UNDECIDED

"What is the new building you have put up on the hill there?" asked a curious visitor of a farmer.

"Well," replied the farmer, "if I find a tenant for it, it's a bungalow; if I don't, it's a barn!"

QUITE SATISFIED

Outfitter: "Yes sir; here are the boots for your Polar expedition. Were you satisfied, by the way, with the boots we supplied you with for your last expedition?"

Explorer: "They were the best boots I ever tasted."

WAS AMONG THE SPEAKERS—In the report of the Clyde River reception given Rev. R. H. Stavert referred to yesterday the name of Mr. Wallace McLaine who gave a short address was inadvertantly omitted.

FUNERAL SERVICES—The funeral of the late Catherine MacEwen took place from the residence of Mr. M. A. Murphy, South Shore yesterday morning at 10 o'clock, and was largely attended. The pall-bearers were Messrs. Daniel MacPhee, Nelson Currie, A. MacMillan, Wellington Murphy, Peter Currie and George Wilson. Service at the church and grave was held by Rev. Father MacKenna, C. SS. R.

LAWYER ON VACATION — Mr. Fulton Underhay, who is employed with one of the largest law firms of Boston, Mass., arrived at his old home in Bay Fortune yesterday to spend his vacation. A graduate of Oxford in 1924, Mr. Underhay was the first Canadian student in thirty years to rank First Class in Jurisprudence in that University. He completed his Second Year work at Prince of Wales in 1926, and subsequently studied law at Dalhousie University, where he had a brilliant scholastic record.

RED CROSS CIRCUS—The children of Brighton Shore held their annual Red Cross Circus on Wednesday evening. The usual program of songs, dances and stunts took place, after which those present took in the various "side shows" which consisted of the "Dionnes" young puppies and a shooting gallery. Much interest centered around "hot dog" stand, presided over by "Uncle E[illegible] and the fruit and candy by Misses Margaret Clark, Vivian Rix and Dorothy Lowther and a fortune telling booth by Dottie Keeping. The sum of twenty dollars was realized for the Junior Red Cross Society.

POLICE COURT — Five drunks appeared at the Police Court yesterday morning. A drunk and incapable was sentenced to ten days in jail; a second who failed to appear had his bail bond of $5.00 estreated; a third was fined $5.00 and costs or ten days, while a fourth was sent to jail for fifteen days without the option of a fine. A drunk and disorderly was fined $10.00 and costs or 20 days and a vagrant was dismissed. An autoist, charged with operating a motor vehicle while intoxicated, was remanded until today, after evidence had been taken. The defendant in a custom case fined $50.00 and costs or two months in jail.

THE PASSING OF THE FATHERS—I. C. R. writing in the Halifax Herald says: Miss Agnes D'Arcy McGee, the only surviving member of the family of Thomas D'Arcy McGee, has just celebrated her seventy-eighth birthday at her home in Montreal. She was only ten years old when he father one of the most illustrious of the Fathers of Confederation, was assassinated by a Fenian on April 6th, 1868, in Ottawa. On the wall of her room at the Dowd Memorial Home in Montreal hangs a portrait of her father, to whom she bears a striking resemblance. In one corner is a chair he bought in Quebec. How many people today remember D'Arcy McGee? "I. C. R." is likely numbered among the few who do. He was seven years old at the time the delegates from the different provinces met at Charlottetown, and Miss McGee was only a few months older. Former Premier Tilley of New Brunswick is a son of one of the Fathers of Confederation. Mrs. Artemus Lord of Prince Edward Island is a daughter of another, Colonel Grey of Charlottetown. All of the "Fathers" have passed away, leaving very few descendants. Edward Whelan left one son who perished in a boating accident in Charlottetown harbor the day the Island celebrated its entry into Confederation. McGee and Whelan were among the first ardent advocates of Confederation, the one in Mohtreal and the other in the Island Province. Both suffered and practically passed away for their loyalty to the Confederation idea. Although a small boy at the time, "I. C. R." met Mr. McGee at the home of Edward Whelan and distinctly remembers that gentleman and his kindly words. What intellectual giants they were back before Confederation. Sir John A. Macdonald, Gault, Tilley, Cartier, Grey, McGee, Tupper, Brown, Archibald, Whelan, to mention but a few. And "I. C. R." saw them all, but he'll never see their like again.

CONSTRUCTION BOOM GREATEST IN YEARS

HALIFAX, Sept. 3 — (CP) — In the midst of one of the greatest construction booms in the history of this seaport city, Halifax contractors have no more time to think about the old depression years as they scramble for the many jobs available in $3,000,000 worth of new building begun or about to begin.

Contract for a new provincial government annex has been awarded at $1,100,000 while construction on a new fedral government building costing $1,000,000 is expected to start in the near future. Other operations include a new pier and extension of two others, a dockyard machine shop, a street tunnel beneath the ocean terminals and more than 100 new homes.

::An Oil that is Famous—Though Canada was not the birthplace of Dr. Thomas' Eclectric Oil, it is the home of that famous compound. From here its good name was spread to Central and South America, the West Indies, Australia and New Zealand. That is far afield enough to attest its excellence, for in all these countries it is on sale and in demand.

N.Y. MARKET

NEW YORK, Sept. 3 — Price trends were generally mildly reactionary in the post-holiday stock market session today. Traders apparently came back in a somewhat cautious frame of mind, and profit-taking was the rule, although pressure was light and volume tended to increase as the market showed occasional evidences of strength.

The day's decline, as measured by the Associated Press average of 60 stocks, was .4 of a point, at 47.6. Rails resisted the general trend better than other groups. The 15 carrier stocks in the average were off only .1 of a point at 25.1. Turnover in the stock exchange held well under the million-share mark at 903,780 shares. The resistance of the rails appeared to have been aided by early Wall Street estimates indicating a sharp increase in freight loadings for the week ended Aug. 31.

The holiday influence was evident in the report of the American Iron and Steel Institute estimating production in the industry in the current week at 45.8 per cent of capacity, off 2.1 points from the previous seven days.

Corporate News offered some encouragement to the bull forces. Improved earnings for the half year were reported by Cocoa-Cola, Virginia-Carolina Chemical, Diamond Match and United Gas Corp.

A few specialties countered the general trend for good gains. International business machines rose more than 3 points at 184, and others up 1 to 2 points included Eastman Kodak at 149 1-4, Liggett and Myers "B" at 116, Columbia Carbon at 88, and W. T. Grant at 36 1-4.

In the Canadian list Distillers-Seagrams dropped a point. Hiram Walker lost half as much while other issues showing fractional declines included International Nickel, McIntyre-Porcupine, Noranda, Dominion Stores, B. A. Oil and Imperial Oil. Dome Mines, Brazilian and Ford of Canada were slightly higher.
