office is unprofitable, irksome to the hundred per cent; and as he gives evidence of being one of those casual fighters, it will be in the best interests of the trade to see that he is divested of his diadem as quickly as possible with due regard to the conventions that govern in such cases.

New Annan

Big Jim Pendergast is looking forward to another record-breaking day at New Annan, Aug. 5th the date of the always popular race meet.

Pastor Of P.E.I. Church Marries Saint John Girl

REV. A. G. CROWE, CENTRAL BEDEQUE AND MISS E. H. McKAY WED

ST. JOHN, May 21.—A wedding of interest in Baptist circles throughout the Maritimes was solemnized at the Tabernacle Baptist Church, Haymarket Square, Saint John, at 3 o'clock Wednesday afternoon when Miss Evangeline Hannah Mae McKay, eldest daughter of Mr. and Mrs. George H. McKay of Saint John became the bride of Rev. Alexander Graham Crowe, B. A., Th., of Central Bedeque, P. E. I. only son of Mr. and Mrs. C. H. Crowe of Truro, N. S. Rev. Dr. H. R. Boyer officiated and was assisted by Rev. D. H. Maitland and Rev. B. D. Knott. The church was filled to capacity. Friends of the bride had decorated the church with spring flowers, potted plants and ferns, while white satin bows and dainty sprays of daisies marked the guest pews. Miss Hamilton Hamilton presided at the organ and as the bridal party entered the church played the bridal chorus from Lohengrin.

The bride who was given in marriage by her father, wore a gown of white crepe black satin and Valenciennes lace. Her veil of tulle was worn in cape effect and was held in place by a coronet of orange blossoms caught at the sides with clusters of the same flowers and finished across the back of her neck with a narrow band of orange blossom buds. Her slippers were white satin to match her gown and she carried a shower bouquet of roses.

Attendants

The bride was attended by her sister, Miss Georgia McKay of Charlottetown, as maid of honor, and another sister, Miss Florence McKay, and Miss Vera Nesbitt as bridesmaids. The maid of honor wore orchid, and the bridesmaids maize georgette.

The groom's gift to the bride was a check, to the groomsmen and ushers gold cuff links and the soloist pencil. The bride's gift to the organist was an amethyst bar pin.

Both bride and groom have a host of friends throughout the Maritimes whose good wishes were evidenced in the large array of lovely gifts received.

Rev. Mr. Crowe graduated from Acadia University in 1927 in arts and theology. The bride, who is a graduate of the Saint John High School has been employed in the law office of Porter and Ritchie.

Out-of-town guests at the wedding included Mr. and Mrs. C. H. Crowe of Truro, parents of the groom; Miss Georgia McKay of Charlottetown, sister of the bride; Rev. E. J. Chisholm of Hazelbrook, P. E. I.; J. B. Lewis of Freetown, P. E. I.; Rev. and Mrs. G. E. Sharpe of Hoyt, N. B., and Mrs. Alfred Cutler of St. Martins.

LITTLE CHANCE FOR SAINT JOHN ARENA

Common Council Could Toward Proposition To Spend \$175,000.

SAINT JOHN, N. B., May 21.—A conference between representatives of the Saint John Exhibition Association and the City Council Tuesday afternoon a report was presented showing that it would cost about \$174,968 to build an arena, after making some changes in the original plans. The proposition was not greeted very enthusiastically by the City Commissioners and no action was taken in the matter. The delegation consisted of Andrew S. Allan, president; H. A. Porter, secretary and manager; G. C. Murdoch, chairman of the buildings committee, and Garnet W. Wilson.

Tenders for the erection of an arena, exclusive of an ice plant, ranged from \$174,800 to \$191,000, the ice plant would cost about \$24,000 additional. By omitting a shed, stucco on the exterior walls, the price could be brought down to about \$182,500, including the ice plant.

In answer to Commissioner Spear, Mr. Wilson explained differences between the proposed structure and the Moncton arena, which was said to have cost \$110,000. The Moncton building was a smaller building, was not fireproof, had no basement or heating equipment, and there were other advantages in the proposed arena here.

Mr. Porter said the hockey club would operate on a percentage basis and would guarantee an income of \$10,000.

Mayor White said even if the Council was favorably disposed to go ahead legislation would be needed and he doubted it could be put through the Legislature. The only justification for the city to go ahead would be to increase the facilities for the Exhibition Association and there were some reasons why that was not desirable. The day is coming when that area will be used for other purposes. The C. N. R. may require it for railway purposes and it may be used for industrial sites and the exhibition established elsewhere. Consideration of the proposition was promised.

Their only ornaments were the gifts of the bride, an amethyst necklace for the maid of honor and amethyst pendants for the bridesmaids.

Rev. E. J. Chisholm of Hazelbrook P. E. I. was groomsmen and the ushers were Rev. J. A. R. Tingley and Curtis Chipman.

During the signing of the register J. B. Lewis, of Freetown, P. E. I. sang "O Perfect Love," and at the close of the ceremony the organist played Mendelssohn's wedding march.

Mrs. McKay, mother of the bride wore black georgette with heavy cut steel beads, and hat and slipper to match, while Mrs. Crowe, mother of the groom, wore black georgette and lace with hat to match and a corsage of roses.

After the ceremony an informal reception was held at Green's dining hall, King square, with only the immediate wedding party present. The table, which was decorated with spring flowers was centred with a beautiful tiered wedding cake adorned with bridal decorations. A toast to bride and groom was proposed by Rev. B. D. Knott. Rev. and Mrs. Crowe replied.

After the reception Mr. Crowe and his bride left for a two-weeks' motor trip through New Brunswick and Nova Scotia, after which they will reside in Central Bedeque, where Mr. Crowe is pastor of the Baptist Church. For traveling the bride wore a smart suit of brownleaf oxford cloth with French model Baku hat to match, brown shoes and gloves and brown fox fur.

The groom's gift to the bride was a check, to the groomsmen and ushers gold cuff links and the soloist pencil. The bride's gift to the organist was an amethyst bar pin.

Both bride and groom have a host of friends throughout the Maritimes whose good wishes were evidenced in the large array of lovely gifts received.

Rev. Mr. Crowe graduated from Acadia University in 1927 in arts and theology. The bride, who is a graduate of the Saint John High School has been employed in the law office of Porter and Ritchie.

Out-of-town guests at the wedding included Mr. and Mrs. C. H. Crowe of Truro, parents of the groom; Miss Georgia McKay of Charlottetown, sister of the bride; Rev. E. J. Chisholm of Hazelbrook, P. E. I.; J. B. Lewis of Freetown, P. E. I.; Rev. and Mrs. G. E. Sharpe of Hoyt, N. B., and Mrs. Alfred Cutler of St. Martins.
