## THURSDAY

**HOME FROM FRANCE.**—Among the late arrivals from France, is Mr. William Dewar, son of Mr. and Mrs. Albert Dewar, Brudenell. Mr. Dewar enlisted at the outbreak of the war; has been through it all and knows its terrors. He returns to his home amid great rejoicing, looking hail and hearty, none the worse of his four years experience.—T.

**WELCOMED HOME.**—A very pleasant evening was spent at the home of Mr. and Mrs. Daniel Robertson, Munn's Road on April 22nd when a number of their friends and relatives gathered to welcome their nephew Haddon S. McLeod of Uigg who recently reurned from overseas. Another returned soldier Fred Stillman, of Kingsboro, who served in the same battery was present also. A pleasant social evening was spent after which ice cream and cake were served in the hostess usual hospitable manner.

**—FUNERAL SERVICE.** — The funeral of the late Mrs. Donald Stewart, of Kensington took place on Sunday afternoon, the service being held in the Methodst Church of which she was a faithful and valued member. Mrs. Stewart's illness was of long duration and she suffered severely, but it was borne with Christian patience and resignation. To visit her sick room was a benediction, and we feel sure her sweet Christian life will long have an influence on those around her. She was a life member of the W. M. S and was for many years an efficient Rec.-secy. She leaves to mourn the loss of a loving wife and devoted mother, her husband Donald Stewart three sons and three daughters, James of Concord, N. H.; Thomas, of Kensington; Allan Manager of the McNutt store, of French River, Mrs. Claud Mill, of Marshfield; Mrs. Will McKay, Clifton and Miss Florence, at home. Also three brothers: James Adams, of Summerside; Albert, of O'Leary and John, of Seaview and one sister Mrs. Bella Duggan, of Seaview. The service in the church was conducted by her pastor Rev. Geo. Sellar who spoke very effectively to a large congregation, filling church and vestry. His text was from Rev. "There shall be no more pain." T. U. Bentley sang with much feeling "There'll Be No Dark Valley Where Jesus Comes," and a large choir assisted in several hymns one being chosen by the deceased and asked to be sung at her funeral. "My Heavenly Home So Bright and Fair." The pall bearers were Ken Waite, of Wilmont, David McLure, John Warren, Wlliam Goss, Charles Clow and Isaac Lowther, of Kensington. The interment took place in the cemetery at Kensington and she was laid by the side of her son Byron who had predeceased her a number of years ago. "He giveth His beloved sleep."

### THE MAN WHO COMPLAINS

"Our food restrictions said a Congressman, 'are necessary and not onerous. The man who complains about them is more or less a Wash White.

"Wash White, a hired hand on a North Carolina farm, said that the farmer's wife was too gosh-darned mean for him.

"Why, only this mornin',' he said the old skinflint asked me if I knowed how many buckwheat cakes I'd et.

"'Nome,' I says. 'Nome, I don't count my mouthfuls' I says, kind of sarcastic.

"'Well, Washin'ton,' says she 'that last cake o' yourn was the eighty-seventh.'

"'Gee, gosh! but that made me mad! said Wash, 'Yes, it made me so mad I hopped up from the table and rushed out to work without my breakfast."

## FRIDAY

**U S SOLDIER RETURNS.**—Pte. Harry Dumphy of the Ninth Massachusetts Regulars returned to his home in Kensington recently. Pte. Dumphy enlisted in Boston and saw eight months service on the battle line with Uncle Sam's troops. He was reported missing for three months, but was in hospital during the time, having been severely wounded, and gassed. Pte. Dumphy gives a graphic description of the hell of machine gun bullets, gas and shrapnel which the American troops had to face at Chateau Thiery and the several other heavy engagements in the Metz region. He speaks in the highest terms of the bravery and stoicism of the American soldiers. K.

**—FUNERAL SATURDAY.**— The friends of Miss Ada Craswell, formerly of St. Eleanors will hear with deep regret that she passed away at Summerside on Thursday after a lingering illness. The funeral will take place on Saturday, Many 3rd. from the residence of the Misses Schurman, Myrtle St. to St. John's Church, St. Eleanors, at 3 o'clock.

**ROTARY CLUB**—The Rotary Club dined together in the Hotel Davies last evening, the President, W. H. Van Buskirk in the chair. After the usual business had been discussed, the members adjourned to meet at the Prince Edward Theatre where a Rotary night had been arranged to witness „Some Baby." Later they and their lady friends to the number of about 100 adjourned to the „Rose and Grey" Cafe where an enjoyable hour was spent at luncheon with social intercourse and singing. On the motion of District President Inman a hearty vote of thanks was accorded to President Vanbuskirk and Rotarian Pomeroy for arranging the programme.

