Six pellets of "77" every thirty minutes will "break up" a fresh Cold or a "touch" of the Grip in twenty-four hours.

Six pellets of "77" every hour will "break up" a hard stubborn Cold that "hangs on" and "knock out" the Grip with all its pains and soreness in the head, chest and back, Catarrh and Sore Throat.

How? By restoring the checked circulation (indicated by a chill or shiver) starting the blood coursing through the veins and so "break up" the Cold.

CAN CATARRH BE CURED?

Shepherd G. Frost, Chatham, N. B., writes: "For a number of years I have been troubled with catarrh and headache, and have tried many remedies during that time, but without avail. At last I heard of your medicated air treatment and procured a Catarrh ozone outfit. Within twenty-four hours my headache disappeared and has not since returned, and in a short time I have been completely cured of Catarrh. I recommended Catarrh ozone as the safest and cheapest cure for Catarrh. One bottle did the trick for me." Catarrh ozone is sold by all druggists. Tripartite sent for ten cents in stamps. N. C.
