JURY SPLITS IN CAHILL TRIAL

After being out two hours the jury sitting on the case of the King vs. Charles Cahill, charged with manslaughter and causing the death of Philip V. Arsenault...

At the recent New York sale horse shoe stickpins were much in evidence again. In the good old days every horseman of note carried a diamond or near diamond horseshoe stickpin in his cravat.

Mc I Win (3) 1.59%, the great little three year old that dominated the race tracks of America the past season winning fifteen races...

The Virginia State Fair at Richmond, Va., is suing a rain insurance company to collect more than \$8,000 claimed to be due on account of damage sustained during the Fair last fall when rain interfered with the program.

Races were held at Dufferin Park track, Toronto, November 25th, 26th and 29th with the following winners: Classified pace, Petress Scott first, Swiss Fast second, Harry Okum third, Jean Patch fourth...

for double gaited performers of all sexes, arranged according to the average time at both gaits. Prince Lorie is the fastest; Crusader, a 1931 addition, is second; Arthur Mower, a 1932 recruit, is third.

As it will be noticed by the above, Toll Gate, 2.00%, who started in several races at Toronto without even being placed, was the winner of the fastest heat, 2.12%, which is also the fastest heat over the Toronto race track this fall.

By the way, Princess Peg is by Volomite, 2.03%, a son of Peter Volo, and is out of the dam of Protector, 1.59%, and The Marchioness, 1.59%.

Allan J. Wilson of Boston, whose business is trucking, and is well known throughout America for his sponsorship of race meetings with big purses, has definitely returned to the harness racing game as an owner, purchasing at the recent Old Glory, Logan Scott (2) 2.02%, one of the greatest two year old pacers in America.

Oklahoma sold more buggy whips this year than any other state in the United States. This causes Will Rogers, the great comedian, to observe that "The horse raises what the farmer eats and eats what the farmer raises, but you cannot plough the ground and get gasoline."

Sam Caton, brother of Will Caton who drove Protector (3), 1.59%, and The Marchioness (3), 1.59%, to their records, purchased at the Old Glory sale Locke Bunter, 2.02%, and Mamie Britton, 2.02%, and will race these two fast trotters in France the coming winter.

The road drivers of long ago paid enormous prices for horses they fancied. There were a crowd of these men in New York, mostly connected with Standard Oil, who enjoyed owning a fast record trotter or pacer.

Mrs. Charles Ballard, North Sydney, through an agent, purchased Calumet Brownie, 2.01%, at the recent Old Glory sale. He will be raced in the Free For All throughout the Maritime Provinces next year.

Some real surprises develop in a sale ring and it frequently occurs that when a person fancies a certain offering he is able to secure him at a price that is startlingly low.

When the last group from Calumet Farm was being sold, Ben White remarked to W. N. Reynolds, the Winston-Salem, N. C., fancier, "There is a filly here I want you to see. She showed very fast in her leading exercises, is richly bred and is one of the handsomest yearlings you ever saw."

Cold Cash, 1.59%, a star pacer consigned to the Old Glory sale was purchased by his former trainer, Walter Breitenfeldt, and will be raced by him in the Free For All this year.

His Lordship reviewed the evidence of the prisoner and other witnesses very fully. He pointed out that it was admitted by the prisoner that he ran into the carriage and destroyed it. The carriage was demolished and broken to kindling wood. The man injured so severely that he died soon after.

When the court opened at ten o'clock, Mr. Thane A. Campbell, K. C., addressed the jury for the defense and in a very able address went fully into the evidence.