**CANADIAN KILTIE CLUB.**—The C. K. C. was held at the home of Mr. and Mrs. Everett Stevenson, North River. The meeting was opened by reading the 3rd chapter of St. Matthew. The minutes of the previous meeting was read and approved off. The Club then gave some recitations, readings and songs. Two men members were brought into the Club, after which Mrs. Stevenson served a generous supply of home made candy which everybody enjoyed. A vote of thanks was moved for Mr. and Mrs. Stevenson for their kindness to which they responded in a few well chosen words and invited the boys back again. The singing of the National Anthem brought the meeting to a close. The meeting of Friday, April 25th, 1919 was held in the North River Hall and was very largely attended. This meeting was opened by reading 3rd Chapt. John followed by prayer. The Club then gave some songs and speeches. Mr. Benj. McLeod gave a speech which made the rafters ring. There was also two more new members brought in making a roll of 22 members. The meeting was adjourned by singing the National Anthem. (Patriot please copy.)

**WEDDING BELLS.**—On Wednesday, April 23, at 2.30 p. m. the home of Mr. and Mrs. Geo. W. MacLeod, Longworth Ave., was the scene of a happy event, when their daughter Florence Adele, became the wife of James Walter Webster, son of Mr. and Mrs. Kimble Webster of Marie. Rev. Dr. Fullerton performed the ceremony in the presence of the immediate relatives of the bride and groom. The happy couple accompanied by a party of friends left on the afternoon train for Marie where a reception was held at the home of the groom's parents. Almost one hundred guests assembled to do honor to the newly married couple. A most enjoyable evening was spent with music etc., interspersed with humorous speeches by a number of guests. Many beautiful presents in cut glass, silverware and other useful articles were received, among which was a very beautiful silver service from the staff of Dispersal Station A to which the groom had been attached for some time, also a cabinet of silver from the manager and staff of the Royal Bank of Canada of this city, of which both bride and groom were former members. A substantial sum of money in gold and cheques was also received. The young couple left this week for Netherhill, Sask., where the groom has a good position awaiting him. The best wishes of their many friends go with them to their new home.

**—ISLAND TRAINER IN LIMELIGHT.**—The fact that O'Keefe & Son of St. John, N.B., have selected Dan Steele of Summerside to fit their fast stable of horses for the coming races is a flattering recognition of Dan's ability as a trainer. It is also a boost for "the sport of Kings" on P. E. I. There will be five fast ones in string viz. Peter Farren, holder of the Maritime Province record of 2.09 (Chatham 1918). Forefeather (trotter) 2.10½ Lou Princeton, Manrica Belle and Native Hal. Mr. Steele also retains Uscita owned by Dr. F. W. Christopher of Boston. It certainly looks as if the centre of Eastern horse racing is gravitating toward P. E. Island. K.

The death occurred at Milton on Tuesday evening of Mrs. Charles Worth, a bride of only three weeks. Florence Neill (her maiden name) was a young lady well and favorably known by a large circle of friends, not alone in the parish of her birth, but here in this city and elsewhere and the sad and sudden termination to a young life just entering upon life's journey with the partner of her choice, makes the event more than sad. A consistent member of the Episcopal Church, combined with a loving and tender disposition endeared her to a large circle by whom she will be missed. The funeral takes place tomorrow at 2 p.m. from her home at Milton to the People's Cemetery here in this city.

Mr. P. D. Compton, of Boston, is at present on a visit to his old home at Montague, and visited Charlottetown yesterday. Mr. Compton is largely since the war broke out has been in France "doing his bit" with the Black Watch, Montreal Thirteenth Highlanders. On his way home he visited Lampson & Co., London, the great fur salesmen, and had a most interesting experience with Mr. Lampson, the head of the firm. Mr. Lampson informed Mr. Compton that there was no fear of over-production of silver foxes of the right strain.

The best quality foxes for the London market are the pelts with the well-silvered rump. There is not so much demand for all-black foxes, there being merely an occasional call for them to meet, probably one season's fashion hobby. There are very good prospects for a rise in the market at the next sales, which take place in June. The rise of the last market was twenty-five per cent. Mr. Lampson showed Mr. Compton a skin sent by Mr. Rayner, P. E. I., which he said was of the first quality and was sure to bring a good price. Mr. Lampson asserted that as soon as business adjusted itself in London the fur market would be as good as in pre-war days. This from such an authority as Mr. Lampson should prove welcome news to ranchers here.

"I HAVE ridden my C. C. M. Bicycle pretty regularly for sixteen or seventeen years," writes an enthusiast, "and it is still a good machine."

What was the cost per mile of that splendid service? Certainly far and away less than that of a cheap, inferior bicycle. The few dollars you might save on an ordinary wheel are likely to be lost over and over again in the shorter life and poorer service of such a machine. Make certain of lowest cost per mile with

What has extra finish to do with service? Note the depth of brilliancy in the enamel and nickelling. C.C.M. handle bars and all bright parts are generously nickelled over a coat of copper—and copper can't rust. Years after ordinary bicycles are not fit for good company, the sparkle of your C.C.M. makes you proud of it.

All C.C.M. bicycles have the Hercules coaster brake—the only brake without a side arm. It is light, simple, powerful and effective. After coasting the clutch engages without slipping and with utmost smoothness. We back this brake with our guarantee.
